Proceedings of the Board of Revenue
Dated 30th May 1883.
No. 44 & 4 Miscellaneous

Read letter from the Commissioner of Salt and ~~Abkari~~ Revenue dated 7th March 1883 No. 3082

Resolution; — On the further information recd from the Salt Commissioner the Board are of opinion that whatever was the precise wording of the petitioners reply is immaterial; the speaking fact remains that the petitioners were in effect disobedient, for they did not at any time do what they were ordered to do; and as no department can be worked in which the menial Servants are suffered to be insubordinate, the Board decide so far to modify their late order which was based on a misconception of facts in some important particulars and to direct that the ~~the~~ Vattees be suspended for 1 year altogether, (i.e) including the period they were out of employ as so much of the suspension undergone. The Board consider this quite a sufficient punishment for the offence proved against this poor and ignorant class of men.

Proceedings of the Board of Revenue

(Separate Revenue),

Mo

Mis No. 2591

Dated 23rd June 1896.

Read the following letter from the Assistant Commissioner, Chicacole Sub Division dated 12th June 1896 No 2242

"I have the honor to submit herewith application for invalid pension on behalf of one Pedapudi Parvati, 3rd grade peon, Konada Circle, together with the following accompaniment.

1 New Service book of the peon
2 old do.
3. Medical Certificate.
4 to 11 — Affidavits marked A to H.
12. Copy of Boards' Proceedings Mis No 4404 dated

30/12/11

30th May 1883.

13 and 14 — 2 Verification statement.

2. The peon was entertained in the Bala-cheruvu factory on 9th January 1864 as a Vettian and continued in that capacity till 9th September 1881 when he was dismissed from Service for refusal to do some work which was entrusted to him. On appeal the Board modified the punishment of dismissal into that of suspension for 1 year Vide Board's Proceedings Misc. 4404 dated 30th May 1883 (a copy of which is attached to the Service book). But from the entries in the Service book it appears that the peon did not join his post immediately after the expiry of his suspension but only joined on 25th February 1883; and the period between the date of expiry of suspension and that of joining Viz from 9.9.82 to 24-2.83, was entered in the

Service

Service book as leave on loss of pay. But from affidavit marked D, it appears that the peon was out of employ during this period owing to his being unaware of the orders reinstating him and to there being no vacancy for him when he actually returned to duty until 25th February 1883 This period should therefore be treated, I think, as suspension only instead of as leave on loss of pay as the peon did not actually rejoin before 25-2-83 and as there is no order forthcoming to the effect that any leave of the kind was granted to him I have therefore treated this period under "Period not reckoned as Service" Even then, the total Service put in by the peon will not be less than 30 years and his pension will not therefore be affected in any way.

3. A temporary peon's vacancy having occured in the Konada Circle on 25-2-93, the peon was reinstated in that post and he continued in this post up to 28-2-83 and on 1st March he was confirmed as 3rd grade peon. As no one else has counted Service during the period between 25-2-83 and 28-2-83 in the above post, it has been reckoned as Service.

4. All the peon's Service was verified and Verification certificates furnished except for January, May and June 1864. for which no records are forthcoming. For this period, affidavits have been obtained and submitted herewith — (Vide affidavits marked A, B, C, E and F).

5. With reference to Article 487(c) of Civil Service Regulations, I beg to state that according to the Service book the peon is above 55 and below 60 years

of

of age, but by appearance, he is about 60 years of age and is quite incapable of doing any kind of duty. He himself had put in a petition stating that he was unable to discharge his duty and praying to be permitted to retire soon.

6. The date of the medical certificate is 21-5-96 and it was only despatched from the District Surgeon's office on 2-6-96 and reached the Inspector's office on 6-6-96 on which date the peon was discharged. With reference to Article 500 of Civil Service Regulations, the peon's service after the date of the medical certificate will not count for pension. The entries have therefore been made accordingly in the pension application

7. The Inspector has not submitted the peon's last pay certificate as required by Article 990 of Civil Service Regulations. He has been requested to forward it at once and it will be submitted immediately on receipt"

Northern Division No. 86 dated 1st February 1883

In reply to your Proceedings No. 714 dated 16th January 1883, communicating Board's Proceedings mis No. 261 dated 12th January 1883 I have the honor to inform you that I have carefully looked into all the available information on the subject with the following results:

2. The petitioners were vetties of the Balacheruvu factory and as you will remember had with others of the same class gradually forgotten that they were originally employed as permanent factory coolies and come to regard themselves as differing from peons only in the fact that they draw a rupee per month less pay. In your tour through the Northern Division in 1879, you found that the factory vetties

Considered

labour, and that almost every factory swarmed with lazy useless servants — too numerous to be fairly occupied in the discharge of the Ordinary duties of peons, and generally employed in turning their spare-time to bad account or acting as personal Servants of their Superiors. Most of the heavier portions of the peon's duties were discharged by the junior and acting men, the Senior Vetties and peons doing almost nothing whatever and the measurers or weighmen contenting themselves with merely passing as correct the amounts of salt placed in the weighing machine by coolies paid from Government funds in some instances, and by traders in the remainder.

3. The discontinuance of this practice

and

Servants to the duties for which they were originally entertained was ordered, and has since been carried out in the face of great opposition on the part of the parties Concerned — the Vetties in particular as they belong or should belong to the class from which manual labour is or was in the first instance expected. In my Division many dismissals and resignations have taken place in consequence though to the best of my belief none of these men have been employed on more heavy work than platform repairs or planting and tending fences. The result of the change is that a great deal of petty repair work is now got through without cost to Government and in my humble opinion without any injustice to their Servants, which

would

required a

sum of money and a still more troublesome amount of delay and correspondence owing to the necessity of the submission of petty estimates. The present case appears to be the worst of many similar instances of insubordination caused by the execution of your orders on the subject

4. The circumstances which gave rise to it were as follows. The vetties of the Balacheruvu factory had for a long time given a great deal of opposition to this order, owing principally to their being in the habit of cultivating land in the vicinity of the factory in addition to the performance of the work which they were supposed to do in return for the Rs 5 per month paid them by Government.

Amongst

Amongst the petitioners Parwatigadu Vasantu and Rammen all occupied land in its neighbourhood and have been repeatedly seen at work on their farms by Mr Greer, the officer in charge of the factory. M. Venkatasamy belongs to the golla or Shepherd caste and had a flock of sheep and goats to look after in addition to his factory duties Dindi Appadu and Parasadu were not mixed up in any transactions o the sort, but the former had bee transferred from Konada to Balacher a few months before, owing to there. For some time before the 9th September 1881, these men had been employed in filling up nullahs cut in the platform by the rains, but on that date there being nothing further for them to do there, and an estimate for fencing part of the extension having been found to require more earthwork than was at first contemplated they were ordered by the Assistant Inspector to go and supplement the work of the coolies employed thereon by planting prickly pear along the bund which the latter were throwing up. The order was given by the

[illegible]

the peon reported that they would not go to work as they were not going to be employed on such duties outside the platform itself. As remonstrance proved useless the Assistant Inspector acting under a verbal order given to him some time before by the Assistant Commissioner in consequence of the refractory disposition previously manifested by these Servants and in anticipation of an occurrence of the sort told them that if they did not choo to do so he would employ substit The petitioners continued refractory

[illegible]

5. The Assistant Inspector had several conversations with them on the subject during the next few weeks and tried to get them to go to the Assistant Commissioner who had issued an order formally suspending them, express regret at what had taken place and ask for permission to return to duty, but they refused to do so and on the 23rd October they were dismissed by the latter. Proper substitutes not being found in sufficient number and other work having turned up [illegible] employ those engaged, the fencing

dismissing them (petition not received until the 28th December). The matter was referred back for further information, and sent by the Assistant Commissioner to the Assistant Inspector who then again questioned the petitioners. They were much more communicative then and stated that they acted at the instigation of Peon Ebrahim Sahib and that it was he who was to blame and not they. They also acknowledged that he had written letters to the other vetties of the District instigating them to resist orders to execute [illegible]rk of the sort. They are beli[illegible] by the Assistant Inspector to have [illegible] these letters. Statements to this [illegible] were taken by him [illegible]

5. A very indefinite rumour that Peon Ebrahim Sahib was mixed up in the matter in some way of the sort reached the Assistant Inspector's ears shortly after the men refused to work, but it was not until the enquiry in the latter part of January when the petitioners found that there was no means of getting out of their difficulty except by throwing the blame on some one else that they stated that he was their instigator.

To the Assistant Commissioner allowed him to continue at Balacheruwu d took no further not

[illegible] Boards Proceedings I have the honor to reply as follows

(6) Mr Freer the Assistant Inspector is of the opinion that petitioners Parasdu and Ramudu were probably led astray by the others but the remaining four were, and had been for a long time before, most troublesome and refractory and that though Ebrahim Saheb may have had something to do with instigating this final piece of insubordination, it was much the sort of thing which their previous conduct would have led one to expect. From Mr Powell's not having taken any action with regard to Ibrahim Sahib after hearing that the petitioners threw all the blame on him, it would appear that he did not believe them, while

order

Inspector to employ substitutes if necessary shows that the strike was not unexpected by him.

(c) The lost papers appear to be the statements taken by Mr Freer Cole in January. They were of course made after the petitioners saw that they had got the worst of the struggle and do not deserve much weight in consequence. Had they been made while under suspension the matter would have been very different.

(d) Ebrahim Sahib's connection with the case has been explained above. He was a smart intriguing man and his final appearance in the Salt Department was as managing partner in the Buntipalam frauds

Proceedings of the Board of Revenue

(Separate Revenue),

Routine No. 2276

Dated 30th July 1896.

Read letter from the Assistant Commissioner, Chicacole sub division No 2679 dated 16th July 1896 submitting a fresh last pay certificate of P. Parwati, late peon, Konada Circle

Read also the following letter from the same officer No 2775 dated 22nd July 1896.

With reference to Board's Proceedings Routine No 2109 (S.R) dated 15th July 1896 forwarding for early compliance letter from the Accountant General requesting further information relating to the pension claim of P. Parwati late 3rd grade peon

peon, Konada circle, I have the honor to reply as follows:-

Accountant General's objection No 1. No correspondence is forthcoming in the records regarding the applicant's dismissal in 1881. The only paper on the subject now forthcoming is a copy of Board's Proceedings Mis No 4404 (S.R) dated 30th May 1883 which is filed with the application

Objection 2. A reference to para 2 of my letter No 2242 dated 12th June 1896 embodied in Board's Proceedings Mis No 2591 (S.R) dated 23rd June 1896, is respectfully solicited. There is nothing on record to show why the period from 9th September 1882 to 24th February 1883 was treated as "Leave on lost pay" But it was probably due to the applicant not receiving the order of his reinstatement in time and to their being no vacancy ready for him when he actually returned to duty. I therefore think that this period should also be treated as Suspension to prevent the applicant's forfeiting his past service under Article 463 (c) of Civil Service Regulations

Objection No 3. The last pay certificate of the applicant was submitted to Board with this office letter No 2679 dated 16th July 1896.

Objection No 4. Parvati gadu must have been entered in the annual returns as the applicant is generally called by that name. His real name is Parvati but as he belongs to the low Caste of Madiga (lower than Mala or Pariah the word gadu is generally affixed to his name as it denotes that he belongs to a low caste.

Objection No 5. No order appears to have been passed by the Board of Revenue agreeably to article 461 of Civil Service Regulations at least none is forthcoming.

2. The enclosures to the Proceedings under reply are resubmitted

---

Resolution.

Resolution:—

The Last pay Certificate, received with the first of the papers read above, is forwarded to the Accountant General, Madras.

2. A copy of the Second paper read above, is forwarded to the Accountant General, Madras with reference to his No $\frac{ADK}{211}$ dated 11th July 1896, which is herewith returned in original — together with the enclosures.

3. Copies of correspondence in connection with the applicant's dismissal in 1881 called for by the Accountant General have not been received from the Assistant Commissioner, as the correspondence on the subject is not forthcoming among the records of his office. The circumstances under which the applicant along with certain others

was

was dismissed have been clearly explained in the letter of the Deputy Commissioner, Northern Division No 86 dated 1st February 1883 copy of which is herewith sent to the Accountant General. In Board's Proceedings Mis No 4404 (S.R) dated 30th May 1883 commuting the dismissal into suspension for one year, no declaration was recorded to the effect that the applicant's past service should count for pension, as required by article 461 of the Civil Service Regulations, but the Board considers that the applicant should not lose the benefit of his past service on account of the omission, which was no doubt unintentional.
