KISTNA DISTRICT BOARD'S OFFICE,
Camp
Dated the 27th Feb 1896.

From

J. N. Atkinson Esq.

To

THE CHIEF SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
MADRAS.

SIR,

One Mahomed Thasim Sahib,
a retired police pensioner No. 16166
on Rs. 4 per mensem was appointed
as a servant of the Mangala-
jini Travellers Bungalow under
the Greater Taluk Board on 11th
November 1889 at the rate of Rs. 4.
a month and he drew from
Provincial funds his pension up
to February 1895 in addition to
his present pay from local funds.

The Accountant General
objected

objected to the payment of pension to the man, as he was re-employed under the local Board without the express sanction of Government under article 576 of Civil Service Regulations and directed the Treasury Deputy Collector to recover from him Rs. 254-8-6 already drawn by him from Provincial Funds since the date of his re-employment under the local Board. The Treasury Deputy Collector has accordingly stopped payment of pension and further required him to refund the said amount. The pensioner prays that his pension may be continued and he may be allowed to give up the local Fund Service and seek any other employment under a private person.

The President, Taluk Board considers that, for such post which involves the custody of money, for short periods, it is extremely desirable

desirable to appoint men who have shown good service and that such an appointment which carries with it no labor is a suitable reward for a pensioner's good service and strongly recommends that the man may be retained in local Fund Service and that sanction of Government be obtained for his re-employment under the local Board without detriment to his pension.

The Treasury Deputy Collector states that the amount to be recovered from the person is very large and the recovery cannot conveniently be effected and suggests that Government sanction for at least his past service may be sought.

It seems to me a hardship to enforce in the case of such menial servants the rules prohibiting their re-employment in local Fund Service when they are entitled to serve a private body. A strict enforcement

enforcement of the rule, will
deprive the local Boards very often
of the services of persons on whom
perfect confidence can be reposed.

Under these circumstances,
I strongly recommend that Govern-
ment may be pleased to accord
sanction to the re-employment
of the pensioner in question
under the local Board without
detriment to his pension or to
sanction his ^{employment} ~~appointment~~ at least
for the period already passed in
local Fund Service.

I have the honor to be,
Sir,

your most obedient servant

In the circumstances of the case, the re-employment

11/3/96

Note.

The question is whether there are
'strong public grounds' for awarding the
pensioner as to re-employment of
pensioner drawing retiring pension. The
pensioner is probably well over 50, as
he had completed over 26 yrs. service
in 89. (His year of birth is 1844, I find)
It is submitted that it wd. be best
to satisfy his past service in L.F.
employment & discharge him at once.
2. It seems rather remarkable that the
pensioner shd. have been drawing pay
in L.F. employ since 89, in view of the
fact becoming known to the authorities
that he was drawing the pension. The pensioner must
have either evaded or violated the
provision in § 1035 C.S.R.

The Collr should I think
be asked to report whether
the certif. required by art.
1035 C.S.R. has been regularly
appended to ~~the~~ pension
bill since his employment
by the L.F. Bd. If it has
then Mahomed Kasim has
been signing a false certif.
at these years & deserves
to be punished. If not
the T.D.C. should explain
how the ~~certif.~~ bill was
passed without the
certif.

This should be asked, but
it will probably be found that
there are no original certifi-
cates with the bills
underlying it, & has not
the question as to re-
employment of pensioner in
this way been recently referred
to the S.D.?

Copy of letter Ref on L^o No. ³⁷⁰¹/_{accounts} of 96
from the Treasury Deputy Collector, Kistna, to the President
District Board, Kistna.

With reference to your endorsement no ¹⁹⁹³/_{DB}
of 95 dated 5th May 1896, communicating a copy of the
Official Memorandum of the Government of Madras
dated 27th April 1896 no 38, I have the honor to state
that the pensioner referred to therein, ever since he
was employed as a watcher in the L. H. Bangalows
at Mangalagiri in the month of November 1889, was
drawing his pension along with the other pensioners paid
in the Bezvada Talug, on a single bill (old form no 40)
prescribed in article no 346 of the Civil Account
Code, but without the certificate of non-employment
printed at its foot as directed therein.

2. On a reference made to the old pension duplicate
bills of this District, I find that the Sub-Treasury
officers were in the habit of attaching their own
certificate to that effect instead of the pensioners
separate signatures being obtained to the certificate
of non-employment on the pension bills referred to
above

This sort of irregular procedure, apparently due to the position of the certificate on the forms, perhaps prevailed in almost all the Districts of this Presidency till the Accountant-General issued a general circular no 12 dated 11-12-94 prescribing a new form of pension acquittance roll providing in it a separate column for the certificate of non-employment. It was after the introduction of this new form in February 95 that some cases of pensioners having been reemployed before without the proper sanction of Government have come to light. Under these circumstances I beg to state that the fact of the pensioner's reemployment was not found out till February 95 when future payment of his pension was ordered to be stopped.

I have the honor to be
