There is no other suitable employment found for the applicant for who is an engine-driver by profession and is not fit for any other post. The award effected by this reduction of establishment is Rs 42/- per month besides the cost of maintenance of the launch itself.

The service claimed is established and should be admitted under article 478 of the Civil Service Regulations.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Submitted to Government. The applicant was employed on a salary of Rs 30/- per month as an Engine Driver of the Steam Launch "Beatrice" Khandrapara Circle up to 12 May 1896, when his services were dispensed with as the Steam Launch "Beatrice" becoming unfit for further use was sold at Calcutta. The question arises whether his service should be regarded as pensionable on the Superior or on the Superior Scale. In the former case he would be disqualified for any retiring allowance, his service falling short of 5 years, the minimum period of service prescribed for the grant of a gratuity to an Superior Servant. But article 524(a) of the Civil Service Regulations in the list of appointments given under article 434 of the Regulations the appointment of "Engine Driver" does not appear, nor does it appear in the other list given under article 435. But the Board of Revenue judging the nature of the duties performed by the applicant have treated the service as Superior. Should Government be pleased to accept that view the applicant's service in Superior grades will amount to 2 years 9 months and 12 days, and will render him eligible for a Compensation gratuity, not exceeding Rs 60/- equal to two months' emoluments under Article 468 & 518(a).

Read also the following letter from the Assistant Commissioner Balasore Sub Division No 1567 dated 11th October, 1896:—

"With reference to the Correspondence ending with your Proceedings No 2773 Routine ¹⁴⁻⁹⁻⁹⁶ regarding the entitlement of the late Engine driver and fireman of the Steam Launch "Beatrice" to gratuity I have the honour to submit herewith 2 applications for gratuity on their behalf.

He

He is being called on to supply the omission.

3. As these are applications for gratuity no memo of average emoluments, I think, is necessary.

Resolution

The two applications for Compensation gratuities, received with the letter read above on behalf of Ahmat Aly and Sheik Wahad Aly, late Engine Driver and Fireman respectively of the Steam Launch "Beatrice" are herewith forwarded to the Accountant-General, Madras, together with their Service Books for submission to Government.

2. As the applications are for gratuities no last pay certificates are necessary. Vide Article 990 of the Civil Service Regulations.

Attention is drawn to No. _____ of the
printed Memo. of Instructions from this office.

In the annual return for 1894, the date
of birth of Sheikh Ahmat Ali and Sheikh
Wahad Ali is shown as 1854 and 1866
respectively, but in their applications
1853 and 1865 are entered. The discrepancy
should be explained.

2. As the Establishment sanctioned
for the working of the steam launch
"Beatrice" was abolished under the same
order of the Board of Revenue; the two
applicants should have been discharged
on the same date. But as one of them
was discharged 12 days after the discharge
of the other, it should be stated why
this period should not be deducted
out of 3 months' notice, in lieu of which
a gratuity is recommended.

Sir,

I have the honour to inform you that the
applications for ^{pension} ~~gratuity~~ of Sheikh Ahmat Ali and
Sheikh Wahad Ali, late Engine Driver and
Fireman of Steam Launch Establishment Kendra,
are being delayed for want of the information
noted in the margin. Where possible your
answer should be written underneath the several
points to which your attention is drawn.

2. The enclosures and your reply should
be returned with the least possible delay.

Routine No. 3746.

the following
Read letter from the Assistant Commissioner
Balasore Sub Division, No 1895, dated 10th
December 1896: —

With reference to
your Proceedings No 3408. Routine,
dated 13th November 1896, forwarding
letter from the Accountant General,
Madras, requesting me to explain certain
discrepancies in connection with the
application for gratuity on behalf
of the engine driver and fireman of
the late Steam Launch Beatrice of
the Kendrapara Circle. I have the
honour to reply as follows: —

Objection

Objection No 1

2. In the Annual returns for 1894 and 1895 the dates of their birth were erroneously shown to be 1854 and 1866 respectively, their age being calculated (as certified by the Civil Surgeon), from the date of opening of the Service books instead of from the dates of their enlistment. The Inspector Kendrapara Circle reports that this discrepancy has been explained by him by a note in the Annual return for 1896.

Objection No 2.

3. As to the discharge of the fireman 12 days later than the Engineer driver, I beg to state that the former had to remain at Calcutta in charge of the launch until her sale, according to the instructions of the Deputy Director, Royal Indian Marine, while the latter was sent back as soon as the launch reached Calcutta.

Hence

Hence the difference.

4. The enclosures are herewith resubmitted."
