PUBLIC WORKS DEPARTMENT.

MEMORANDUM.

24 APR 96

Dated Madras, 23rd April 1896.

Petition from T. Vydealingam Pillai, retired Sub Engineer, dated 2nd April 1896.

Office Note from the Examiner, P.W. Accounts, No. 1013 D/E, dated 10th April 1896.

Forwarded to the Pension Department with reference to P.W. Memo No. 2890 C. dated 5th October 1895.

2. There seems no reas[illegible]bt that T. Vydealingam Pillai held the appointment of Overseer's clerk from 1st May to 31st December 1859, and from letter from the District Engineer Nilgiris No. 272 dated 10th October 1878 (copy of which forms an enclosure to the petition) it appears that he was transferred to Local Fund service on the 1st January 1860 by the Executive Engineer Wellington. If this period of 8 months is recognised as qualifying service, his total qualifying service will be 23 years 8 months and 18 days. The local Government may condone a deficiency of 12 months, and it is strongly recommended that in consideration of the Sub Engineer's long and meritorious service, the sanction of the Government of India may be applied for to condone the small remaining deficiency of 3 months and 12 days. If the petitioner had been granted a lien on his permanent appointment in the P.W.D. when he was transferred to Local Fund service in 1860, the whole

period

period of 8 years and 5 months spent in such service would have been qualifying, and his total service towards pension would have been over 32 years.

3. If the Pension Department is still unable to accede ~~toxthis~~ to this recommendation, it is proposed in the P.W.Department to ask the Government of India to sanction as a special case his reinstatement on the active list as a supernumerary, so that he may work out the period necessary to give him half pension.

C. No. 367.

From the Public works dept.

Dated 23rd April 1896, No. 2050 C.

FOR ORDERS.

Please see note for orders in G.O. 1170/21-9-94, 1614/19-12-94 & 1325/4-11-95 Pension. The Chief Engineer, P.W.D. now requests that the applicant's 8 months' service from the 1st May to the 31st Decr 1859, preceding the Local Fund service, may be counted for pension, and that the deficiency of 3 months and 12 days still required to complete 25 years' service may be condoned by the Govt. of India. As stated in the note for orders under G.O. 1325/4-11-95, it is submitted, that the 8 months' service were treated as non-qualifying, as the applicant did not retain a lien on his permanent appointment when transferred to "works", and that the 3 months and 12 days' deficiency cannot be condoned either by this Govt. or the

* The Examr now says that if the Govt consider that the applicant was transferred to the L. F. service in Jany 60 under the orders of competent authority, the 8 months' service may be counted for pension; and the Chief Engr. says that the applicant was transferred to L. F. service by the Executive Engr., Wallington. Even this additional service would not give him a half pension; for, the deficiency of 3 months and 12 days still required to complete 25 years service it is submitted cannot be condoned either by this Govt. or the Govt. of India.

Govt. of India, a deficiency of 11 months and 12 days having already been condoned - vide art. 665 (A.)(2)(a). CSR, which says that the Govt. of India (~~if the pension is an Imperial charge~~) or the Local Govt. (if the pension is a provincial charge), cannot condone more than 12 months in all. With reference to the remark of Chief Engineer about the applicant's service of 8 years & odd on the temporary establishment, reference is respectfully solicited to the remarks of the Hon. Member in G.O. 1170/21-9-94 wherein he says that there are not sufficient grounds for an application to the Secy. of State about the temporary service.

Attention is invited to para 3 of the Chief Engineer's Memo - The applicant retired under art. 508 CSR and was over 59 years of age at the time of his retirement. He is now over 61 years old.

Neither this Govt. nor the Govt. of India can condone another 3 months & 12 days, 11 months & 12 days already having been condoned. H.M. has already decided that there is no case for a special recommendation, but I do not see why in view of the Examiner's present certificate the 8 months service in 1859 should not be reckoned under CSR 643 E. This would only raise the petr's total service to 23 years 8 months 5 days, & he would be no better off. [illegible] 12 months & 12 days cannot be

condoned. If re-employed however he would only have to serve 3 months & 12 days, if Govt. condoned 12 months; but re-employment however cannot be sanctioned so far as I can make out (see CSR Art. 520)

15.5.96

Govt. has no power to do anything nor has the Govt. of India, & there is as already decided no ground for addressing the Secy. of S. Submitted that petr may be informed that Govt is unable to accede to his request.
