2. Explanation as to why a gratuity is recommended ~~when~~ when he is not entitled to it under Article 392 of the Civil Service Regulations.

3. In the annual return for 1886 the date of appointment is shown as 20-3-85, but no such date is traceable in the application. The discrepancy should be explained.

4. If possible, the countersignature of the second medical officer, should be obtained to the medical certificate.

Sir,

I have the honour to inform you that the application for ~~pension~~ gratuity of Jacob Sylva, late peon of the District Forest Office is being delayed for want of the information noted in the margin. Where possible your answer should be written underneath the several points to which your attention is drawn.

Reply.

1. The peon was found absolutely unfit for work as a Forest peon. He could not travel with the District Forest officer while in camp.

R 14/12

He seems to be much older than his avowed age and the District Surgeon too has certified him to be so.

2. Because the peon was in Service before he attained the age of 40 years, without a break in the middle, though the Service did not count. In any case, as his appointment was not questioned in the beginning, it is requested that Government may be moved to waive the objection.

3. The date of appointment shewn in the return for 1886 must be a mistake. The correct date is 20th April 1885 as shewn in the Service book and the application. The returns for 1888 to 1896 shew this date.

4. The certificate has been countersigned
