I, M. Venkatragavachari, late

beg to offer the following explanations with
reference to your takeed No. 2248 dated 13th

1-1-59 to 29-2-60
1-3-60 to 31-3-60

I was appointed as a classifier on

Mr. Bamburg and No. 68 dated 29th November
1859 issued by Mr. Puckle, herewith sub-
mitted (for original reference) to Wynad

Mr. Thomas till the end of March
60, when in virtue of a takeed dated
April (herewith submitted in original)
ued by that office, I reported myself to
the Salem Party, and did the same 2nd clerk's
uty on Rs 30 per mensem, under Mr. Puckle.

1-11-60 to 31-1-61. } As I then did not go to

a Head classified on Rs 30 acting from 1st
November 1860 to March 1861, by Mr. Thomas,
and worked in the office, and accompanied
him to the field during his inspection.
I was not given any takeed on the subject;
Pensioned V. Sami Iyer who was then 3rd clerk
in the Deputy Director's office can bear
evidence to the fact.

Moreover I was appointed
as Head Writer and Comptah of the
Survey

1861 by the same Mr. Thomas, a
worked under Mr. Leggett, Mr. Simm
and Mr. Stuart till June 1865. Durin

THE HUMBLE MEMORIAL OF N. VENCATA RAGHAVA CHARRY, ACTING HEAD GUMASTA IN THE OFFICE OF THE DEPUTY DIRECTOR OF REVENUE SETTLEMENT No. V. PARTY.

MOST RESPECTFULLY SHEWETH,—

1. That the Deputy Collector in charge of the Treasury South Arcot, refused to pass the pay bill of your Memorialist for the month of October last, stating that he, as an unpassed man, should obtain sanction of Government for his exemption from the operation of Examination Rules; but, on the representation of the Deputy Director, the former was pleased to pass the pay bill, under the Rules permitting the appointment of unpassed men for a month only, with a remark, that, in the event of your Memorialist being confirmed or kept up in his present appointment, the sanction of Government for his exemption should be obtained before drawing the second month's salary. The Deputy Director taking into consideration the long service and the qualifications of your Memorialist, and sympathizing for his deplorable case, requested the Director of Revenue Settlement in his letter No. $\frac{79}{43}$, dated 9th November 1883, to submit his case for the favorable consideration of Government; but, the latter declined to comply with the request of the former. Your Memorialist has, therefore, no other alternative but to appeal to the mercy and generosity of Government for redress and protection.

2. That the circumstances of your Memorialist's sad case are that your Memorialist is an old and faithful servant of Government having entered the Public Service on the 18th June 1855 in the Revenue, and afterwards in the Settlement Department from 1st November 1858. He continued from that date to hold continuously posts of trust and responsibility in the same Department up to 1st May 1872. He was at this time a Head Classifier on Rs. 30 per mensem and was employed in the Kadiri Taluk in Cuddapah District, frequented by malarious fever. Having been seized by the fever which physically incapacitated him for his arduous duties of fieldwork, your Memorialist applied to his immediate superior (the Deputy Director) for leave of absence of 25 days commencing from the 7th March 1872 on forfeiture of pay. This was the first application for leave, and it was granted. As your Memorialist did not recover from the violent raging of the fever, he was obliged to apply for an extension of his first leave. Accordingly, his application for an extension of leave of 2 months commencing from 1st April 1872, was sanctioned only for one month on forfeiture of pay, with a provision, that,

should he fail to join his appointment on the expiration of the term granted, his name would be struck off the Establishment of the Department. It is needless to mention here the dangerous condition to which your Memorialist was subjected by the violent raging of this terrible fever which continued to rage even after the term of leave and necessitated your Memorialist to make a third application for a further extension of two months leave, which was refused. Now his immediate superior urged him to resign his appointment from 1st May 1872, to carry on the public work without arrears; and this, he was compelled to do. This circumstance was officially intimated to him by his superior by an Order dated 11th May 1872.

3. That after his resignation, your Memorialist continued to suffer from this illness, and he was not thoroughly relieved of it till about the end of July 1872. Now your Memorialist began to recover his former strength; and on the 28th of the same month, he was appointed to a temporary post of Rs. 15 in the Kurnool Party, and was promoted on the 1st September 1872 to another temporary post of Rs. 30; and then for 4 months, he was employed in the Census Office on Rs. 25. On the 27th April 1873, Mr. Baubury the then Director of Revenue Settlement, appointed your Memorialist to a permanent post of Rs. 20 per mensem and promoted him soon after, to a post of Rs. 24. Although there was a break of 11 months and 26 days between the date of your Memorialist's resignation and that of his reentertainment to the permanent office, irrespective of the temporary posts held in the interval, this was not considered by the Director as a bar to his appointment on Rupees 20, which in the case of unpassed men, required the passing of U. C. S. Examination. From the date of his reentertainment, that is, from 27th April 1873 up to the month of September 1883, the salary bills of your Memorialist for the several posts he continued holding, on and above Rs. 20, have been passed by all the Treasury officers and the Accountant General without any objection. But it has been stated that on the 1st October 1883, your Memorialist was appointed to the post of Head Gumasta on Rupees 50, in the office of the Deputy Director of Revenue Settlement No. V., Party, and that the Treasury Deputy Collector of South Arcot, while passing your Memorialist's pay bill for October 1883, remarked that he should obtain the sanction of Government for his exemption from the operation of Examination Rules before drawing his second month's pay. These are the actual facts of your Memorialist's deplorable case.

4. That from the facts of the foregoing paras which are supported by Public Records, it will be clearly observed by Government that the said break of 11 months and 26 days in the service, was only the result of an accident over which he had no control, and was not due to the fault of your Memorialist. If the period of time in which your Memorialist held temporary posts in the interval, be deducted from the 11 months and 26 days, there is only an actual break of 6 months, of which 3 months had been spent in sick-bed and the remainder in waiting upon the Director for an appoinment.

5. That in July 1874, Mr. Sullivan, when in charge of Revenue Settlement Department moved Government that unpassed men in the Settlement Department, should, as a special case, be exempted from the operation of Examination Rules up to Rupees 40, which was accordingly sanctioned. Even before this exemption,

your Memorialist had been reentertained by Director Baubury referred to above, to a permanent post of Rupees 20, who considered that the break under notice, was, your Memorialist presumes, as stated in the former part of para 4, only caused by an accident over which he had no control, and that too has not exceeded one year. Since then your Memorialist has been in continuous service to the present day.

6. That in the letter No. $\frac{79}{48}$, dated 9th November 1883, addrssed to the Director of Revenue Settlement by the Deputy Director of the Department No. V. Party, the latter expressed his opinion that he would strongly declare your Memorialist deserving the indulgence he seeks; and it has been stated that even this powerful representation by your Memorialist's superior, met with no success; and your Memorialist attributes this to his misfortune only.

7. That your Memorialist is a public servant of 19 years and some months standing, during which period, he has always obtained a high reputation as an able and excellent public servant. The annexed printed Service Register will show to Government that your Memorialist has served under Messrs. R. K. Puckle, G. Baubury, C. O. Legget, M. A. Symonds, C. J. Stuart, C. Rundall and other gentlemen, all of whom have borne excellent testimonials regarding his qualifications, as a public servant. It will not be out of place to mention here the special indulgence allowed to him by E. C. G. Thomas, Director of Revenue Settlement in the year 1860, who has given your Memorialist a Tamil Takeed, which, as it has not found a place in the Service Register, is printed below translated, for the information of Government, in which the said gentleman specially allows your Memorialist $\frac{1}{4}$th part of the pay he was then drawing, under certain condition referred to in the Takeed. This special concession on his behalf is an evidence of his good character and good service in the Settlement Department. Your Memorialist is well versed in 5 Languages, viz., Tamil, Telugu, Maratthe, Hindustanee, and English, a knowledge of which was essentially required in the several Districts in the Settlement Work.

8. That there are several cases in which Government were pleased to exempt public servants in the Revenue Settlement Department from the operation of Examination Rules. In the year 1876, one Streenivasa Pillay, who was employed in the Revenue Department, was compelled to resign his appointment owing to ill-health, but, was afterwards appointed as a Gumastah in the Virdachalam Taluk in South Arcot District. There was a break in this man's service, and the Government were pleased to exempt him from passing the General Test Examination, Vide Proceedings of the Madras Government dated 23rd November 1878, No. 1907 Miscellaneous. Another Kuppuswami Iyer, an Accountant, Collector's Office, Coimbatore District, entered the Public Service in 1863. He held acting appointments from 1858. The Government were pleased to exempt him from the General Test Examination, vide G. O. No. 401 dated 23rd June 1883. A. Narayana Iyengar, P. Sunder Row, V. Kuppu Row and C. Narasinga Row, who are employed in the Settlement Department have also similarly been exempted from the operation of Examination Rules in the years 1881, 1882 and 1883. There are also many other instances in which Government have been pleased to show their generosity in deserving cases.

9. That your Memorialist humbly begs to say that he is about 47 years old having served Government for 19 years and 4 months, possesses a very large family and has no other means of subsistance than the pay of his hard earned appointment. To subject your Memorialist at this stage of life to the operation of Examination Rules, is indeed a severe penalty, considering the said accidental circumstance by which he was compelled to resign his post, only with the approval of his superior, which caused the said break in the service. Had it not been for this break which disqualifies him at present for the post referred to, your Memorialist would have been classed in old servants requiring no Examination.

10 In conclusion, your Memorialist most humbly and submissively craves the Noble Government to take all the foregoing circumstances into their favorable consideration and exempt him from the operation of Examination Rules.

TRANSLATION OF THE TAMIL TAKEED REFERRED TO IN PARA 7.

DATED 3RD APRIL 1860, CAMP, TELLICHERRY.

"As the Director has ordered in his Proceedings to send back all the

THE
HUMBLE MEMORIAL OF
N. VENKATA RAGHAVA CHARRY,
ACTING HEAD GUMASTA IN THE
OFFICE OF THE DEPUTY DIRECTOR OF REVENUE SETTLEMENT
No. V., PARTY.

The material points to be considered of the case are as follow :—

(1.) The Petitioner, having entered Government Service on the 18th June 1855, is now an old Public Servant of about 20 years standing.

(2.) He was held in high reputation by all of his past Superiors and Directors of the Department, such as R. K. Puckle, G. Banbury, C. O. Legget, M. A. Symond, C. G. Stuart, C. Rundall and especially by C. G. Thomas and other worthy English Gentlemen.

(3.) The fact of (2) is supported by the excellent testimonials found in the Petitioner's Service Register (printed copy herewith) borne by almost all the above Gentlemen regarding his qualifications as a Public Servant.

(4.) He is as well highly held also by his present immediate Superior, the Deputy Director of the Settlement Party referred to.

(5.) He has a break of Service of 11 months and 26 days caused by an accident over which he had no control.

(6.) One Director, Mr. Banbury also has considered the break to be due to such accident and was pleased to observe that the break has not exceeded a year and that it was therefore no bar for his promotions in the Service. He has also conferred on the Petitioner a permanent post of Rs. 20, which, in the case of unpassed men, required the passing of U. C. S. Examination.

(7.) He is now required by the Treasury Dy. Collector of South Arcot to obtain sanction of Government for his exemption from the operation of Examination Rules.

(8.) The Petitioner is now 47 years old and at this stage of life to subject him to the operation of Examination Rules will be a severe penalty.

(9.) In many analogous cases referred to, Government have been pleased to sanction for exemtion.

(10.) Under these circumstances, the Petitioner respectfully solicits that Government will be graciously pleased to exempt him from the operation of Examination Rules.

(11.) This indulgence now sought for by the Petitioner, his now immediate superior strongly declares in an official letter referred to within, the Petitioner undoubtedly deserves.

MADRAS,
December 1883.

Supplemental Remarks

I. (1) Nadadur Venkataragavachari Head Gumastah of Settlement Party No V entered the Settlement Department in November 1858 and continued in it till May 1872. In March of that year, he took ill while working under Col. C. J. Stuart in the Cuddapa District, and obtained leave on for fifteen full pay for 25 days commencing from 7th March. Not having recovered from the illness, he applied for an extension of leave for two months, but leave was extended by one month only and he was informed that if he did not return to duty by the end of that month his name would be removed from the rolls (Paravadi) vide Ja Pacd No 23 dated 5-4-72 Exhibit A. So owing to his continued illness Venkataragavachary found that he would be unable to join at the end of the one month's extension granted to him, he was obliged to resign his post of Head Choultdar

classifier on Rs 30 but his name should be removed from the pay bills. On accepting his resignation Col. C.J Stuart the then Deputy Director said that as it was inconvenient to grant extension beyond 1st May as applied for, the resignation was accepted. Vide Endorsement exhibit B No. 395 dated 11-5-72. The same fact was again certified to by the same officer after a lapse of more than ten years vide exhibit H. The wording of the Endorsement and the certificate given by Col. C.J Stuart leave no doubt of any kind that the extension of leave applied for was declined in the interests of public service.

(2) From 1st May 1872 until 29th April 1873, when he was permanently re-entertained by Mr. G. Banbury the then Director of Revenue Settlement, there is a break of 11 months and 27 days in the applicant's service - No break in service is even then for one year. He appears to have worked steadily steadily and satisfactorily since his re-entertainment in 1873, for in 1883 when the South Arcot Party No. V was organized, he was selected to be the post of Head Gumastah: In 1884 Government in their order No. 15 Mis. (Educational) dated 14th January 1884, on his memorial a copy enclosed, was exempted by from the operation of examination Rules, so far as to enable him to hold the post of Head Gumastah only, and since that date he has been the Head Gumastah of this Party except for a short period of 5 months when he was transferred to No. I Party Bellary on account of his relationship to 6 Krishnamachari Supervisor transferred from Bellary to South Arcot. He was re-transferred to this Party at the request of the late Deputy Commissioner. Vide letter No. 141/65 dated 28.3.93. That he worked well and earned the approbation of the late Deputy

Deputy Commissioner is borne out by the certificate exhibit G given him. He has rendered good service under the undersigned also. The undersigned has found him a hard-working, intelligent and capable officer. In the annual reports for years 1887-1888 and 1888-1889 also his services are acknowledged. Messrs Krishnamurti Iyengar and Meyer under whom he happened to work when the former acted as Deputy Commissioner and the latter was attached to the Parby to learn Settlement work, have spoken highly of him (Vide certificates marked F and E). His service book contains several other good testimonials of the same kind. Having regard to the high opinions expressed regarding his services by the several officers under whom he served and to the fact that his aggregate service rendered in several districts exceeds the long period of 20 years, it is hard that he should be

be deprived of the benefit of drawing the full amount of pension, by the break in his service of less than one year which occurred in the period from 1st May 1872 to 27th April 1873. This break was not the result of his seeking, but of the circumstance that on the ground of inconvenience to public service, he was refused the short extension of leave on loss of pay, applied for on account of sickness contracted in the course of his service in a Malarious District.

(3) In the light of the above facts it appears to the undersigned that Sadadar Venkataragava chari should not be made to suffer for the break in service. The undersigned therefore requests that the Board will be pleased to recommend to Government to condone the above break in service under article 450 a- and appendix 5, section 5, Sub Section 3, page 360 of the Civil Service Regulations and to sanction

to

to him the full pension of Rs 25 to which he would then be entitled.

II. The cause of reduction in applicant's pay in April 1860 is not traceable in the records in this office. It appears from the enclosed report of the applicant that he was at that time ordered to work in the Salem Party, owing to work on the Wynaad Hills having been stopped in consequence of heavy rains. A higher rate of pay appears to have been allowed for work done on the Hills and this appears to have been reduced on the transfer of the applicant to the plain country.

III. The Board in its Proceedings No 2147 Mis: dated 18-8-88 stated that bills were not available for verifying the marginally noted periods in the applicants service. The service from 1-1-81 to 31-1-81 has since been verified and found correct. The Board also noted in the above Proceedings that the applicant's service was not

1-1-59 to 29-2-60
1-4-61 to 30-4-61
1-12-62 to 31-12-62
1-1-81 to 31-1-81

not to be found in the bills available for the periods 1-3-60 to 31-3-60 and 1-11-60 to 31-1-61 and that these periods also could not therefore be verified.

IV. From the applicant's original Service Register and from his report dated 21st November 95 it appears that he was Head Writer and Gymnastic Assistant Director's office Salem during the 8-4-61 to 30-4-61 marginally noted period though this cannot be verified.

V Previous to the two days, 13-1-79 and 14-1-79, the applicant states that he was severely ill and had been granted Casual leave. He had, he states, applied for leave for the 13th and 14th also the two dates alone noted. Apparently these two dates were treated as period of absence without leave. The absence being in Continuation of authorized leave of absence and the applicant having been permitted immediately to join duty the absence on the 13th and 14th January 1879 does

does not prejudice his previous
service. Vide article 463(4).

Most-beyond. Sir,

Having been ordered to retire
from the 28th October last, I beg to
intimate the following and request that
the pension payable to me may be
ordered to be paid at the Taluk treasury
Kompeneram.

2. My residence hereafter will be my native
village of Kuthiravattakkan in the
Kompeneram Taluk of the Ishingleput
District.

3. In April 1860 I was Deputy
Gumasta on Rs 35 attached to the Wynaad
Settlement Party; but as work had at
that time to be stopped on the Wynaad
hills owing to the rains, I was ordered

to work in the Salem Party and allowed only Rs 3, because I did not work on the hills. The reduction in my pay was made for no other cause.

4. It appears from my service register that my services from 8-4-61 to 30-4-61 could not be traced out. I was during the period serving as Head Writer and Gumasta, Assistant Director's office, and this will be borne out by the entries in my original Service Register.

5. In January 1879 I had to take casual leave on account of severe illness and as I could not return to duty at the end of the leave, I applied for two days extension of the leave. The extension was refused and the two days (13 & 14 January 1879) availed of by me in excess treated as absence without leave. I was however allowed to rejoin my duty.

I have already represented

honor that my service rendered before my resignation in 1872 may be recommended to be reckoned towards pension. I now beg to submit that article 450 of the C. S. Regulations would appear to support my prayer, as I have been appointed before the 8th June 1863.

I beg to remain,
