CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Certified that qualifying service in superior grades has been duly proved for 34 years 8 months and 28 days: and that a Retiring Pension not exceeding Rs 337-9-3 per mensem equal to 30/60 average emoluments is admissible under Articles 509 and 518(b) of the Civil Service Regulations, 2nd Edition.
The calculations have been duly verified.
The pension admissible as calculated by the Collector is incorrect as it was not intended that the years service for pension allowed on account of famine duty should be included in the last five years on a supposed monthly salary equal to that last drawn by the officer.
In accordance with Rule 3 under Article 994(b), the attention of Government is respectfully solicited to Article 514 of the Regulations.

V.

No. 317.

Extract from Board's Monthly Volume of November 1869, page 9087.

Dindigul, Sub-Collector's Office,
29*th September* 1869.

To

The Acting Collector of Madura.

Sir,—I have the honor to submit the following nominations to the Tasils of

1. Dindigul, now vacant by the appointment of Ramasawmy Iyer, to be Sheristadar of your office, and

2. Pulni, which will shortly be vacated by the retirement of————————from the Service on a long service pension in the month of November next, and to request that you will obtain the Board's confirmation of my proposals.

2. I have preferred submitting nominations for both Taluqs at the same time, as likely to some trouble.

3. I will take Pulni Taluq first.

4. As you are aware, the state of Pulni Taluq is very bad. It is not merely that for several years the conduct of business under————————has been slack, that punctuality has been neglected and arrears and delay have become the rule, but owing to local causes and————————utter incapacity of influencing his subordinates for good, the general character of the public servants employed in the Taluq has deteriorated, and their present reputation is a most unenviable one. To put it in other words, the "tone" of the Taluq is low and requires raising. I am therefore anxious to secure as Tahsildar of Pulni, a really efficient man, a stranger to the District, and therefore less obnoxious to the endless intrigues of which Pulni is a hot bed, and by his origin less likely than a native to be involved in the numberless troublesome disputes which are continually occurring between the different religious parties in the Town, Mussulmen as well as Hindus. Believing that I have found such a man, I beg to nominate as Tahsildar of Pulni Mr. A. M. Jones, now and for some years 1st Class Inspector of Police, and stationed at Oossoor in the Salem District.

5. Mr. Jones was one of the numerous persons who answered an advertisement I put in the *Fort Saint George Gazette*, inviting candidates for the vacant Tahsil of Dindigul. From my personal knowledge of Mr. Jones, however, I felt sure that he would be the very man for Pulni Taluq, and wrote to him to ask if

he would accept the appointment. In reply he expressed his willingness to be nominated for whichever Taluq I thought him best fitted. I have therefore selected him for Pulni, which though smaller is a more difficult Taluq to manage than Dindigul, and requires at present a man of higher qualifications, both mental and physical.

6. I enclose Mr. Jones' Service Register, from which it will be seen that, before his entrance into the Police, he had some experience in the Revenue Department as Head Surveyor in the Revenue Survey. From thence he exchanged into the Police where his promotion was rapid, and in which he has for more than 4½ years held the highest rank ordinarily attainable by Uncovenanted Officers. Mr. Jones has served for more than 7 years in a grade which qualifies for the appointment of Tahsildar, and in his prior service had of course numerous opportunities of rendering himself acquainted with the work of a Revenue Officer. During the whole period of his service he has, so far as I can judge from the testimonials he has sent me for inspection, maintained a uniformly good character as an able and zealous officer. From my own knowledge of him I am able to state that he his a man of very fair abilities, hard working in office and of active habits, able from his age (30) to ride about and see things for himself, and which his rare for an East Indian, able to read and write the Vernacular with the facility of a native. But it is not necessary for me to say more as to his character and attainments, as I think Mr. Robinson, now a Member of the Board is personally acquainted with him, and originally selected him for the Police.

7. The Special Tests Mr. Jones has passed are given in the margin. Besides these, in 1864, he passed the Criminal Test, Higher Grade in connection with the Police Department, coming out first on the list—(Vide Police Weekly Circular, No. 44, dated 5th November 1864, page 243,) but could not then obtain a separate certificate because all the snbjects of examination for the grade of Deputy Collector and Magistrate were at that time united in one test and could not be separated. As, however, in their Proceedings, No 387, dated 14th March 1866, Government admitted Mecheri Naraniah, a Police Inspector, who passed the same test at the same time with Mr. Jones, as qualified for the post of Sub-Magistrate of Punagaram. I suppose Mr. Jones would also be held qualified to exercise Magisterial powers, if not, I would as a special case request that the objection on this score may be waived, and Mr. Jones be appointed Tahsildar of Pulni, conditionally on his having succeeded in passing at the late Examination, at which, he informs me, he appeared with a view of completing the file of his certificates.

SIR,—With reference to the Proceedings of the Board of Revenue, No. 249, dated 20th February 1873, I have the honor to report that with the exception of Mr. A. M. Collector. There are several men who will be fit for that post, but who want experience at present.

Para 7. If I have shown that there exists sufficient necessity for the permanent posting of a Deputy on general duties, I need hardly submit that the course recommends itself on the score of economy. In conclusion, I would observe that Mr. A. M. Jones, the Deputy Collector now attached to this District, but only temporarily, has given me satisfaction by performing his duties with much industry and efficiency.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following papers :—

From Collector of Nilgiris ——— dated 4th May 1896, No. 281.

Certificate and report from the Accountant-General, dated 9th June 1896, No. A.D.J. 134.

ORDER THEREON, 13th July 1896 No. 601.

H.M. Character - Good JG 30/6/96

with ref ce to para 3, it is observed that the A.G.'s view deprives Mr Jones of any benefit from the reward granted on account of his famine services. The extra year's service granted to him has been useless, since his service is over 33 years without it.

This for consideration whether a special recommendation should not be made in order to ensure Mr Jones's receiving some reward for his famine services.

JG 2.6.96

I always understood that the grant of a year's extra service for famine duties was to enable a man to retire on pension a year earlier than he otherwise could do, or on better terms than ordinary if he took invalid pension. There was no advantage in the concession if he worked out his full service. AL 25.6.96.

" Collector of Nilgiris, with copy of the A.G.'s report

DMK 1/7/96.

Under articles 509 & 518(b) ——— of the Civil Service Regulations (2nd Edition), the Right Honourable the Governor in Council is pleased to grant to Mr Albert Monin Jones, late Treasury Dy. Collector, 1st Grade, Nilgiris, a retiring pension ——— of Rupees (337-9-3) Three hundred and thirty seven, annas nine & pies three p. m. payable at Ootacamund, from 5 May 1896.

in consideration of his qualifying Superior service of 34 years, 8 months and 28 days.

2. The amount of pension admissible to the applicant has, as the Accountant-General points out, been incorrectly calculated by the Collector, at Rs. 347-9-3. The correct amount is Rs. 337-9-3, which is

now sanctioned.
