CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Submitted to Government. The applicant was suffering from "Hydrocele" for which he refused to submit himself to treatment as he apprehended that it would result in death. The District Surgeon at Vizagapatam who examined the applicant on the 23rd September '96 declared him to be unfit for further Service. On receipt of the application for the gratuity a succinct statement of the applicant's Medical case was called for and the District Judge was also requested to ascertain from the Medical Officer whether the applicant if he underwent treatment would be fit for further service. The applicant, who afterwards consented to submit to an operation, was again sent to the Medical Officer who after treatment, declared him to be fit for further Service. The application for a gratuity with the connected papers were returned to the District Judge with instructions to reinstate the applicant in his appointment, the period intervening between the date of his retirement and that of his restoration being treated as absence on leave on Medical certificate. In the meanwhile the applicant again went to the Hospital for radical cure, but while under treatment, died on the 24th December '96. The District Judge has resubmitted ~~to~~ the gratuity application with the recommendation, that the applicant should be regarded as having retired from the 24th September '96. In the circumstances, Should Government be pleased to admit the claim, the applicant's Service in Inferior grades will amount to 23 years and 9 days, and will render him eligible for an Invalid gratuity not exceeding Rs 42/- equal to Six months pay under Articles 485 and 524 (a) of the Civil Service Regulations.

Any gratuity that may be sanctioned to the applicant should be made payable to his heirs.

In accordance with Rule 3 under article 994 (b) the attention of Government is respectfully solicited to article 514 of the Regulations.

Submitting application for invalid gratuity of P. Sanyasi Process peon of his Court retired from Service on account of incapacity for further Service as certified by the Medical Officer Vizagapatam.

District Munsiff's Court
No. 743. Chodavaram. Dated 21st October 1896.

From

M. R. Ry
K. Ramalingasastrigaru,
District Munsiff,
Chodavaram

To

E. C. Rawson Esquire,
Ag District Judge,
Vizagapatam.

Sir,

In obedience to Proceedings No. 1092 dated the 19th instant I have the honor to resubmit herewith the gratuity application (revised) of P. Sanniasi, Process Server, with the following amendments and alterations made as pointed out.

1 The spelling of the applicants
7 name is corrected in the application
5 so as to tally with that in the Service
127 Register. In the Detailed statements
of 1891 to 1895 preserved in this Court
his name is spelt 'Sanyasi': the name
is pronounced alike by either mode
of

of spelling the word.

2 More identification marks are now given in the application and they are also entered in the Service Register as directed.

3. The several entries of the Establishment to which the applicant belongs are more clearly set out on page 2 of the application column 1, the words Process server being used for Batta Peon in the application and the Service Register.

4. This Court (now at Chodavaram) was formerly located at Bimlipatam whence it was removed to this place in January 1890 and this fact is noted in the Service Register as well as in the application.

5. The Service Register is rewritten in the unused pages of the Register showing in it all the entries given under the head of (History of Service) on the 2d page of the application some of which do not appear in the

original

original Service Register.

6 & 7. The certificate required under article 991(a) C.S.R is also now added at page 3 of the application as well as the grounds on which the applicant was invalided.

8. The correct mode of Calculation pointed out has been adapted so as to leave no room for difference in the length of service as shown in the application at page 1 no. 8 and page 2 (history of service).

9 & 10. The correction in the date of the applicants 1st appointment in the Service Register is now initialled, the entries in columns 6 & 10 (date and termination of appointment) at pages 2 & 3 of the Service Register were already attested or initialled by the then presiding Officer.

11 The amounts of Several items marked both (a) & (b) & noted

in

in the Service Register under the general heading "Fines" were shown in the Acquittance Rolls under the column of 'Fines and Stoppages.' From the entries, as they are, I understand that those marked (a) were fines and that the items marked (b) which represented a days' pay of the Process server probably stopped for absence or late attendance &c were also treated as fines; but there is no record now to ascertain the exact nature of the deductions in question.

12. The name of the station from where the application is sent is now given at page 1 below.

13. The Detailed Statements preserved in this Court are only from 1891 to 1895, those previous to 1891 having been destroyed under the rules. The history of Service on page 2 of the application is checked with these available statements.

14. The alterations were made in red-ink and initialled.

15. The Service Register, the application together with a revised one and all the enclosures are resubmitted.

2. As regards the entertainment of the applicant when he was 30 years old contrary to article 63 Civil Service Regulations, there is no record to show why there was a deviation from the rule

rule; but I think that concession was allowed for special reasons in his case as well as in the case of his contemporaries who were attached to this court as process-servers from before the salary system was introduced in 1873. A statement taken from the applicant (with its English translation) is also herewith submitted.

In the District Munsiff's Court of Chodavaram.

Statement submitted by Puttepu Sanniasi, process server of your Court.

I was entertained as Batta peon in the District Munsiff's Court of Bimlipatam when I was 23 years old. Till 14th September 1873 I used to serve processes and receive fees (process) at the end of every month. From 15th September 1873 salary was fixed at Rs 6-.-. per month to all peons including myself who were serving processes: As I was in employ from before the salary scale was introduced I was appointed a process server along with others though my age was then 30 7/12 years.

I was not one that entered the service newly on 15th September 1873.

Sir,

Referring to the District Court's endorsement No: 1237 of the 24th instant on the Accountant General's letter No $\frac{ADk}{418}$ dated 20th November 96, I have the honor to submit that immediately after the receipt
7 of the endorsement I addressed the District

for

on which two points among others being called for by the Accountant General. The process Server was also sent to the Medical officer for examination if necessary. The District Medical Officer's replay received on the 29th November (Sunday) and added to the enclosures of the gratuity application seems to sufficiently cover the information called for in No: 1 of the Accountant General's letter (margin).

2. The date of ending of the applicant's qualifying service is corrected on the 2d page of the application as directed and also in other places of the application and in the Service Register.

3. As regards the discrepancy in the date of applicant's appointment said to have been shown as 16-8-73 in the annual returns from 1880 to 1888, office copies of which were destroyed in this Court, I beg to submit that the date 16-8-73 was also first put down in the Service Register of the Applicant but it seems to have been since corrected into 15.9.73 at the time of the first verification of the Service Registers. The Acquittance Roll (which is partly defective) of the Process Establishment for 1873 shows that Salary System was first brought into force from 15th September 1873 and after the verification of the Service Registers in about the end of 1888, the corrected date 15.9.73 seems to have been put down in the subsequent Annual returns.

4. The gratuity application

together with its enclosures, the Accountant General's letter and the District Medical Officer's letter above referred to are herewith resubmitted.

Sir,

I have the honor to submit herewith the application† of Outtepu Sanyasi late a process Server of this Court to re-admit him in Service as his complaint was cured by the District Surgeon Vizagapatam.

† application dated 30.11.96.

2. The papers of this process Server relating to his gratuity are now pending disposal before the Accountant General to the Government of Madras. He was retired from Service on the first

first

first †Certificate of the District Surgeon on 12-10-96 in consequence of Hydrocele for which the process Server had then refused treatment.

† First Certificate dated 23.9.96

3. From the second medical Certificate of the District Surgeon dated the 28 November 96 it is apparent that the process Server was suffering from a large Hydrocele from which 4 pints of fluid had been since removed. Looking to the size of the Hydrocele and his age (53 years) I respectfully submit that he had reasonable grounds to apprehend that it would result in death if he submitted himself to an operation; so his first refusal to be treated cannot be said to be due to any misconduct or disobedience of orders on his part. I therefore humbly recommend that he be re admitted into Service and restored to his place, the intervening period being counted as leave on loss of full pay. When he is unable to discharge his duties he will be sent into Hospital for permanent cure again. The District Surgeon in his second medical certificate reported that "the process peon now consents to submit to an operation and to come into Hospital for the purpose. He should, after this, be fit for further Service".

I regret that this letter could not be got ready to be sent along with the process Server's gratuity papers submitted yesterday.
