Copy of Minute dated 12th May 1886.

No. 50 1st Class Constable Favostin Cunha

Read report dated 4th May 1886 from Inspector Kamal Hammad to say, that the Station House Officer of Gurpoor Station on 29th April 1886 at 4 P.m. told off 1st Cl. Constable No. 50 Favostin Cunha with other Constables to guard prisoners in the Station Lock-up for that night, that No. 50 at once applied for leave to go to his house at Mangalore distant 9 miles, that Station House Officer refused sanction, that then Const. No. 50 asked and got permission to go and get a drink of water, that he never returned to Station again till 7 a.m. on 30th April /86, and that enquiry shewed he had gone to his house at Mangalore that night. No. 50 in his defence says he had stomach ache &c &c which explanation Inspector reports is false.

It is necessary to teach Constables that they cannot in this deliberate way disobey orders of superior officers and absent themselves from duty after being warned for it, I therefore reduce 1st Cl. Const. No. 50 to 2nd Cl. Const. from this date viz [illegible] May 1886.

Minute on Constable No. 50 Havastin Kunha struck off as a deserter from 15th May 1893.

(1) In a petition dated 13th May this Constable asked for a month's leave for the marriage ceremony of his daughter on the 12th and 13th May at Mangalore. In it he mentions that he had made two previous applications for leave but that the leave had been refused and that he sent in a 3rd one on the eleventh. He reported that he was absenting himself from duty from the 15th May.

His application for leave was refused. He has had since January 1890, 4 months and 20 days' leave. In the Division there were then two men on sick or Hospital leave and the Division was short of 2 men. No. 50 completed 21 days' absence on the 4th June and is still absent from his Station, Kollur. On the 5th June he appeared at the Head Quarter Office and asked to be sent to Hospital. As he did not look ill and as he had completed 21 days' absence a passport was not given. He continued to wander about Mangalore appearing at Head Quarter Office and also at Superintendent's bungalow. The Constable was well able to join his Station, but was determined to enjoy the month's leave without pay whether Superintendent was willing or not to give it to him.

(2) No. 50 in a petition presented on 14.6.93 represents that the fact that he showed himself at the Head Quarter Office while he was absent without leave from his Station Kollur saves him from being considered a deserter. He represents that he had made several applications for leave and that he wanted to be admitted to the Mangalore Hospital.

(3) On 13.6.93 when the order striking No. 50 as a deserter was passed he had completed nearly one month's absence from his Station under circumstances which show that he was determined to defy the Superintendent. The man was not sick

and did not require medical treatment. His application to go to Hospital was a subterfuge to save himself from being still considered absent without leave.

With his petition of the 14.6.93 he ~~send~~ sent a certificate purporting to have been given by the manager of the Poor Dispensary stating that No. 50 took medicine for fever on 22nd May and again after 7 days.

On the 16.6.93 he was ordered to appear on Monday the 19th for a personal hearing. At a personal hearing No. 50 says that he was sick, that he came to the Office and asked for passport, says he absented himself from his Station in anticipation of sanction although he knew that his leave had been refused. No. 50 at the personal hearing made a great pretence of being ill but he had the appearance of a man in good health. No. 50 has behaved in a most insubordinate way about this leave. He has shewn that he was determined to have the leave he wanted whether granted or not. He has deliberately and without good excuse been more than 21 days absent from his Station and is, consequently, treated as a deserter.

No. 121.

Copy of the order of the Deputy Inspector General of Police, Southern Range on appeal petition of late Constable No. 50 Havastin Kunha of South Canara District against order striking him off as a deserter.

1. Appellant deliberately absented himself without leave. He left his Station on the 15th May and did not return to duty until 5th June having absented 21 days. On this day he appeared before Superintendent at Head Quarter Office and requested to be sent to hospital pleading sickness. His illness (if sick at all) could not have been of such a nature as to preclude his return to duty the previous day and thus saved himself from being struck off as deserter, for he was well enough to wander about Mangalore visiting Head Quarter Office and the Superintendent at his bungalow for several days after the 5th June.

2. Appellant has been repeatedly punished for absence without leave and on two occasions for absence for 20 days.

3. Acting Deputy Inspector General of Police is of opinion that appellant has been properly struck off as a deserter and confirms order of Superintendent.

2. On June 6th 1893, the Superintendent on the ground that, as, in his opinion, the appellant was quite well, refused to give him a passport to go to Hospital. {Why a such was necessary, I do not understand. Men when sick apply to the Hospital for treatment not to the Supdt for permission to be treated.}

3. Although seemingly to Superintendent quite well on June 6th, yet the appellant was treated as an out-patient from June 15th to June 30th. He had then ceased to be a Constable and the Dt Surgeon's certificate is granted to him as a private individual residing in Mangalore Town.

4. Moreover there is the certificate of Father Muller that the Appellant received medicine from him for intermittent fever on May 22nd and again after a period of seven days, that is about May 29th.

5. Surely then, if a man received medical treatment one week before and again one week after he applied to Superintendent, it is somewhat arbitrary for the latter, a nonprofessional, to decide that the man was quite well.

6. Before disposing of this appeal I should like to have the Superintendent's replies to my marginal notes in appellant's petition and to my remarks herein.

7. I particularly dislike upsetting a district Superintendent's orders. Such only increases my work. But I am bound to see that no injustice even unintentionally is done.

Copy of Letter No. 535 dated 11.9.93 from the Supdt of Police, South Canara to the Assistant Inspector General of Police, Madras.

Sir,

In compliance with Official memorandum No. 5114 dated 1st September/93 I have the honor to report that Const No 50 appears to have made application for leave in April and a roll was submitted by his Inspector. This roll is not forthcoming. It was sent back to the Dr. with Supt's endorsement that leave was not sanctioned. By mistake the roll was given to No 50, who never returned it.

2. A petition dated 13th May was received from No. 50 on 17.5.93. In it he stated that his daughter's marriage "was to be performed on the 12th & 13th Instant." that he had previously petitioned for leave and on the 9th had received an order that the leave was not sanctioned; that on the 11th May he had sent in through his Inspector another petition and that "he is going to absent himself from the 15th." He states in the petition that he has not yet made any preparation for his daughter's marriage. This

Contradicts

contradicts his statement above that his daughter's marriage was actually about to be performed. This Const No 50 has during the last three years been absent from duty for 4 months and 20 days as follows:-

30. 6. 90.	12 days.	Hospital leave with pay.
12. 7. 90.	20 days	absence without leave
13. 9. 90.	1 day	Do ——— Do
30. 4. 91.	20 days	Do ——— Do
24. 10. 91.	7 days	Do ——— Do
15. 5. 92.	1 month 19 days.	Without pay.
16. 1. 93.	1 month.	On half pay on private affairs.

3. It is the practice in this District and to the best of my recollection in every other District in which I have served that a Const should obtain a passport before going to Hospital.

4. There is no petition of the 6th June nor any dated between 13th May & 11th June. I remember seeing No. 50 at Office. That was probably as he states on the 6th June. He repeated his explanation of his absence which I said was not satisfactory and that as he had completed 21 days' absence he must be struck off as a deserter. The outcome of this interview was probably his petition dated 11.6.93, received on 12. 6. 93 and on which on 13. 6. 93 formal order was passed striking him off as a deserter.

5. There was no urgency apparently No. 50 states in his petition of 13th May that he had not yet made any preparations for his daughter's marriage. No. 50 had been absent from duty either with or without leave for 4 months and 20 days in the previous three years; there were other Constables in want of leave who had to be considered and in intimating that he was going to leave his Station on the 15th. No. 50 was distinctly insubordinate.

6. Although No. 50 did take medicine both before and after the order was issued treating him as a deserter his own acts show that he was not unable through sickness to join his own station; He could wander about Mangalore to the Hd. Qr. Office to Supt's bungalow more than a mile out and again to the Office. No. 50 when he appeared before me had none of the appearances of a sick man. His object in getting to the Hospital was obvious as mentioned in the minute against him. If No. 50 wants to be reenlisted he has but to make application.

After going through all the correspondence on his case I think that it would place me in rather a peculiar position to make any recommendation one way or the ~~(and)~~ other as I am only acting for Mr Scott and from the wording of your official memorandum it seems to me that you think the man has been hardly dealt with, but I take this opportunity of pointing out to you that the men in this district are just as bad if not worse than Malabar in the way of taking French leave.
