SUMMARY OF EVIDENCE .

The applicant, Kayamboo Pillay, late District Post Village Postman, Sivaganga Post Office, claims a service of about 27 years from 1868 to 30th September /95.

2. His service from 1st March /80 to 30th September/95 has been verified from records ; and in support of his servic prior to the former date, for which no records are available (excepting for 1st April /72), collateral evidence has been obtained from the undermentioned witnesses :-

(1) Chinnathumbi Pillay, Duffadar of the Zemin Office, Sivaganga,

(2) Ramkappa Pillay, Kurnam of Sivaganga Zemin,

(3) Pitchoo Thaver, Warder, Sub Jail, Sivaganga,

(4) Shummugam Pillay, retired Clerk, Madura City Post Office,

(5) Subbiah Pillai, late Duffadar Zemin Office, Sivaganga.

3. The applicant declares he was first appointed as Village Postman, Sivaganga, by the then Sub Magistrate Gopala Iyengar in the year 1868 that his appointment order was lost some 6 years afterwards when his house took fire, and that he is able to remember that 1868 was the year of his entertainment by reference to a memo Document B 2 given to him some 15 years ago by Subbrayar, late clerk, Sivaganga Post Office, and now a clerk in the District Munsiff's Court, Manamadura. This memo not having been signed was sent to Subbrayer, who states in Document M that it is in his own handwriting but that he does not remember anything in connection with it now. The witnesses testify as follows to the commencement of the applicant's service :-

(a)

(a) The 1st and 2nd witnesses, namely Chinnathumbi Pillai and Rakkappa Pillay, mention 1868 as the year in which the applicant was entertained in the Postal Department.

(b) The 3rd witness, Pitchoo Thaver, states that he was employed as a peon in the Police Amin's Office, Sivaganga in 1860 and that about 7 or 8 years afterwards the applicant was appointed as a District Post letter peon by the then Sub Magistrate Gopalaiyengar, under whom the applicant had before been working as a private servant and by whom he had been occasionally employed as a hired peon.

(c) The 4th witness, Shummugam Pillai, who was Deputy Postmaster, Sivaganga Post Office from 1st March /66 to 25th February /74 as ascertained from his pension papers, deposes that the applicant was one of the employes of the District Post when it was transferred to the Imperial Post in 1872, and that the applicant was serving in the Postal Department from 1866. This witness seems to have included the applicant's service as hired peon, as testified to by the 3rd witness.

(d) The 5th witness, Subbiah Pillay states that the applicant, after holding temporary appointments in the Zemin Service for about 10 or 12 years from his 15th or 16th year of age, obtained a permanent appointment as a letter peon in the Sub Magistrate's Office. The evidence of this witness points to the fact that the applicant, when he entered the Department, was about 28 years of age (which he attained in 1868, the year of his birth being 1840).

4. It has beenintimated by the Treasury Deputy Collector, Madura, in his letter No. 988 dated 25th September /74 (Doc: M) that Mr GopalaIyengar was Sub Magistrate of Sivaganga from August 1865 to April 1870. The Verification Statement from the Accountant General (Doc: H) shows that the Annual Return for so distant a period as 1881-82 bears 1868 as the year of applicant's entertainment. Depending on these facts together with the evidence of the witnesses, it may be concluded that the applicant was permanently appointed in 1868. As the entry of the date in the first appointment order as shown in the memo Doc: B 2 produced by the applicant coincides with the date against 1885-86 in the Verification Statement from the Accountant General (Doc: H) the date of commencement of the applicant's service has been taken to be 12th August /68.

5. As regards the continuity of his service during the " unverified " period, the applicant gives from memory the following approximate account of his early service :-

	From	To
Village Postman Sivaganga.....	----------1868----------	1870
Village Postman Manamadura.....	----------1871----------	1878
Postman Manamadura.....	----------1879----------	1882

He states that he was never suspended or dismissed and that his service has been continuous.

6. (a) The 1st two witnesses, residents of Sivaganga, corroborate the applicant's statement in its entirety and state that they had opportunities of seeing him serving at Manamadura whenever they went there on business.

(b) The 3rd witness, Pitchoo Thaver, states that the applicant, after serving at Sivaganga for about 2 years, was transferred to Manamadura where he remained for about 10 or 11 years during which period he used to come to Sivaganga to receive his pay every month or to purchase stamps from the Sub Magistrate's Office. He further states that the applicant was continuously in service from the date of his entertainment up to the time of his retirement.

(c) The 4th witness Shummugam Pillay, who was Dy: Postmaster, Sivaganga Post Office, until 25th February /74, testifies to the continuity of the applicant's service up to that date.

(d) The 5th witness, Subbiah Pillai, late Duffader, Zemin Office, Sivaganga, deposes that, although he does not remember the several periods of the applicant's service, he can testify that the applicant was serving continuously until he retired, as they are natives of the same place and used to see each other frequently. He further states that while he was employed at Manamadura for about 5 or 6 years the applicant was also at the same station as post peon.

7. On the foregoing evidence it may be admitted that the applicant has established his claim to a service about 27 years. He is therefore entitled to a pension of Rs 2-8-5 per month the grant of which is hereby recommended.
