CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

Submitted to Government. The applicant Entered the Government Service on the 8th February 1865 as 2nd Master Anglo Vernacular School Wallajapett on a salary of Rs 20-0-0 a month, and continued to serve until the 24th August 1873 when under orders of the Head of his Department i.e. the Director of Public Instruction, he was transferred to service under the Madras Municipality for Employment as Inspecting School Master Triplicane Range. He remained in the latter service up to 2nd May 1896 and then retired. The transfer did not come before Government and consequently no contribution on account of pension was paid to Government on behalf of the applicant. In the circumstances the transfer has to be regarded as an interruption entailing forfeiture of past services. But the Director of Public Instruction contends that the applicant was one of the three Government Servants who were appointed as Inspecting School masters for promoting Elementary Education in Madras, that the transfer was not voluntary but made by a Competent Authority on public grounds, and that therefore the applicants service under the Madras Municipality should be admitted towards pension, and that a pension be granted to him for his combined services as was done in the cases of P. Parthasarathi Aiyangar, and Abdur Razak Sahib disposed of in Government Orders quoted in the margin. In the case of the former the combination of the Municipal service with Government service was admitted presumably under the [illegible] in force and in the case of the latter contribution on account of pension was recovered in arrears [illegible] as directed by Government. But under the rules as they stand at present (Articles 861 and 862 of the civil Service Regulations and Government of India letter No. 360 dated 6th November 1890 to Madras Government Local and Municipal Department) the combination is inadmissible. Should Government in the circumstances of the case, and with reference to the last sentence of the note under Article 862 and with the previous sanction of the Government of India, be pleased to combine the two services together, and to admit the marginally noted period of service, which is claimed by the applicant on the evidence of two of his contemporary employes, qualifying service in Superior grades will in all amount to 29 years 2 months and 1 day and will render him eligible for an Invalid pension not exceeding Rs 20-0-0 per mensem equal to 30/60 of his average Emoluments under Articles 485 and 518(b) of the civil Service Regulations.

The character and past conduct of the applicant are recorded as "Indifferent" and it rests with Government to determine what reduction should be made in the amount of pension admissible to him with reference to Article 514 of the Regulations.

The pension that may be sanctioned to him will be chargeable to General Revenues and to the Funds of the Madras Municipality according to the Rule of Proportions.

The delay in the submission of this application is explained by the President Municipal Commission Madras in paragraph 2 of his letter No. 392 dated the 13th October 1896 enclosed.

I, Surgeon Major Geo: L. Walker. M.D, Surgeon 1st District, do hereby certify that I have carefully examined A. V. Parasuramiah, son of A. V. Devary Sastriar. His age is, according to his own statement 49 years, and, by appearance, about 50 years. I consider him to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of Diabetis. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Sir,

In returning the enclosures received with your letter, No 464, dated 29th ultimo, I have the honour to state that A. V. Parasuramayya, late Inspecting Schoolmaster, Triplicane Range, entered Government service on the 8th February 1865, as will be seen from the accompanying copy of letter of the Inspector of Normal Schools and Presidency Division to the Civil Paymaster, No 133 of the 16th idem, and his pay was raised to 30 Rs with effect from the 1st October 1867 in this Office Proceedings No 2089 of the 22 idem.

Answer to query 1.

2. Parasuramayya was in charge of the Anglo-Vernacular School, Wallajapettah from the 6th January to the 14th February 1871 owing to the removal of Varadachari, the late Head master; and was allowed a deputation allowance in Proceedings No 531 of the 29th March 1871. In 1894 he acted as Sub-Assistant Inspector of Girls Schools, Third Range, in the Probationary Class, during the absence on Privilege leave of M.R.Ry. T.R. Venkatarama Aiyar as per Proceedings No 1365 dated 12th February 1894, and did not draw any acting allowance. The entry of Rs 75 in Column 4 of the Service Book needs correction and the memo of Average emoluments also has to be altered accordingly.

3. Leave on Private affairs for eight days from the 3rd to 10th July 1865, granted to Parasuramayya does not appear, either

in

in his service book or application for pensions:

Answer to query 4

4. Parasuramayyahs' transfer to the Madras Municipality was not voluntary, but made by a Competent authority. With reference to G.O. No 972 Financial dated 11th July 1873, approving of the recommendation for promoting Elementary Education in Madras, Mr. Powell, the late Director, was requested in your office letter No 145, of the 22 idem to recommend three persons – two Hindus, an a Mussulman, to fill the posts of Inspecting Schoolmasters; and Parasuramiah was on of the three appointed, vide your letter to M J.J. Fowler, Inspector of Normal Schools a Presidency Division No 149 of the 25th idem. Para 1 of this Office Proceedings No 2045, dat 6th October 1873 is no doubt misleading i asmuch as Parasuramayya is said to have

resigne

resigned his appointment in the Anglo-Vernacular School, Wallajapet, but his resignation not being voluntary he is entitled to the benefit of the Concession in Article 463 of the Civil Service Regulations. Under instructions from the Superior officers he handed over charge of his duties on the afternoon of the 23rd August 1873 and took up the Inspecting Schoolmastership in the Municipality the very next day. There is apparently no break in his service. His transfer from qualifying to non-qualifying service was in the interests of the public service for the promotion of Elementary Education in the Municipality of Madras. It will be seen from G.Os Nos - and 726 Pension Department, dated st January 1879 and 21st June 1890 at Abdur Razzak Sahib, late 1st Assistant Master

Master, Government Madras-i-Azam and P. Parthasarathi Ayyangar, late Inspecting Schoolmaster, Madras Municipality, were allowed pension ~~to~~ on the total period of their service subject to payment of the same in certain proportions. Parasuramayya whose case is quite analogous to theirs, is equally entitled to the benefit of a pension on his total service under Government and in the Municipality.

Director of Public Instruction.

The pensionary contribution of 1/5 pay refd. to in the note for orders applies only to an offr who retains his claims for pension & absentee allowances from Government while serving under the Municipality. But from enquiries made in the A.G.'s office it is found that an offr. like the applicant transfd. to the Municipality resigns all claims to allowances from Govt during leave & so the contribution required is 12 p.c. instead of 1/5 for pension only. - Please see rule 2 on page marked with red tape in the Civil Pen: Code, 1st Edn. C. No. 78.

From The President, Municipal Commission, Madras, d/13 Oct. 1896 No 392.

" – Acctt. Genl. Dated 26 Jany — 1897, No. A.D.J. / 563.

FOR ORDERS.

Please see the Acctt. Genl's report which sets forth the applicant's case fully. In the circumstances therein stated, orders are solicited as to whether the Govt. of India should be addressed, for the combination of the applicant's service under the Madras Municipality with his previous service under Govt. as was done in the case of Parthasarady Iyengar, or for the recovery of the contribution on account of pension in arrears from 24-8-73 to 2-5-96, from the Madras Municipality, as was done in the case of Abdul Razack Sahib. It is not known what penal interest the Govt. of India will fix in this case and whether the Municipality is willing to pay the contribution in arrears. for 23 years; (13½ years + odd @ Rs 7 p.m. + 9 years + odd @ Rs 8 p.m. or about Rs. ~~1998~~ 2013 in all.

I shd. say there is no probability of the Municipal Commissioners' being willing to pay up Rs. 2013; they may be willing to contribute towards the pension sanctioned; the share debitable to municipal revenues is Rs. 16-1-0 per mensem, & the applicant has been invalided for diabetes.

Submitted that the Govt of India shd. be addressed, if on enquiry the Municipal Commissioners are willing to pay their share, i.e. the Municipal Commissioners shd. be addressed first.

The position seems to be that unless the contribution is paid no pension can be paid and also that the contribution must be paid by the applicant for pension himself unless the Municipality will pay it for him. This position is the effect of the note to Art. 862 which directs that except with the sanction of the Govt. of India the Rule of proportions is not to be applied but that service under a Municipality though service paid from an Excluded Local Fund shall be regarded as Foreign Service of the first kind. If the Municipality or the applicant won't pay it it w'd only be just to apply to the Govt. of India to sanction the applⁿ of the rule of proportions when the pension will be charged partly to Govt. & partly to the Municipality.

Find out whether the Municipal Commrs agree to pay the contribution or will bear their share of the pension
