Sir,

In returning the enclosures received with your endorsement Ref No 1797 of the 2nd ultimo, I have the honor to inform you that the cause of the omission of the Virgunti Establishment in the annual return for the year 1874 is not traceable from the records of this office.

2. It is however observed that in the penultimate

Secretary

Sentence of para 2 of the Collector's letter No. 197 of 11th November 1872 addressed to the Board and recorded in G.O No 777 dated 24th July 1873 it was stated that the Conservancy of all the tanks in the town of Madras might be undertaken with an establishment of 6 Nirgantis at Rs 7 each per mensem as an experiment for one year, at the end of which time, if the establishment should prove either too large or the contrary, the necessary changes might be made. It appears to me therefore that this Establishment which was sanctioned in the G.O quoted above might have been viewed as a temporary

one

one in the year 1874 and accordingly omitted in the annual return for that year.
