Certified that I have carefully examined M. V. Ramanjuloo Naidu, Son of M. Appannah, a 1st class Hospital Assistant in the Medical Department. His age is by his own statement 58 10/12 years and by appearance about 60 years. I consider M. V. Ramanjulo Naidu to be completely and permanently incapacitated for further service of any kind in consequence of Debility from old age. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Madras, the 31st of March 1896.

Sir,

In returning the Enclosures of your letter No. $\frac{\text{I.A.E.}}{244}$ dated 29th August 1895, I have the honor to forward, in original, a verification report(a) of the Pay Examiner on the services of Mr. V. Ramanjuloo Naidoo, 1st Class Hospital Assistant No. 482, and to state that the verified portion of his service counts towards pension.

(a) No. $\frac{\text{P.V.}}{1161}$ D/19th March 1896 and enclosures.

2. With reference to your letter No. $\frac{\text{I.A.E.}}{457}$ dated 24th January 1896, inquiring, for the satisfaction of Government, the cause of delay, I have to state as follows:—

On receipt of your first letter No. $\frac{\text{I.A.E.}}{244}$ dated 29th August 1895, it was referred(b) by this Office to the Pay Examiner for verification of the Hospital

(b) 4th September 1895.

Hospital Assistant's Services, when this was partly proceeded with, it was found necessary to refer to the Principal Medical Officer, Madras Command, on the 21st September 1895. A reply was received from that Officer on the 2d October 1895 stating that the papers were transferred to the Surgeon General with the Government of Madras, to whom a reminder was sent on the 15th October 1895 and a reply was received from him on the 31st October 1895, asking for a copy of the letter to which a reply was required. A copy was despatched on the 2d November 1895 and a reply received on the 7th November 1895 intimating that a reference was made to the Senior Medical Officer, Port Blair. As no reply to the reference made, was forthcoming, a reminder was then sent to the Senior Medical Officer, Port Blair, asking him to expedite his reply. The reply was received through the Principal Medl. Officer, Madras Command, on the 21st December 1895. As there were certain discrepancies between the statement of the Hospital Assistant's Services as furnished by the Senior Medical Officer, Port Blair, and his service Book, a further reference was made to the Surgeon General with the Government of Madras on the 9th January 1896 to which a reply was received on the 19th January 1896 asking for the return of all correspondence and the service Register, which were duly despatched on the 24th January 1896; reply to this not having been received, a reminder was then sent on the 29th January 1896 to which a reply was received by the Pay Examiner and the papers were finally disposed of in his Verification Report No. $\frac{P.V.}{1161}$ dated 19th March 1896, attached.

2. The cause of delay was also intimated in this office letters noted in the margin.

Attention is drawn to No. 1 of the printed Memo. of Instructions from this office.

1. From the 2 page of the application and from the verified statement of the service furnished by the Controller of Military Accounts Madras it will be seen that the greater portion of the applicant's service has not been verified from the office records such as pay bills or acquittance rolls. An affidavit of the applicant and the evidence of his contemporary employes should be obtained and forwarded in support of the claim for service for that period. The affidavit should contain information on all points raised in No. 11(c) of the Printed memo of instructions from this office.

During the above period he was on duty. He was neither on leave of any kind nor under suspension or dismissal. Deposition of M. V. Ramanujulu, 1st class Hospital Assistant L. F. Dispensary Peddapur, on solemn affirmation:

I entered Government service on 1-10-1857 and was attached, as 2nd Dresser on a salary of Rs24-8-0 per mensem, to the 1st Regiment M. I which was then in Northern India in connection with the Great Indian Mutiny. I remained in that appointment till 21-1-64 when I took sick leave for about nine months and odd. This period of my service cannot be verified by contemporary evidence. Before the expiry of that period the Zillah surgeon of Rajahmundry, who was then treating me, thought that the state of my health was such as to require an extension of sick leave for 3 months and recommended the same. I do not know why I was marked as absent without leave during the period. Probably the fact that I needed extension of leave was not then reported either to the Surgeon General or to the medical officer in charge of my Regiment, but the Zillah surgeon made a note of the extension in the nominal roll given to me by my regimental medical officer. I regret to state that I lost this paper. From February 1865 till August 1870 I remember to have been attached to the Godavari Collector's Establishment. This service of mine can be verified by my contemporaries Gadireddy Venkatachalam Naidu garu, late Vernacular Record Keeper, and Kallakuri Adinarayana Row garu, late clerk, Collector's office Godavari. I remember that I worked as Hospital Assistant, Jail Hospital, Masulipatam from August 1870 till September 1876. This period of my

service

service can be verified by Mr. R. Ry S. Nagamma naidu garu the then Cash Keeper, Kistna Collectorate. I actually joined my appointment at Port Blair on 22-9-1876 and remained there till 22-7-1879. Afterwards I was attached to the Base Hospital, Rumpa Field Force. This period of my service can be verified by Ramakristniah, Compounder, Rajahmundry municipal Hospital.
