CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Should Government be pleased to accept the medical certificate which is dated one month after the applicant ceased to be a member of the establishment and to admit the period of service noted in the margin claimed in the affidavit of the applicant on the evidence of contemporary employees (a portion of which is also verified from the records of this Office)

From April 1875 to March 1881

1. CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in ~~inferior or~~ superior grades ~~has~~ will been duly proved for 16 years 9 months + 27 days; and ~~that a~~ an Invalid (pension or ~~gratuity~~) not exceeding Rs. 4-0-0 per mensem equal to 16/60th Average Emoluments will be ~~is~~ admissible under Articles 485 & 518(b), 2nd Edition of the Civil Service Regulations. The calculations have been duly verified. ~~The (pension or gratuity) is chargeable to (here specify whether to General Revenues, or to what Fund).~~

2. It will be seen from the history of services on the 2nd page of the application that the applicant has also rendered service in temporary appointments from 7th April '75 to 22nd December 1878. Several references have been made to ascertain whether these appointments became eventually permanent so as to render the applicant eligible for counting service in them for pension under Article 405 of the Civil Service Regulations but neither the President District Board, Kistna nor the Inspector of Vaccination could give satisfactory information on this point. The Inspector of Vaccination is however of opinion that the applicant might be given the benefit of the doubt. Should Government, in the circumstances, be pleased to admit the above period, the whole of his qualifying service will amount to 20 years 11 months and [illegible] days, rendering him eligible for a pension of Rs 5 per mensem equal to 20/60th average emoluments in lieu of Rs 4-0-0 as certified to be admissible to him in the preceding paragraph.

3. The delay in the submission of this application is explained by the President, District Board, Kistna in para 7 of his letter No. 1474/DB dated 4th September 1896.

4. In accordance with Rule 3 under Article 994 (d), the attention of Government is respectfully solicited to Article 514 of the Regulations.

Certified that I have carefully examined M. Paramesam 1st Class Vaccinator son of (Mr. Veyyanna) a . His age is by his own statement 50 years, and by appearance about 55 years. I consider M. Paramesam to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of Heart-disease. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

So far as I am aware, he was neither under suspension, dismissal, on leave on loss of pay; nor was there any break of service of any other kind during those two years. He took privilege leave when his wife deceased. I was as Vaccinator at first. It was on that account only that I know him. I frequently see him afterwards.
