I most respectfully beg to approach your honor once

I respectfully beg to state that Sivas for

His Excellency The Governor of Madras
in Council,
Fort St George
Madras

Through the Executive Engineer
North West District

The humble petition of V. Sivaramayya
late Superintendent of Dooly channel, North
West District.

Most-Respectfully Showeth,

That the petitioner has been granted a pension of Rupees Six per mensem in G.O.N^o 1164 taking the period of his Superior Service to be 24 yrs, 6m, and 29 days, while his actual service as Superior comes to 28 yrs, 3m, and 19 days as briefly represented in his letter dated 5th November 1895. (a copy of which is enclosed for kind perusal as exhibit - A).

2. That in reply to his above quoted letter he was informed in the endorsement of the Examiner of P. W. accounts, Communicated under endorsement No 1270m
5-12-95 of the Executive Engineer North Arcot District (a copy of which is enclosed as exhibit-12) that his services in the Local Fund Department would not

he counted for pension; and on a further request made in his letter dated 24th December 1895, (a copy of which is enclosed as exhibit - C) he was informed in the endorsement N^o 1572
10-2-96 of the Executive Engineer North Arcot District (a copy of which is enclosed as exhibit - D) that his case would not be viewed favourably.

3. That the petitioner trusting that the Head of his Department will be pleased to grant his request, submitted without any delay on his part, his appeal petitions immediately after receiving the G.O. N^o 1164
7-10-95 but without success.

4. That a period of about 4 years service is now lost by the petitioner for no fault of his as is represented in exhibit - C and that he was not transferred to the Local Funds Department on his own request and that no mention of any kind was made regarding the pension in Circular N^o 3390
11-12-79 of the Executive Engineer North Arcot District (a copy of which is enclosed as exhibit - E) under which Circular he was transferred from the D. P. W. to the L. F. Department. If this broken period is now added to his service he would be entitled to a pension of Rs 7-8-0 instead of Rs 6-0-0 which is now granted, and the favour of sanctioning this increase would be a great boon done to him by the merciful

Government in his old age for his long and hard service of nearly 30 years on the whole.

5. That under these circumstances the petitioner most humbly prays that the merciful Government will be pleased to give him some concession for the hard and faithful work he has done during his service in the Department, which will be plainly seen from the several testimonials (copies of which are enclosed in his service register sent along with his application for pension) favourably given to him by the several noble officers under whom he served, and to sanction the additional amount of Rs 1-8-0 to which he is entitled.

For this act of charity the petitioner shall ever pray.
