Civil Medical Form No. 33.

INSTRUCTIONS

With the cognizance of the head of his office, or if he is himself the head of the office, of the head of his department, the applicant must present himself with a copy of the statement of his case in a cover sealed by his medical attendant at the seat of the Government under which he is serving, or at such other place as may be appointed by that Government where a committee of medical officers can be assembled under the orders of the Surgeon General. The Board should see that the applicant fulfils these conditions.

Before deciding whether to grant or refuse the certificate the medical board may in a doubtful case, detain an applicant under professional observation during a period not exceeding fourteen days.

If it can be avoided, the medical attendant on a case should not be a member of the board which considers it, and under no circumstances can he sit as president. He should, however, be required to attend the board to furnish any information whenever his presence is considered necessary.

The medical board, after a careful examination of the officer, and consideration of the medical attendant's statement of the case, will record in the proceedings as follows:—

(a) Whether change of climate in or out of India is necessary.

(b) The period of absence recommended in or out of India, care being taken that leave in excess of the period to which the sick officer is entitled by regulations is not recommended.

(c) In the case of an officer requiring relief or leave of absence owing to illness caused directly by intemperance, the medical board, whilst recording their opinion, will confine their recommendation to the officer appearing periodically before fresh boards, or to the treatment of the case as one of discipline, whichever may be deemed necessary.

In urgent cases when a medical board considers it absolutely necessary that an officer recommended for change of air, either in or out of India, should proceed in anticipation of sanction, a recommendation to that effect should be made in the proceedings.

Said to have enjoyed good health until May 1892 when he had a bad attack of influenza which kept him on leave for 3 months, at the expiry of which he returned to duty while his constitution was still weak. In July 1893 he felt unwell again with general debility, lassitude, inability for any mental or physical exertion, impaired appetite and irregular motions. He was then treated with nervine & ferruginous tonics in spite of which his complaints gradually grew worse. He then suffered from sleeplessness, irritability of temper, loss of memory and a feeling of drowsiness at times. His urine was tested and found to contain abundance of phosphates. Being unable to continue in his work he took leave on Medical certificate. Although he has now enjoyed 2 years rest from work & been under medical treatment off and on, his condition has grown worse. He suffers from extreme lassitude, inability to think, irritable temper & want of sleep. His taste and appetite are very much impaired, bowels costive. The head keeps always warm and there is a feeling of drowsiness; has no inclination to do any kind of work either mental or physical and presents a look of melancholy. He is very nervous; hands slightly tremulous which disables him from writing steadily; gait unsteady and very slow; unable to ascend stairs or get into a carriage without some help. Complains of a feeling of numbness of feet and hands, cannot hold things firmly; gets acid eructations frequently after a meal. Tongue furred, breath rather offensive.

Hearts action weak & irregular.

Urine. Straw colored. Slightly acid Sp. Gr. 1015 free from phosphates and Sugar.

I am of opinion that the present condition of the patient is brought on by over-exertion and mental worry.

I, C. P. Ganapati Ag. Civil Surgeon Cannanore do hereby certify that M.R.Ry. A. Chathu Nambyar of the Judicial service is in a bad state of health, and I solemnly and sincerely declare that according to the best of my judgment, that he is completely and permanently incapacitated for further service of any kind in the department to which he belongs in consequence ~~a change of air is essentially~~ ~~necessary for his recovery, and do therefore recommend that he may be~~ permitted to proceed to for a period of of nervous prostration & failing memory. His incapacity does not appear to me to have been caused by irregular or intemperate habits

The Accountant General,

Sir,

I have the honor to forward herewith applications for pension on behalf of Mr. R. Ry. E. K. Krishnan Avergal late Sub Judge of Palghat and Mr. R. Ry. A. Chathu Nambiyar Avergal late District Munsif of Ernad and request that the same may be verified and submitted for early orders of Government. Their Last Pay* Certificates and the Medical Certificate of the latter are also enclosed.

* Will follow.

2. In the case of Mr. R. Ry. A. Chathu Nambiyar Avergal, the High Court Order ordering his retirement from 14th December 1895 was received in this Office on the 10th January last and communicated the same day to the applicant. The delay in the submission of the pension application is due to the following circumstances. Under Article 993 of the Civil Service Regulation the pension application of a Gazetted Officer

has to be prepared either by the applicant himself or by the head of the Department in which he was serving. Now the head of the Judicial Department is the High Court. Expecting that the High Court would get the necessary application prepared and forwarded to you no steps were taken in the matter in this Court till the 2nd May last when M. R. Ry. Chathu Nambiyar avergal wrote to say that no orders had been received by him with reference to his pension. Thinking that the application might have reached your office, a copy of the letter was sent to you with this Court's letter dated 6th May 1896 No. 869. You replied on the 13th May (during the vacation) that no pension application had been received in your office. As soon as the Court reopened after the vacation i.e. on the 24th ultimo I addressed the High Court requesting that early orders of Government might be obtained as regards the applicant's pension. The High Court in its letter dated the 3rd instant (received here on the 9th) directed that the pension application should be prepared in this Court and forwarded to you. This has now been done.

With reference to District Court Proceedings No. 143 dated 7th Instant I have the honor to report as follows:

From the acquittance rolls and Copies of pay-bills kept in this Court from September 1878 to March 1879, it appears that M. R. Ry. Chathu Nambiar Avergal drew his pay as Dt. Munsif of Kavai during this period. The office-Copies of the Munsif's pay-bills from April 1879 to February 1882 inclusive are not to be found in the Records kept in this Court and the Munsif does not appear to have signed all the acquittance rolls of the Establishment. It appears from the Petition Register for 1882 that Mr. Chathu Nambiar passed orders as Dt. Munsif of Kavai till the 7th
