Reply

The date of birth of the applicant, 10 April 1842, as shown in the pension application is correct. In the annual return for 1870, the applicant's age was shown as 29 by mistake instead of 27. The same mistake appears to have been continued in the Annual Returns till 1880.

His country name was originally Mylapore. It was altered into Mangadu in the Annual Return for 1880.
