Reduction Minute no 123.

1st class Constable no 1151 Muhammad Khan Sahib is reduced to 2nd class from 1st October for falsely stating on oath before the Madras Town Sub Magistrate that he had not written in his note book about riot. Can no $\frac{1}{90}$ of 1888.

This Constable went on night beat on 2 - 9 - 88 and hearing a cry went there and 4th witness told him certain persons had beaten him and gone away. on proceeding further saw the 1st defendant who prevented the Constable from proceeding, the matter was then reported to village Magistrate who took statement and reported to station, in reply to a question from Sub Magistrate, the Constable said he did not see the complainant in the road, that he did not enter the fact of having seen the 3rd witness in his note book or in his statement (to station House officer.)

The Constable now says he did write his note book and produces it, in his note book it is clearly written the Constable met the complainant and that he complained to him &c.

This Constable has clearly told a lie on oath to Sub Magistrate which has ended in the case being acquitted and it is necessary to stop this sort of thing and I think I am awarding a very lenient punishment in reducing the Constable instead of allowing him to be tried for perjury.

1st class Constable no 1151 Muhammad Khan Sahib is reduced to 2nd class Constable from 1st instant.
