CERTIFIED that I have carefully examined S. Ramanujachariar Classifier, Revenue Settlement son of S. Sreenivasachariar

His age is by his own statement 50 years and by appearance 52 years.

I consider that S. Ramanujachariar to be completely and permanently incapacitated for further service of any kind (or in the Department to which he belongs) in consequence of Incipient Pulmonary Phthisis. An emaciated and very feeble looking man

His incapacity does not appear to me to have been caused by irregular or intemperate habits,

2. I forward to you, however, the marginally noted* papers (to be returned after perusal) from which you will observe that the amount of Rs 85 shown in the Column headed "amount of refund up to last month" in Despatch Register No. $\frac{247}{146}$ is in excess by one rupee of the amount entered in the column headed "Total amount of refund" in Despatch Register No. $\frac{199}{117}$: and this error must have led to the failure on the part of the then head of the office to overlook the further sum of one rupee that was yet to be recovered from classifier Ramanujachari. The three papers herewith sent you have been duly checked with the Pay Bills and the mistakes noticed in the former have been noted on each of them.

The application for pension on behalf of S. Ramanujachari, late classifier of Revenue Settlement Party No. III, received with the letter read above, will be submitted to Government through the Accountant General.

2. Corrections in the ~~Ser~~ Service Register of certain entrie

prior to 31st December 1879 have not been initialled and leaves granted to the applicant (as entered in the Service Register) on different occasions up to the above date, do not correspond with the entries in the gratuity roll. These defects, however, have been considered immaterial as the record of service up to 31st December 1879 has been once accepted in connection with the grant of gratuity to the applicant and as they do not affect the service for the pension now applied for.

Explanation of delay, if any.—

Name S. Ramanujachariar
Occupation } Retired
Village } classifier
Taluk } Rev: Sett
District } Party No III.

When the petitioner retired on pension, he was granted a pension of Rs 8. calculating only his actual permanent service. Since the party No IV in which he was serving was abolished in December 1879, he was ordered to be present at the central office. He presented himself there accordingly and was appointed to work at the Central Office as a temporary classifier on Rs 24 (Viz). the pay that he was getting before. He was working there for some time. Thereupon he was ordered to work in Sett Party No II with a promise that he would be given a permanent appointment on an occurrence of a vacancy there. Since he went & worked there in compliance with the order he was given a permanent appointment when there occurred a vacancy. The period during which he worked as a temporary classifier comes to y-m-d 2-3-7. If this temporary period of y m d 2-3-7 is also counted towards pension then he would get an extra amount of pension (viz) Rs 0-12-9 besides the pension of Rs 8, he is now getting. As he comes to understand that the temporary service is also counted towards pension, he therefore requests that the period of his temporary service may also be counted towards pension.
