Minute on reduction of 3 grade Head Constable No 624 Sheikh Ibrahim of Gunter Town.
 No 624 - 3 grade Head Constable Sheikh Ibrahim is reduced to 1 class Const. for sending an ariji to the Sup^r containing groundless charges against the Inspector.

No 624 - 3 grade Head Constable Sheikh Ibrahim on 3 April 1879 wrote an ariji to the Sup^r complaining that the Inspector spoke in an angry tone to him in the Station house & that the reason was because petitioner was suspected of having prosecuted a kept woman of a friend of Inspector & further that the Inspector committed a great many irregularities. The Head Constable was called on to produce evidence to support his complaint. In reply he states that he cannot prove the irregularities the Inspector is guilty of and mentions the names of some Head Constables who were present when the Inspector was angry with him. From the statements of Head Constables it appears that the Inspector was angry with him on one occasion for neglect of duty. Inspector himself says that he found fault with the Head Constable for laziness and for failing to detect any of the 6 house breaking cases and 3 attempts at house breaking committed in the range of that Head Constable. It appears therefore that the Head Constable ^{has} made a false complaint against the Inspector.

Minute on reduction of 1st grade to Const. Sheikh Ibrahim No 624.

The Collector of the District in his inspection notes, dated 6th January 1887, records that a dead body had that morning been found in the main canal at Beywade near the Bygos bridge and that a panchayat was sitting (as he arrived) assisted by Head Constable Sheikh Ibrahim that although there was a Hospital within $\frac{1}{4}$ of a mile of the spot the body was not sent for post mortem examination; that the panchayat-dars and Head Constable made nothing more than a most carelessly superficial examination and enquiring that they just turned the body over to see that there were no wounds pressed the stomach to see if it contained water and then instantly made up their minds that the death was natural and not from drowning or any violence that when the village Munsiff & Station House Officer were taxed with carelessness in leaving the body exposed in the sun they declared it had only just been taken out of the water that when Head Constable was taxed afterwards with not having made a more careful enquiring he stoutly answered that his examination of the body had been prolonged and profound and that the body had been lying out the back for $\frac{1}{4}$ of an hour that although the body had probably not been more than 5 or 10 minutes out of the water the panchayat-dars and Head Constable quietly sitting down to report that the death was one from Cholera that the body had been thrown into the water.

The Collector considered that Station House Officer had been guilty of grave misconduct and suspended the village Munsiff for a month.

The Acting Superintendent forwarded the Collector's notes with his departmental report remarking that it seemed a mistake to have any divided responsibility about a suspect on a body;

6

4

21

that on raising the question on once before as to who was the responsible person that the inquest was properly held he was referred to the latter part of Section 174 of the C.P.C.; that our present orders are that bodies were not to be sent for post-mortem examination unless foul play was suspected and that in this instance the dead Constable had no reason to disagree with the verdict of the jury. On this the Deputy Inspector General remarked that he cannot see any harm in divided responsibility and that if there was any suspicion of foul play, Station House Officer is responsible that the body is sent in. He further remarks "This was clearly a case (hospital being so close) in which the body should have been forwarded immediately to the Medical Officer for post-mortem examination. I agree that the dead Constable has been guilty of grave misconduct. An example should be made of him. If above 4 grade dead Constable will be reduced to that grade. If 4 grade will be reduced to Constable"

The remarks of the Inspector General of Police is "Right - this was a very gross case"

Re 624, 1st C is consequently reduced to 4 grade Constable.

To the Accountant-General, with Register.

" Inspector-General of Police.

ORDER THEREON, 30 January 1896, No. 75.

Under articles 509 and 552 scale A of the Civil Service Regulations (2nd Edition), the Right Honorable the Governor in Council is pleased to grant to Shaikh Ibrahim,

late 2nd gr. 1st C, No. 624 of the Kistna Dst, a retiring

pension — of Rupees (12/-)

payable at Kistna District Treasury, from 1st November 1895 in consideration of his qualifying Superior service of 26 years, 3 months and 23 days

2. The full pension admissible under

under the rules has not been granted as the Applicant's conduct & character have not been thoroughly satisfactory.

3. The Govt. agrees with the P.S. of Police in considering that the maximum pension admissible is Rs 12-13-0 p.m. & not Rs 10/- as the A.S. contends. Reference has however been made to the Govt. of India in a precisely analogous case, & should that authority agree with the A.S., it will be necessary to reduce the pension now granted to Rs 10/-.

4. EV. 1222 Pension 19.10.55

Nothing against the Applicant for 6 years till 93.

4. Inattention to the orders of a D.S. Magistrate. Fined Rs. 4 & awarded 1 Black Mark } ... 93

5. Not meeting the Ass^t - Sup^t and for telling a lie when called on for his defence. Fined Rs. 1 & awarded 1 Black Mark } 95

6. General inefficiency - awarded 1 B.M. & reduced to 2nd gr. h.c. for 6 months } 95

Punishments:-

Fined: 3 times

Reduced 3 —

awarded 3 black marks.

The full pensⁿ admissible = Rs 12-13-0 p.m.

Rs 10/- p.m.

Please see the Acct: Govt's report. The A.S. says that the applicant's case is analogous to that of Narayanasami Naidu, disposed of by G.O. 12.7.95, 943 & 1223. In that case it was held that the A.S.'s view was untenable, & at his request the case was referred to the Govt of India for orders; & India's decision has not yet been received.

21.1.96.

By voluntarily retiring now, the applicant gets a better pension than he would be eligible for if he served on longer. He probably is aware that he is not likely to get promotion again & so naturally takes the earliest opportunity of retiring in order to prevent his pension from dwindling down to Rs 10/-.

Submitted that in these circumstances & in view of his unsatisfactory service, he should only get Rs 10/-.

Please see para 3 of the Draft.

22.1.96

He has over 26 years service & if he holds him to be entitled now to Rs 12.13.0 I submit that a reduction to Rs 10/- is too great. His character is "fair". For order as to the amount to be paid - Lt 23/1.

I think that under all the circumstances the pension should be reduced to Rs 12/-.
