Financial Department

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :—

From the Government of India, Finance and Commerce Department, No.324 P, dated 22nd January 1897:—

I am directed to acknowledge the receipt of your letter No.794, dated 18th November 1896, suggesting that clause (d) of article 791 of the Civil Service Regulations may be so altered as to permit the transfer, under certain conditions, of a pension granted for the support of the family of an Officer killed in the execution of his duty, from one member of the family to another on the death of the member to whom it was originally granted.

2. In reply I am to say that the question of altering article 791 (d) in the direction indicated in your letter has recently been before the Government of India on another reference, and that it has been decided after full consideration, not to take any steps in the matter.

3. I am however, to say that, in any case in which the provisions of the article in question are found to bear hardly, it is open to the Local Government to refer the case to the Government of India, who will be prepared to consider it on its merits.
