No: 167. Office of Dist. Medl & Sanitary Officer,
North Arcot, Vellore 13th December 1895.

Certified that I have carefully examined N. Gideon Pillay, son of Nganamuthu Pillay, First Assistant, Middle School, Arni, in the District of North Arcot. His age is by his own statement 53 years, and by appearance about 53 years. I consider N. Gideon Pillay to be incapacitated for further service in the Department to which he belongs in consequence of Bronchitis and double Cataract (not advanced).

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

I am of opinion that N. Gideon Pillay is at present fit for further service of a less laborious character than that which he has been doing.

SIR, With reference to your letter No 2962/Refungl of 95 dated 5th November last, I have the honor to forward herewith the pension application on behalf of N. Gideon Pillai late 1st Assistant of the Arni Middle School, together with his 2 Service Registers & other enclosures as per enclosed list.

2. The District Medical & Sanitary Officer to whom the above teacher was sent for examination in certifying to his unfitness for further service in the Department to which he belonged, added a clause that he was of opinion that he was fit for further service of a less laborious character than that which he had been doing (vide certificate enclosed). On the receipt of this certificate, the Assistant Inspector of Schools, Fifth Division, requested instructions as to his retention or retirement. There

that as there was no means of employing him in any other appointment of a less laborious character under this Taluk Board, there was no other alternative than to retire & admit him to pension. In pursuance of this order, the teacher was relieved on the 3rd January. This accounts for the delay in the submission of the application which was received from the Assistant Inspector only on the 5th Instant

3, Gideon Pillai was relieved on the 3rd January afternoon and the pension application was submitted by the head master on the 20th. The middle school was then closed for Christmas Holidays till the 16th January last & this accounts for the small delay in its submission.

The Assistant Inspector received it on 22nd January and after getting the same scrutinized in his office forwarded it on to this office with his letter No $\frac{303}{2-2-96}$ which reached me on the 5th February & the Pension application was then submitted with my Refmgl No 238 of 1896 dated 9-2-96. Thus the small delay in the transmission of the application is distributed amongst the respective offices & this was to some extent unavoidable & must be expected in the ordinary course of business.

To,

The President,
District Board,
North Arcot.

Sir,

With reference to your foot note Refon current D. B. No 586 of 96, dated 20th ultimo, I have the honor to subjoin seriatim the information on the several points referr to by the Accountant General regarding the pension application of A. Gideon Pillai late 1st assistant of the Arni middle School.

1 (a) Information as under para 12 (a) of the printed memo of instructions

The circumstances under which A. Gideon Pillai had to be retained in service after the grant of the medical certificate on 12th December 1895 were already explained in my letter No 238/9.2.96. As stated therein it was owing to the inclusion of an alternative clause in the certificate granted by the District medical & Sanitary officer (vide para 3 of the certificate). This necessitated som correspondence between the Assistant Inspecto

& myself in the matter of his retention in a less laborious post which caused some delay in passing final order as to retiring him.

(b) Information as under para 8(a) of the memo of instructions.

The average emoluments of the applicant for pension were calculated as per article 530 & the following articles of the Civil Service Regulations. A memo shewing the method adopted in calculating the emoluments is hereto attached.

2. Information as to the reduction of the pay from Rs 20 to Rs 16 & as to other discrepancies between the pension application & the annual return for 1881 & 82.

There is no record available here in support of the reduction of the pay. The teacher who was therefore called on to account for this, has now put in a statement to the effect that for want of Christian community at Namakkal where he was employed, he was at his request appointed by the then Inspector of Schools, 4th Division to a place on Rs 16 then vacant in the Salem college for want of a suitable vacancy carrying an equal pay in the college. He also says that it was for no fault of his and that in proof of this, he was immediately given promotion. The entry of Rs 25 in 1881 instead of Rs 25 + 5 (acting allowance) in the pension application is a clerical error & has been corrected. So the entry in the annual return for 1880, 1881 & 82 on record in the Accountant-Generals office should be Rs 30, 30 & 31 respectively

3. Information as to the transfer of the applicant from Government service to Local Fund service on 1st October 1884

This was due to the general transfer of all Government middl Schools to Local Boards on 1st Octobe 1884.

4. Information as under para 6(a) of the memo of instructions regarding the counting of service on acting & sub protem appointments held by the applicant during the last 5 years of his service.

The period of ag & sub protem appointments was not taken to account in calculating the pens as would be seen from the me of calculation enclosed

5. Information as to whether the applicant was one of those teachers employed in Government schools

Yes. He was one of the teachers employed in the Government schools & subsequently transferred to the Local Fund service on the General transfer of Government middle Schools to Local Boards as already adverted to in para 3 supra. The application has therefore to be forwarded to the Accountant-General through the Director of Public Instruction.

The 17 enclosures including the printed memo[×] of instructions & the memo of calculations for emoluments of pension prepared by the Head master are herewith returned.

× Retained in the office of the district Board.

The above informations on the several points called for from the Assistant Inspector of schools immediately on the receipt of the Accountant-Generals letter no. $\frac{A\ D\ K}{454}$ dated 18th ultimo was received by me only yesterday & the small delay in its submission is ascribed by the Head master as due to the retired teacher having had to be sent for from Sholinghur to furnish the information required on point 2 & to a reference having had to be made to the Vice President, District Board, in connection with the rectification of certain discrepancies noticed in the preparation of the memo of calculations.
