ORDER THEREON, 10 Oct. 1896 No. 954.

5/10/96

Character — Good.

Suspended for one month in 1888 for habitual idleness and neglect of duty.

Please see the Acctt. Genl.'s report. The applicant held an appointment in the inferior grade up to 31-12-73 when he resigned it and took up on 1.1.74 an appointment in the inferior grade. The Acctt. Genl. says that if the resignation be condoned and if the applicant's service under the Local Funds from 1-4-71 be admitted, he will be entitled to a pension of Rs 5-4-0 against Rs 4-12-0 otherwise admissible. Under art. 460 (b) resignation of an appointment to take up another appointment service in which counts is not held to be a resignation of the public service. So no condonation seems necessary.

With reference to para 2 of the Acctt. Genl.'s report, the applicant was invalided on account of a specific disease, viz. double cataract, as well as general debility. So the pension admissible does not seem liable to reduction under art. 521 (a) C.S.R. Further if the applicant's service under Local Funds from 1-4-71 be admitted, his age on 1-4-71 would be less than 30 years & therefore art. 521 (a) will not apply.

1.10.96

Under articles 485 and 518 (a) of the Civil Service Regulations (2nd Edition), His Excellency the Governor in Council is pleased to grant to Vazhayur Lachayil Vallu Eradi, late 8th Gumastah, Calicut Taluq an invalid

3/10.

pension of Rupees (5-4-0) Five rupees four annas p. m. payable at Calicut from 7th Feby 1896 in consideration of his qualifying an inferior service of 21 years, 6 months and 26 days.

2. With reference to art. 460 (b) of the CSR it does not appear that the applicant's resignation on 31-12-73 requires condonation.

Attention is drawn to No. / of the printed Memo. of Instructions from this office.

1. In regard to the acting and Sub pro tem appointments held by the applicant from 1 December 1876 to 30 Septr 78 full explanation on the several points referred to in No 6 (a) of the printed memo of instructions from this office should be furnished. How the original vacancy in each case occurred should be stated.

2. The Madras Act IV of 1871 under which the Local Funds were organized came into force only in 1871 and the applicant's services under Local Funds can be reckoned as pensionable only from that year.

It should therefore be explained on what grounds

Sir,

I have the honour to inform you that the application for pension ~~gratuity~~ of V. T. Vallu Eradi late 8-Gumasta Calicut Taluk is being delayed for want of the information noted in the margin. Where possible your answer should be written underneath the several points to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,
Sir,
Your most obedient Servant,

Assistant Accountant-General.

Services from 1866 to 1871 have been counted towards pension. If this is due to oversight the necessary corrections should be made on the 1 + 2 pages of the application as well as in the memo of calculations of proportionate debits of pension.

3. It should be explained why the applicant's pay as assistant Master Cherupalcherry, which was reduced to Rs 18 is omitted to be shewn in the application and in the service book.

4. In his affidavit the applicant says that he was on medical leave in 1895, which it is presumed is a mistake for 1894. Necessary corrections should be made.

1 (a) – From 1st Dec 1876 to 31st November 77. During this period the applicant acted as 4th Gumasta Ernad Taluk. This was in the [illegible] vacancy caused by the appointment of the permanent incumbent as [illegible] 3rd Gumasta Ernad Taluk. From the records in this office it is seen that the place of 3rd Gumasta Ernad Taluk was vacant from 1st May [illegible], but it is not known how the vacancy was caused. It is however clear that the post was fully vacant and no one else counted service in it during the period.

(b) – From 1st Dec 77 to 30th Sept 78. During this period the applicant acted as [illegible] 4th Gumasta Ernad Taluk. The original vacancy in this instance was caused by the confirmation of the permanent 4th Gumasta as 3rd Gumasta Ernad Taluk. The place of 4th Gumasta was not permanently filled up, when the permanent incumbent was confirmed as 3rd Gumasta. It will thus be seen that this place was also fully vacant and that no body else counted service in it during the period.

2. The applicant was without interruption a teacher in the old rate schools of this district from 1866 to 71 and his service during that period was counted towards pension under the impression that the services in the rate schools prior to their transfer to Local Boards would also count for pension. If this is [illegible], it is requested that the necessary correction may be made in the pension application.

3. As the records relating to the period were not available the information was omitted to be given in the Service Register.

4. The presumption is correct. It is a clerical error and has been now rectified.

Sir,

With reference to your letter dated 9th July 1896, Reference No 2140 Accts, I have the honor to inform you that the exact date on which the school therein referred to was transferred to Local Boards cannot be traced out from the records of this office. Section 9 of Act IV of 1871 which came into force in the district from 1st April 1871 (vide notification published at page 73 of the District Gazette dated 20th March 1871) lays down that all schools that were existing at the time of the passing of the above act should be transferred to the Local Boards. It is also ruled in G.O. No. 583 / 18-4-71 that rate schools of all classes should be provided for from Local and Municipal Funds and provision was made by the District Board in their budget for 1871-72 for the up keep of the institution referred to in your letter. In these circumstances it is probable the school in question must have been transferred to the Board from 1st April 1871.
