No. A.D.K.

Fort St. George,
Accountant-General's Office,
2^d July 1896.

From

THE ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE

Collector of
Salem

SIR,

I have the honour to inform you that the application for pension of Kullappan alias Kullappan late peon of 2 class of fine Penmagaram is being delayed for want of the information noted in the margin. Where possible your answer should be written underneath the several points to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,

Sir,

Your most obedient Servant,

[Signature]

Chief Superintendent.

1. Explanation why his name does not appear in my Office records for

1. Attention is drawn to No 2 of the printed memo. of Instructions from this office to No 6 (a) regarding the applicants appointment from 26th July '77 to 23rd November '77.

2. Office records show applicant enjoyed leave from to , whereas in the history of services

2. The Signature of the Medical officer should be obtained to the statement of case which is given on reverse of the Medical certificate.

3. It should be explained why in the annual return for 1883 on record in this office, neither the appointment of masalgi, nor the name of the applicant is traceable in the Deputy Tahsildar's Establishments.

4. In the Return for 1882, the applicants house name appears as Kullan instead of as Kullappan as given on.

on the application. The discrepancy should be explained.

5. On the first page of the application the date of beginning of the applicant's service is given as 11-1-65, while on the 2nd page thereof it is entered as 11-1-61. The discrepancy should be explained.

6. Leave without allowances from 1-1-85 to 30-4-85 noted on the 2nd page of the application does not appear in the accompanying service book. The omission should now be supplied.

Reply P

MR 17

(1) The pension application was under correspondence between the Dy Subcollector, the Sub collector and this office for procuring certain information and records connected with the grant of leave on substitute to the applicant on some occasions. Hence the delay.

The applicant was, no doubt, in the interests of public service employed on temporary famine duty from the 26 July to 23 November 1877. Since he has reverted to his permanent appointment after the temporary duty was over, there should have been an understanding that he should revert to his substantive appointment; but the departmental order on the subject is not forthcoming.

(2) The signature of the P.M. medical officer has been obtained on the reverse of the medical certificate.

(3). In the office copy of the April list for 1883, the applicant's name appears as Panagaram Kullan - Two lists have been submitted in the year - one for superior & the other for inferior servants. The applicant's name may be found in the list of inferior servants. If it is not traceable in this list, the omission is a clerical error and it is requested that it may be supplied now.

(4). In the office copy of the April list for 1882 the house name of the applicant appears as "Kullan" & not Vullan. The name Vullan in the list submitted is a clerical error and it is requested that it may be rectified.

15) The date of beginning of service of the applicant is 11 January 1861 and not 11 January 1865 as stated on the 1st page of the Pension application. Necessary corrections have now been made.

(6) Leave without allowances from 1-1-85 to 30-4-85 has now been noted in the Service Register.

All the enclosures are herewith returned as directed.
