STATEMENT OF CASE.

1. Rank. 1st Class Ward Attendant.
2. Name. Veera Raghavan
3. Department or Office. General Hospital, Madras.
4. Marks of identification. a small linear scar in front and at the lower part of the left shoulder
5. Age. 58 years
6. Service. 24 years -
7. Sick leave granted during the service. -
8. Disease or cause of disability. Old age & Cataract
9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

This ward attendant was admitted into my wards on the 6th April 1896 for Intermittent Fever. The Fever left him in two days; but he has been complaining of loss of appetite, puffiness of stomach after meals, inability to digest the food, occasional diarrhoea; giddiness and failing eye sight. He has not derived much benefit from the treatment on account of his age.

I am of opinion that he is unfit for the hard work of a Ward attendant in the Hospital on account of old age and failing eyesight.

Respected Sir,

I beg to state that although my service as shewn in the Service Book dates from 17th April 1872, I have been continuously employed in the Hospital from a much earlier date viz: 1862, I beg in consequence to request that you will be good enough when preparing my papers to count my service from 1862, thus enabling me to draw a pension instead of a gratuity. The Records of your Hospital will no doubt prove the above statement.—

SIR,

With reference to your letter No. 260 dated the 26th ultimo, I have the honour to state that the Statement of the services of the Ward Attendant ~~who accompanied~~ which accompanied your letter does not give sufficient information as to the nature of the so called breaks to enable me to answer your enquiries definitely. If the necessary information cannot be obtained from your Office records it it should be supplied in an affidavit of the ward attendant supported if possible by the evidence of contemporary employés. The mere fact of there being no official record of service during the two periods in question would not constitute a break of itself, unless there was actually no service performed owing to resignation or dismissal.

The Bailiff brought to notice that this man had in his possession a Surgeon's Pocket case with the Govt. mark on it. The ward boy states that it was given to him about eight years ago by a Mr. Harley now supposed to be in Burmah. A similar pocket case was stolen out of the Out-patient Dept. last year but no one will swear that this is it. Only he is of long service I should discharge him at once. He is reduced to 2nd class ward boy from the 20th Instant, his suspension to continue up to that date. The period under suspension to be considered as leave without pay.

GOVERNMENT OF MADRAS,

OFFICE OF SURGEON-GENERAL

WITH GOVT OF MADRAS.

To
THE Secretary, Surgeon General
with the Govt. of Madras.

SIR,

I have the honour to inform you that the application for $\frac{\text{pension}}{\text{~~gratuity~~}}$ of C. Veeraragavan late 1st grade ward attendent, Nursing Establishment General Hospital, Madras. is being delayed for want of the information noted in the margin. Where possible your answer should be written underneath the several points to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,
Sir,
Your most obedient Servant,

Chief Superintendent.
~~Assistant Accountant-General.~~

1. Attention is drawn to No. 6 (b) of the printed Memo. of Instructions from this office regarding the applicants' transfer to extra Establishment Temporary on 1-1-71 and it should also be stated whether he retained a lien on his substantive appointment.

2. The periods of service not verifiable from office records should be specified in the column "How verified" on the 2d. page of the application.

3. Explanation is requested as to why ~~the~~ the applicants' name is not traceable in the Returns for 1870, 1871 and 1872 1873 on record in this office.

4. In the Returns from 1866 to 1869 the applicants' country name is given as Paringamalay instead of as Chindadripett as given on the 1st page of the application and service book. The discrepancy should be explained.

5. In the Return for 1868 his name appears as Veerasawmy instead of as Veeraragavan, as given on the 1st page of the application and

and Service book. The discrepancy should be explained.

(b) In the Returns from 1880 to 1895 the date of the applicant's appointment to present post is given as 17-4-72 while this date is not traceable either on the 2nd page of the application or in his service book. The discrepancy should be explained.

8. In the absence of official records as to the applicant's suspensions, his affidavit should be obtained and forwarded for transmission to Govt. detailing the grounds of his suspension on each occasion, namely from 1-6-74 to 31-7-74 and from 3-10-80 to 9-10-80. Explanation should also be furnished as to how the periods of his suspension were counted towards pension.

Current No. 1328 of 1896

To The Accountant General

OFFICE OF SURGEON-GENERAL
21 JUL. 96
WITH GOVT OF MADRAS.

As no remarks are to be found either in the Acquittance rolls or in the Service Book of the applicant; his affidavit is attached.

2. Now done

3. Copies of annual returns for the years 1870, 71 and 73 are not available. In the year 1870 his name does not appear in the records of the Hospital Vide remarks in page 2 of the Application. In the year 1871 his name appears in the Acquittance rolls of the Temporary Establishment and therefore the omission from the returns of the year to show him as on deputation appears to have been an oversight. From the Acquittance rolls it is clear that he was on the Permanent Establishment on 1st April 1873 and it is not known why his name was omitted from the returns of that year.

4. The applicant states that his place of birth viz: Parangemalay was given by him as his House name at the time of preparation of Annual returns of 1866 and which was shown as such up to 1869 but when his Service Book was opened out in 1872 he gave his then residence Chintadripet as his House name. Hence the discrepancy.

5. In the Acquittance roll of April 1868 2 separate individuals viz: Veeragoo (a contraction of Veeraragavan) and Veerasawmy are shown as having received pay separately. The omission of name Veeraragavan in the return of 1868 must have been an oversight.

6.

6. The date of Appointment to present post - 17.4.72 is an error as the Acquittance roll for the month shows that he had drawn full pay and therefore the Correct date is 1st April 1872 and is so Corrected in the Service Book also.

7. There are no records to show why he was reduced on these occasions. His affidavit is herewith attached.

8. There are no records to show the Causes of Suspension. His affidavit is herewith attached. The periods of Suspension were taken to Count towards Service as there are no records directing the exclusion thereof as Service; if not admissible they may be omitted.

I do hereby declare to the best of my knowledge and belief:-

That I was transferred to the Temporary Establishment with an understanding that I held a lien on my substantive appointment.

2. That my reductions were not due to any faults of mine but I was told then that I was paid according to the nature of work I was posted to do - (ie) when doing duty in Officers' Quarters rooms I was paid less than when doing duty in the General wards as it was then considered that a ward attendant in Charge of Officers' Quarters had less work to do than a general ward attendant.

3. That in the year 1874. I was suspended for the following reasons.

Having applied for ten days leave I was granted five days by then Resident Medical Officer and I accordingly availed myself of it. The very next day I was sent for by the then Hospital Sergeant stating that my leave was cancelled and I should come to work, but I could not come as I was engaged in the marriage ceremonies of my daughter.

4. That in 1880 I was suspended for seven days for having been found asleep on duty.

Late 1st Grade Ward Attdt.

Signed in my presence.
