1. Explanation why his name does not appear in my Office records for _____

SIR,

I have the honour to inform you that the application for pension of *Lyed Elseuff Sahib, late second grade Amier, District Munsiff's court, Bellare*

is being delayed for want of the information noted in the margin. Where possible your answer should be written underneath the several points to which your attention is drawn.

2. Office records show applicant enjoyed leave from _____ to _____, whereas in the history of services

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,

Sir,

Your most obedient Servant,

I. Attention is drawn to Nos 3 & 9 of the printed Memo of Instructions from this office.

II The date of termination of the applicant's service is omitted to be given in the accompanying Service Book. The omission should now be supplied and the Service Book closed.

Chief Superintendent.

opposite

III. Opposite to No 5 on the 3rd page of the application it should be stated for the information of Government whether the applicant retired of his own accord or was compelled to retire.

IV. In the Audit Register for 1875 and in the Annual Returns from 1876 to 1886 on record in this office, the date of the applicant's appointment is given as 15 August 73, 28 August 79 and as 1 April 82, while none of these dates are found on the second page of the application. The discrepancy should be explained.

The District Judge,

Sir,

With reference to the memo of the District Court No 102 dated 14th Instant forwarding for explanation the objection memo. of the Accountant General No M.R.R. 243 dated 14th Instant, I have the honor to state the following in answer to the several objections contained therein.

I The Applicant being a Mahomedan, he has no house or Country name; so also his father. Two scars a little above the left knee pan may also be added to the marks of identification already given.

II The omission is supplied.

III The Applicant having completed his 60th year, he was compelled

to retire by reason of his incapacity
to continue further in Service.

IV Entries of 28th August 1849 and 1st
April 1882 in the returns as dates of the
applicant's appointments are evidently
not correct. Whether 15th August 1843
as entered in the Returns, or 16th August
1843, as entered in the Service Register,
is the correct date, it is not possible
to say, as the acquittance rolls and
other records relating to it are not
available. It however seems that the
16th was entered in the Service Registers
(for I find the same entry in the Service
books of some of the applicants con-
temporaneous employes also) probably
because pay was drawn from the said
date, the order with regard to the organiza-
tion of the Process Service Establishment
having been received on the 15th which
was accordingly entered in the returns
as date of appointment.

The enclosures are herewith returned.
