From

THE ACCOUNTANT-GENERAL TO THE
GOVERNMENT OF MADRAS,

To

THE Superintendent
Madras Survey

1. ~~Explanation why his name does not appear in~~
~~my Office records for~~

1. In the returns from 1874 to 1879
on record in this office the year
of the Applicant's birth is given 1842
instead of as 3rd May 1840 as shown
in the application, and in the return
for 1870 his pay is shown as Rs 10 a month

2. ~~Office records show applicant enjoyed leave~~
~~from~~ to ~~whereas in~~
~~the history of services~~

instead of Rs 11 as entered in the
application. These discrepancies should
be explained.

2. Attention is invited to No 6(4) of
the printed memorandum of instructions
from this office regarding the period
of temporary service from 1st July to 31st
October 65. Attention is also invited
to Article 992 of the Civil Service
Regulations.

SIR,

I have the honour to inform you that the
application for pension of H. Holundavechi mudaly
late Draftsman Central Survey Office, Madras
received with your letter No. 38 dated 23rd April 96.
is being delayed for want of the information
noted in the margin. Where possible your
answer should be written underneath the several
points to which your attention is drawn.

2. The enclosures and your reply should
be returned with the least possible delay.

I have the honour to be,

Sir,

Your most obedient Servant,

W. S. L. [Signature]

Chief Superintendent.
Asstt. Accountant General.

Query

1. In the returns from 1874 to 1879 on record in the Accountant General's Office, the year of the applicant's birth is given as 1842 instead of as 3 May 1840 as shown in the application and in the return 1870 his pay is shown as Rupees 10 a month instead of Rupees 11 as entered in the application - These discrepancies should be explained.

2. Attention is invited to No. 6 (b) of the printed memorandum of instructions from the Accountant General's Office regarding the period of temporary service from 1 July to 31 October 1865.

Attention is also invited to article 992 of the Civil Service Regulations.

Reply

1. The date of birth of the applicant, 3 May 1840, as shown in the pension application is correct. In the annual return for 1871, the applicant's age was shown as 29 by mistake instead of 30. The same mistake appears to have been continued in the annual returns till 1879.

The applicant was promoted to Rupees 11 from 1 April 1870. The promotion seems to have been given with retrospective effect after the annual return for 1870 was despatched.

2. The applicant does not seem to have been detached on temporary duty from 1 July to 31 October 1865. His pay during the above period was drawn in the pay bills of Permanent establishment. But in the office copy of

6
5
621

pay bills kept in this office,
the word "Temporary" is prefixed
to the word "Tracer" which
was his appointment -

This, it is presumed, is
a mistake. The word
"Temporary" has now been
scored in the pension application
and Service books -

The certificate required
by Article 992 Civil Service
Regulations is now inserted.

"Certified that the
applicant was retained
in service under my
sanction up to 31 March
1896 and being found
inefficient by old age
to carry out his duties
he was superannuated."
