Note

Please see notes on the margin of G.O. 792, Pension.

In the Dy. Commissioner's order transferring the applicant to (flag A) temporary duty, nothing was stated about his reversion to his permanent post on the termination of the temporary duty. The transfer appears to have been made in the interest of the service, for the applicant did not benefit in pay by such transfer & would not have voluntarily asked for transfer from a permanent post to a temporary one without any increase of pay. It may be presumed therefore that his transfer was on the understanding
