III.—Retirement on Invalid Pension or Gratuity.

8. If the officer applying for pension is sixty years old or upwards, no certificate by a medical officer is necessary; it suffices for the head of the office to certify to the incapacity of the applicant, otherwise incapacity for service must be established by a medical certificate attested as follows:—

9. If he is serving at or near the capital town of a province, by the surgeon-general or deputy surgeon-general of the province, or by a medical committee over which the surgeon-general or deputy surgeon-general should, when practicable, preside.

10. If he is a superior officer and is serving in the interior of the country under such circumstances that, in the opinion of the government, he can be conveniently required to appear before a medical invaliding committee—by such committee.

11. In other cases, the government may either accept a certificate given by a single commissioned medical officer or medical officer in charge of a civil station, or assemble a special invaliding committee at a convenient civil station. If the pension applied for exceeds Rs. 100 a month, a certificate by a single medical officer should not be accepted as sufficient, if it is possible without undue inconvenience, to assemble an invaliding committee or to cause the applicant to appear before the surgeon-general, Indian medical department, or the standing medical committee at the presidency.

12. In no case shall a medical certificate of incapacity for service be granted, unless the applicant produce a letter from the head of his office or his department, to show that the latter is aware of his intention to appear before the medical officer.

Remarks

Copy of letter No. 75 dated 7th April 1906 from the Executive Engineer Godavari Western Division to the Superintending Engineer, 1st Circle.

With reference to G.O. No. 203W, I have the honour to forward herewith an Application for Compensation gratuity claimed by Mudragada Venkappa Lascar on No. 6

The man resigned the Service on the Work Establishment on 13 October 1904 and being apparently ignorant of G.O. No. 203W he did not put in claim for gratuity until lately.

The Sub-divisional officer in whom the power of Appointment and Dismissal of Lascars on the Work Establishment is vested, seems to have been under the impression that, by the resignation of the Lascar, he has forfeited his past Service, but Article 4 to (a) does not seem to be applicable to the Case in point. As the man states that he quitted Service on the Work Establishment owing to ill-health.

To prevent similar delays in the Submission of Application for Compensation gratuities, the attention of Sub-divisional officers will again be drawn by me to G.O. No. 203W with instructions that the dates, on which permanent Lark and Delta Lascars transferred to Work Establishment actually quit the Service of Govt., be immediately reported to this office.
