Home Dep^t (Judicial)

Sir,

I am directed to forward the enclosed memorial addressed to H.E. the Viceroy and Governor-General of India by W. Devaraja Pillai, late a clerk, District Munsif's Court, Chingleput, appealing against the orders of this Govt. declining to grant him an increase of pension.

2. On the 1st July 1895, the Memorialist was superannuated on attaining the age of 60 years, and was granted a superannuation pension of Rs. 10 p.m. for qualifying superior service of 20 years, 10 months & 18 days.

DP

4th May 1896 No. 40

The Dist Judge of Chingleput is requested to report the date on which the petition was received by him. The petition was received by him on 7th Oct 1895. The petition was forwarded to H. Devaraja Pillai, the clerk to whom a pension order was granted by that order.

The petition will be withheld under rule 5 (10) of Sec. III of the Govt. of India Memorial rules, and the petition is informed accordingly.

Sec^y - I submit that it is doubtful whether the rule quoted applies; the petition appealed against is dated 7th Oct 1895, but the despatch date is not noted. The petition was received 6 months & 8 days after the 7th Oct & it is possible that the petition did not reach the petition until 8 days after the date. In any case it would be harsh to apply the rule for a two days delay. If this view is accepted

Note
The rule will be quoted in the fair copy. The present petition is an appeal to India against G.O. 1166. Petitioner made an appeal to India against that order to him 6 months after communication of that order to him & no explanation is given for the delay. So the petition seems liable to be withheld under the rule quoted above.

A draft to the Govt. of India will be put up; if not inquiry will be made as to the exact date of despatch of G.O. 1166. Since writing this, I see that the petition was addressed to the Dist Judge of Chingleput & probably took some days longer to reach the petition.

28-4-96

Ascertain from D^r Judge date of communication of order. It was probably after 22nd Oct 95

THE RIGHT HONORABLE

Received 22nd April 1896.

SUBJECTS.

Petition from W. Devaraja Pillai praying that the orders of the Madras Government may be caused to be reconsidered as per provisions in Articles 436, 486, 524 A. 502 and 518 C. of the Civil Service Regulations.

an Invalid gratuity of Rs. 50 for his qualifying inferior service of 15 years, 1 month & 24 days. He addressed a petition to this Govt. praying that his whole service might be treated as superior and that he might be given a half pension, but was informed that his request was inadmissible. He now appeals to the Supreme Govt. and this Govt. has no recommendation to make on his behalf.

3. I am to add that there is no analogy between the Memorialist's case and that of Chockalingam Pillai referred to in the Memorial. The latter was, on the analogy of Art. 40 of CSR, allowed to count as superior service a period during which he was acting in superior appointments permanently vacant, though his own substantive post was only subordinate in the inferior scale.
