FOR ORDERS.

2.5.96 Re 420 Pension for the circumstances under which M. Appadu, late a Cooly in the Mangalore quarry, met his death. In anticipation of the Supg. Engineer's sanction, the Executive Engineer, Kistna. N. Dist. granted to the widow of the deceased Cooly a sum of Rs 25/- from the provision for contingencies the estimate for Stone Manufacture at the Quarry; but the Sup Engineer submitted the paper to Govt. in the P.W.D. for sanction as a special case to the grant already made, with the remark that a gratuity of Rs 25 was granted to the widow in accordance with G.O. No 420 Pension of 19.5.93. The Secy, P.W.D. says that if death was met in the performance of duty attended with extraordinary bodily risk, the gratuity of Rs 25 recommended will be admissible under act 707 C.E.R. In this case application should be made to Govt.

Pension Dept. The P.W.D. accordingly transfers the papers to this Dept. for disposal with the remark that the case is similar to that disposed of in f.o. ⁴²⁵ 19-V-13 Pension and that it seems to fall under art. 707 C.R. The payment of the gratuity already made to the widow, may it be submitted, be sanctioned under art. 707 C.R. - f.o. ⁵¹² 19-7-95 Pension section point.

Art. 707 must be utilized for the purpose of sanctioning the payment already made; it seems to apply.

Letter from the Executive Engineer, District Southern Division, to the Superintendent Engineer, 11 mile, No 27285, dated 17th August, 1896.

With reference to your endorsement No 79840, dated 26th June, 1896, on G.O. No 18624, dated 22nd June, 1896, I have the honor to forward herewith an application for gratuity on behalf of Basha Bapa as therein directed.

The information required to fill in lines 240 and 246 cannot be filled in now as the woman had already left the place. As the matters of identification are not essential, as in this case, it is not a pension payable for any length of time that has been recommended, but a gratuity paid on the spot to the proper person, it is requested that the application be passed without the information ^{which} it is now impossible to obtain.
