PENSION CERTIFICATE.

CERTIFIED that I have examined Sanjivi son of Anthoni a toty in the Salem Police Hospital. His age is by his own statement, 55½ years, and, by appearance, about 55½ years. I consider Sanjivi to be completely and permanently incapacitated for further service of any kind in the department to which he belongs, in consequence of General debility and Cataract in both eyes.

His incapacity does not appear to me to have been caused by irregular or intemperate habits

SIR,

I have the honour to inform you that the application for pension of Sanjivi, late Toty, Police Hospital, Salem, received with your letter No 584/P dated 19th October 1895. is being delayed for want of the information noted in the margin. 2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,

1. Explanation why his name does not appear in my Office records for 1865. The appointment of Toty in the Police Hospital, Salem, is also not traceable.

~~2. Office records show applicant enjoyed leave from ______ to ______, whereas in the history of services~~

2. In the Annual Returns from 1882 in which his name appears, the date of his first appointment is given as 1st January 1875, while in the application this date is given as 6th February 65. The discrepancy should be explained.

3. Transmission of the copies of the Annual Returns of the Police Hospital Establishment, Salem for the years from 1866 to 1881 and for 1886.

4. From the accompanying letter of the District Medical Officer, Salem, it would appear that the applicant's service from 1865 to 1878 has not been verified in detail from pay bills or acquittance rolls. If so, an affidavit of the applicant and the evidence of his contemporary employés should be obtained and forwarded in support of the period. The evidence should contain information on all points raised in No. 11 (c) of the printed memo: of Instructions from this office.
