Sir,

Adverting to your Roc No. 4908/1-10-96 I have the honor to state that M.R.Ry. C. Ramasami Aiyar Sub Magistrate of Vedasandur applied on the 31st August 1896 for permission to retire.

7/15/148

2. After getting his service register he was directed on the 14th September 1896 to appear before the District Medical and Sanitary Officer for examination and production of the required certificate. The letter to the Medical officer was also

also sent through him.

3. The medical officer's certificate should have been dated 29-9-96 and not 29-8-96 which I think is a mistake.

This has been rectified subsequently on ref. from the Audit Office

4. I request you will ascertain whether it is so.

5. As M.R.Ry. C. Ramasami Aiyar was only 47 years of age and as when he applied in June last for one year's furlough the medical officer recommended in July last for 3 months it was not considered that he would be invalidated so early and furnished with a medical certificate. Hence no application for pension was prepared then.

6. I have however directed the Deputy Tahsildar of Vedasandur to prepare and submit the pension application at once. It will be submitted to you on receipt without delay.

Proceedings of the Collector and Magistrate of Madura, dated 12th January 1881.

Read reports of the Sub Collector and Joint Magistrate Madura Nos. A—1 and B—2 dated respectively 27th September 1880 and 4th October 1880 regarding the disturbance which occurred on the 1st September 1880 in Kalayambuthur near Palni, and in which one Head Constable was shot, and also the papers received therewith.

Read also the explanation of the Sheristadar, 2nd class Magistrate of Palni, Ramasami Aiyan, dated 25th November 1880, called for and submitted with other papers.

The Acting Joint Magistrate has in his report No. A—1, dated the 27th September 1880 given the result of his enquiry into the disturbance which occurred near Palni on the night of the 1st September, a disturbance in which Head Constable Kuppu Muttu Pillai lost his life.

2. In this report he points out that there is reason to believe that the Sheristadar Sub Magistrate Ramasami Aiyar out of strong partiality to the party of one Lingammal falsely represented that Kuppumuttu Pillai met his death by a stab instead of by a gun shot wound. This representation tended to cause the party opposed to Lingammal to incur the charge of murder.

3. This Lingammal is the young widow of Mouna Gurusami Naik who died last year; and the confidential information mentioned by Mr. Kough in para 6 of this report, and the bazaar gossips spoken of in para 59 of the Sheristadar's explanation are to the effect that the Sheristadar and Lingammal were in terms of criminal intimacy. It was impossible to get evidence of this matter, as was to be expected when both sides were interested in suppressing it; but it would be affectation to conceal the fact that I have heard it spoken of as matter of notoriety.

1
14
1168

4. I think that Mr. Kough's enquiry makes it quite clear that shots were fired into the Chattram where the Head Constable was lying, and that the Head Constable met his death by a gun shot wound and not by a stab. Of these facts I think that there can be no doubt. It follows that the dying declaration taken by the Sheristadar, his express report to the Sub Collector and the certificate given by the Dresser are all false documents in so far as they misrepresent the cause of the Head Constable's death.

5. The bias of the Sheristadar in favour of Jellipatti Vencatasami Naik the Agent of Lingammal and against Paupenpatti Vencatasami Naik is stated by the Joint Magistrate to be matter of notoriety and I have no reason to believe that it is otherwise. Indeed I once had to repremand the Sheristadar severely for abuse of his powers as a Magistrate of which Paupenpatti Vencatasami Naik complained to me. The presumption seems to me to follow

Sir

In connection with my application for pension I beg to report the following facts

1. I was first appointed on 3d Apl 1871 as a Ver Acctt on Rs 15 unconditionally in the place of one Ramasami Iyer retired on pension. If I am not mistaken the order of appointment was in the hand of the Hon'ble D Arbuthnott, the then Collector. Under the departmental rules then in force the appointment was simply shown as acting pending sanction of pension. I continued in the same appointment till my transfer or promotion to the Forest Hd Clerkship on 9-10-1874; but in the interval, I acted also as an Eng Acctt on Rs 20 my permanent ~~appon~~ post being shown as Ver Acctt on Rs 15 and I drew acting allowance of Rs 2½ & 5 per mensem in addition to my permanent pay.

2. My qualifying service thus commenced from 3-4-71 (vide Art 406 C. S. Regn.) As for the one months suspension (which was on bare suspicion) from 4-10-71 it did not at all entail forfeiture of my previous service, as I virtually held the appointment as a permanent one & I was reinstated in the same post (vide Art 463 of C. S. Regn)

Sir,

In continuation of the Pension application of M.R.Ry K Ramasami Iyer, retired Dy Tasildar of Vedasandoor submitted with this office No Ronl 4908 dated 17 November 1896, I have the honor to report that it is since found out from the Pay abstracts that the individual was first appointed in the place of one Ramasami Iyer retired on pension and that he continued in the same appointment without interruption. The period was shown as acting as the appointment was subject to sanction of the pension application. The period of 1 year 7 months & 12 days from 3rd April 1871 to 14 November 1872 shown in the 2-page of the pension application as non-qualifying service should, under Article 406 C.S.R be taken as qualifying one. The total qualifying service therefore amounts to $\overset{y}{20}-\overset{m}{7}-\overset{d}{9}+\overset{y}{1}-\overset{m}{7}-\overset{d}{12})=\overset{y}{22}-\overset{m}{2}-\overset{d}{21}$. The average emolument being 91-14-11 his pension comes up to Rs 33-11-4 a month & not 30-10-4 as proposed formerly. I therefore request that necessary corrections may be made in the pension application.

Attention is ~~drawn to No. of the printed Memo. of Instructions from this office.~~

1. In the annual returns from 1877 to 79 the date of appointment is entered as 1-7-76, in the returns for 1882 and 1883 as 14-7-81, and in those from 1884 to 1887 as 21-9-83, but no such dates are traceable in the application. The discrepancy should be explained.

2. In the annual return for 1876 the applicant's age is entered as 26. The year of birth should therefore be 1850. But 1849 is the year entered in the application. The discrepancy should be explained.

3. Attention is drawn to No 6(a) of the memorandum of instructions regarding the acting appointments held by the applicant from 1-6-89 and between 3-4-71 and 14-11-72. In calculating the average emoluments, only such acting allowance should be taken into account as was earned by the applicant during the absence of the permanent incumbent on leave without allowances or on transfer to Foreign service. If necessary the memorandum appended should be revised in the light of these remarks

4. The reason for the rejection of the applicant's service from 3d april '71 to 14th Novr

1. C Ramasamy Iyer was appointed as Taluq Sheristadar of Palni in the arrangement made consequent on the death of Seetaramiah Tasildar of Melur who died on 26-2-76. He was appointed to Palni on 10-4-76 and was drawing only acting allowance up to 30 June 1876. He was confirmed retrospectively with effect from 10 April 1876 and the difference of pay was subsequently drawn. Please see the remark in the Service Register. Hence it is that 1-7-76 is not traceable in the history of the Services. The individual was on leave in July 1881 and was not doing duty anywhere. It was in this month that his degradation was cancelled & he was restored to the post of Taluq Sheristadar. The whole of the period relating to his suspension and degradation is shown as service in the Taluq Sheristadar's appointment without any break and therefore the date 14-7-81 entered in the Annual Return

does

Does not appear in the history of the Service. The date 21-9-83 shown in the Annual Returns of 84 & 87 is a mistake for 20-9-83 as he took charge at Madura only on the forenoon of the 20th. It is so entered in the pay bill for the month. The entry in the Service Register also bears this out.

Item (2) The date of birth being 7th September 1869 he is only 26 years 6 months & 26 days on the 1st April 1896. The age therefore is correctly entered as 26 in the Annual list of Establishment as stood on the 1st April 1896.

Item (3) The arrangement in which he held the acting appointments from 1-6-89 was vice R Muthusami Iyer Dy Tasildar of Shevagunga suspended for one year from 28 October 1888 & then reduced to the Dy Tasildar of Nelacottai & that from 3-4-71 to 14-11-72 was in a pension arrangement as already reported in this office Roc 4908/26 11 96 in which he continued without interruption. During both the periods he alone counted service & none else. A revised memo showing the average emoluments earned by the applicant is put up.

Item (4) The period was not originally shown as qualifying since, but subsequently in this office letter No Roc 4908/26 11 96, it was stated that the period should be taken into account. The total qualifying service as now modified will be years 22 months 2 days 21 and the pension comes up to Rs 33-2-11 per month. Necessary corrections in the 1st page of the pension application & in the total of history of service have been made under initials.

Item I From 16-10-91 to 23-11-91, C. Ramaswami Iyer was acting for T. Narayanasami Iyer, Dy Tahsildar of Tiruchuly who was then on privilege leave. did not count service in that post as he retired from public service in continuation of the furlough; but Ramaswami Iyer counted service in that appointment. Ramasami Iyr did not count service in his acting appointment during this period.

Item No 2 The reduction in pay from Rs 40 to Rs 30 was the result of a general scheme for the revision of Forest Estt submitted by the Board in its Proceedings No $\frac{1844}{3\text{-}7\text{-}75}$ and sanctioned by Govt of India in its letter No 1262 d 6-12-75 embodied in G.O No 39* d 11-1-76.
