CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Submitted to Government. The applicant was employed as 5th Grade Forest Ranger, Coimbatore on a salary of Rs 50/- per mensem up to 4th December '95, when, on being certified by the Superintendent Opthalmic Hospital, to be completely and permanently incapacitated for further service in consequence of Chronic glaucoma of both the eyes, he was retired from the service. This certificate was countersigned also by the Surgeon General with the Government of Madras. While the Pension application was pending disposal, and about 4 months after his retirement the applicant appeared before the Surgeon 3rd District, Madras, who on the 16th April '96 certified that he had no disease, constitutional affection or bodily infirmity. Upon the strength of this certificate he has been appointed as Head Clerk in the Office of the Registrar of the Diocese of Madras, with effect from the 19th April 96, on a salary equal to that which he drew immediately before his retirement from service in the Forest Department, viz Rs 50/- per mensem. In these circumstances, should Government be pleased to decide that the present Medical Certificate, which is herewith forwarded for ready reference, should be regarded as superceding the one that accompanies the Pension application, then the Collector may be instructed to withdraw the Pension application, and the applicant may be regarded as an officer transferred from one appointment to another. The period intervening between the date of his retirement in the Forest Department and that of his reentertainment in the Ecclesiastical Department may be treated either as leave on Medical certificate or as an interruption condonable by Government at the time of his final retirement from the service. Should Government however seeing that the first certificate was also countersigned by the Surgeon General be pleased to hold that the applicant's retirement has not been cancelled, and accordingly entertain the Pension application, and be further pleased to commute the applicant's absence without leave from 1 to 28th March 1881 into leave without allowances, his whole qualifying service will amount to 12 years 11 months and 29 days, and will render him eligible for an Invalid pension not exceeding Rs 10/- per mensem equal to $\frac{12}{60}$ of his average emoluments under Articles 485 and 578 (b) of the Civil Service Regulations.

No definite opinion regarding the Character and past conduct of the applicant is given on the 3rd page of the application although several references have been made on the point.

The period from 25th June '91 to 31 March 93 during which the applicant was a student at the Dehra Dun Forest School has been admitted towards pension under the ruling contained in the Government of India letter No. $\frac{225}{26\text{-}2}$ F, dated the 16th March '96 to the Chief Commissioner of the Central Provinces.

MEDICAL HISTORY.

The nature of present illness, its symptoms, causes and duration, &c., should be stated here.

Admitted as an in-patient on the 16th Octr/94 complaining of dimness of vision in the right eye and complete loss of sight in the left. He had been suffering from fever and attacks of headache and he first noticed his sight fail a year ago.

Examination. Eyeballs tense; subconjunctival vessels enlarged; cornea dull; anterior chambers shallow; pupils dilated, not responding readily to light. L.V. = +? R.V. = ½ metre / Fingers. cannot read even large type. Ophthalmoscopic examination. The optic discs deeply cupped. On the 17th October an upward iridectomy was performed in each eye which relieved the pain; the vision in the right eye improved. He was discharged to be an out-patient on 4th Novr/94 and shortly afterwards the left lens was found to be getting opaque. His general health is also very much impaired. As he is not in a fit state to resume work I recommend that he granted leave for one year and seven months with effects from the 15th of July 1894, from which date he has been continuously sick.

MEDICAL HISTORY.

The nature of present illness, its symptoms, causes and duration, &c., should be stated here.

He states he suffered from Malarial fever off and on for a period of four years, since 1886. He is subject to Chronic Rheumatism. In November 1891 his left eye became inflamed and he soon lost the sight of this eye. An abstract statement of his case was submitted on the 3rd Septr '95 when he was recommended 19 months' sick leave (a copy of which is appended).

General health – Poor; left eye vision – only perception of light; right eye vision = 6/12
I am of opinion that he will never regain proper sight and therefore recommend that he be invalided.

ENCLOSURES:—

SIR,

In reply to your No: A.D.K/427 dated 25th Febraury 96, I have the honour to state as follows:—

Item No (1) I have no knowledge whatever of Mr Kelly's conduct and am quite unable to certify that it was good, bad, fair or indifferent; but as there is nothing said against him in the conduct register, I presume that during the past few years it may be accepted to have been good.

Item No (2) In rule 13 of the rules of the Imperial Forest School Dehra Dun, printed as Appendix IV A to the Forest Code, it is stated that the candidates in Government Service who may be deputed to the School will draw the pay of their grade &c. Further in the explanation of article 1203 of the Civil Service Regulations it is stated that officers of the Forest Department deputed to attend the annual course of instruction at the Forest School at Dehra Dun are considered to be transferred for the public convenience from one station to another. Mr Kelly was a Forest Ranger in Government Service and was deputed to the School; he drew full pay during the period. Under these circumstances, the period he was in the School has been taken as service counting for pension.

No Government order bearing on the Subject is known in this office.

SIR,

ENCLOSURES:—

With reference to your no. $\frac{\text{ADK}}{442}$ dated 9° inst, I have the honor to state as follows:—

As Mr. Kelly was born on 16° apr. 1860, his service prior to 16° april 1880 does not qualify (Vide article 390 (a) of the Civil Service Regulations).

He was absent from 1-3-81 to 28-3-81 and it is not known whether the absence was with or without leave and, if without leave, whether the office of the absentee was substantially filled or not.

Assuming that the absence was with leave and no one was permanently appointed to the place, the period between

16° april 1880 to 2° april 1881 which qualify for Service comes to 8 months and 17 days and including this period, the total qualifying Service amounts to 12 years 10 months and 8 days. only and does not affect the amount of pension. Hence the Service prior to 3° april 1881 has been rejected.

The enclosures are returned.

Sir,

With reference to your letter No. 2470/Cur dated 10th April 1896, I have the honor to inform you that Mr. Kelly was absent during the period between the 1st and the 28th March 1881 under the following Circumstances.

2. While employed as 10th Clerk on Rs 20 in the Bangalore Post Office, Mr. Kelly was in this Office No. A. 5966/1564 dated 26th January 1881, appointed 2nd Clerk, Cuddapah Post Office on the same pay. On this he represented the difficulties he would have to undergo by his transfer to Cuddapah and requested that he might be posted there on a higher salary or that he might be retained at Bangalore. He was subsequently appointed Sub: Post Master, Kodaikanal on Rs. 20 and in the appointment order No.

A. 6710/2265 dated 28th February 1881, he was designated "2nd Clerk Cuddapah Post Office". Prior to the receipt of the 2nd order, Mr. Kelly ceased attending Office from the 1st March 1881 and intimated the fact to this Office in a letter of the same date, stating that he was compelled to be absent till such time as he received an answer to his former representation, and that should his request be not granted he would have with much reluctance to resign his appointment in the Department. After receiving the order of transfer to Kodaikanal, he applied for a free pass which was granted. He joined the Kodaikanal Post Office on the 3rd April 1881. He drew transit pay for the period from the 29th March to 2nd April 1881 and also travelling allowance, but these were disallowed by the Comptroller Post Office on the ground that he had resigned his appointment, which however was not the case.

3. It will thus be seen that Mr. Kelly was absent from duty without formal sanction from the 1st to 28th March 1881, both inclusive; but as he was allowed to join the appointment at Kodaikanal this period and the period during which he was in transit might be treated with retrospective effect as leave without allowances under article 464 of the Civil Service Regulations.

Sir,

+ Herewith returned

With reference to your Objection Slip $\frac{PAD}{211}$ + dated 7 May '96. I have the honour to state.

1. That it appears that Mr. Kelly was not invalided from the Government service, but merely from the Forest Department, in the service of which, through constant attacks of malarial fever in the Lower Palneys, Anamalays, and other sickly localities, his general health and particularly his eye-sight became affected. Dr. Pope, Superintendent of the Government Ophthalmic Hospital Madras, in recommending the grant of sick leave to him previous to his retirement from the Forest Department said that his system was saturated with Malaria &c. &c. Dr. Elliot, the Acting Superintendent of the Ophthalmic Hospital, in invaliding him certified + that he was incapacitated for further service "in the Department to which he belongs"

+ copy herewith

Mr Kelly did not I find, appear before a Medical Board when invalided but was retired on the finding of the Superintendent of the Government Ophthalmic Hospital alone. He has been medically advised to keep near the sea on account of his malarial attacks, and his residence in Madras has improved his general health and his eyesight. So far that he appears fit for the clerical work required of him in this office. As he was retired from the Forest Department on the certificate of a single Medical Officer, I was of opinion that there would be no objection to his reentry into the Government Service on the certificate of the District Surgeon Dr Thampson, which he obtained on my direction.

2. In regard to the question of his withdrawing his pension papers, Mr Kelly contends I understand that it is left to his option to do so or not (vide Article 569 to be read with Article 574 of the Civil Service Regulations). An invalid pensioner on reentering the Government service may, he submits, either retain his pension and start in the Government Service afresh or he may give up his pension and comm his former service, Mr Kelly, if this view be correct, prefers to do the former.

SIR,

In continuation of my report No. $\frac{\text{ADJ}}{66}$ dated the 16th May 1896, on the application for pension on behalf of Mr. H. E. Kelly, late Forest Ranger, 5th grade, Coimbatore District, I have the honour to forward herewith a copy of letter No. 48 dated the 28th May last from the Registrar of the Diocese of Madras in reply to an audit slip sent to him intimating that Mr. Kelly's pay had been provisionally passed

passed, pending orders of Government on his pension papers. It would appear from the concluding part of that letter that Mr. Kelly contends that being an Invalid pensioner he may on re-entering the Government Service either retain his pension, or give it up, and count his former service; and in that view of the case, he prefers to do the former. The argument adduced by him is not, in my opinion, sound, for he had not become a pensioner when he was reemployed.

The case is practically that governed by Article 491 (a) of the Civil Service Regulations. Mr. Kelly is apparently partially disabled, but since his present pay (Article 491 (b)) is equal to his former pay, it is unnecessary to grant him any pension. The simplest course to take is that suggested in my previous report, viz: that the period of non-employment be treated as medical leave.

Sir,

With reference to your Official Memorandum No 51 dated 26th ult. I have the honor to state that I was not and am not aware of the circumstances under which Mr Kelly's services were dispensed with by the Collector of Coimbatore.

2. The pay allowed for the Head Clerk and Record Keeper of this office is only Rs 50 - and I have experienced some difficulty in getting the right stamp of man to accept the office as a permanency.

3. Mr. Kelly represented to me that he had been invalided from the Forest Department on account of his health and his eyesight having been impaired when he served in it, and he produced the Medical Certificate (given by Surgeon-Captain Elliott) on which he stated he had been invalided.

4. As he seemed otherwise suitable for the clerkship and was willing to stay on for at least a term of years, I sent him to the Surgeon of the District of Madras in which he was residing, who certified that he was fit for a clerk's post, and I accordingly appointed him.

5. I was under the impression that the fact of Mr. Kelly being in receipt of a pension at his age afforded reasonable grounds for the presumption that there was nothing against his character.

I have not now FR. made any enquiry from Mr Kelly personally, and shall esteem it a favour if I may be informed of the circumstances referred to in your Memorandum under reply for my guidance in further action.

FOR ORDERS.

Please see the Surgeon General's letter No. C/62 d/18th July 1896. He says that Mr Kelly was sent before a Medical Board who considers him physically fit for employment as Head Clerk in the office of the Registrar of Diocese. In his report No. $\frac{A.D.J.}{66}$ d/16th May 1896, the Acctt. Genl says that if the applicant be declared fit for further service, the Collector may be instructed to withdraw the pension application, & that the applicant may be regarded as having been transferred from one appointment to another. He also suggests that the period of non employment i.e. between the date of his retirement in the Forest department and that of his re entertainment in the Ecclesiastical dept. may be treated as leave on medical certificate. The Acctt. Genl's suggestions may, it is submitted, be accepted.

From the Acctt-Genl's letter No. $\frac{\text{?A.S.}}{158.}$ d/9-7-96, it will be seen that Mr. Kelly contends that being an Invalid pensioner he may, on retiring from the Govt. service, either retain his pension or give it up and count his former service, and in this view of the case he prefers to do the former. The Acctt-Genl says
(1) that Mr. Kelly's contention is untenable, for he had not become a pensioner when he was re-employed;
(2) that the case is practically governed by art. 491 (a), CSR;
(3) and that he is partially disabled, but since his permanent pay is equal to his former pay, it is unnecessary to grant him any pension.

In the circumstances now reported, Mr. Kelly's employment as Head Clerk in the office of the Registrar of the Diocese of Madras ~~is~~ is sanctioned, but the Govt. agrees with the Accountant General in considering that he is not entitled to draw an invalid pension on account of his services in the Forest Depart, inasmuch as he has ~~been provided with~~ obtained further employment for which he is certified to be physically fitted, & is no loser in pay by the transfer to other duty.
