Memo to accompany the Application for pension of Nadella Subbarayadu.

(1). Services from 13-6-72 to 30-9-80 have been treated as permanent as they have been shown in the service book as "Substantive permanent" and the verification Statement from the Godaveri Western Division does not contain anything to the contrary. It is believed that the Clerk was transferred to the temporary establishment with a lien on his Substantive Appointment. It appears also, from the authenticated Copy of Superintendent of works Circular No: 348 of 4-5-80, herewith sent, that provision had been made in the budgets of years previous to 1880 for the petty establishment and that is another reason to regard the period as permanent.

The Executive Engineer Godaveri Western Dn, has remarked in the verified Statement of Services that his name was not found in the acquittance rolls.

rolls. If this period can be verified from the records in the Examiner's office, necessary correction in the application may be made. It is, however, possible that his pay for the period was charged to works vide letter No. $\frac{1410}{19\text{-}8\text{-}80}$ from the Superintendent of works. Godaveri.

3. Previous to joining the D.P.W., N. Subbarayudu had been, from 1st August 1858 to 16th February 1867, for a period of 8 years, 6 months and 16 days, employed in the permanent establishment of the Madras Revenue Survey Department, and the Clerk claims that this service also may be taken into account in determining his pension. But, as the Clerk appears to have resigned his appointment from 17th February 1867, vide extract from his Service Register and Superintendent's letter No. $\frac{999}{M}$ dated 18-6-96, thereby forfeiting his past service under C.S. Regulations Article 460, this period of service has not been included in the application.

Sir,

With reference to your Endorsement No. 1561 G.D dated 26th October 1896 on letter No. 7548 dated 16th idem from the Examiner P. W. accounts to your address returning for further information the pension application of N. Subbarayudu, I have the honor to state as follows:-

2. Para 2 of the Examiner's letter:-
The verification statement of Service signed by the Executive Engineer Godavari Western Division did not show that pay for the period of 13th June /72 to 28th February /75 was charged to Estimates, but shows that the period from 13th June 1872 to 30th June 1873 as Substantive permanent; the period from 1st July 1873 to 30th April 1874 as temporary and the period from 1st May 1874 to 31st March 1880 as permanent. His delegation to the temporary Establishment was with lien on his permanent post of Petty Establishment Writer & the whole period from 13th June 1872 to 31st March 1880 was treated as period reckoned as Service. The period from 1st March

March 1875 to 30th June 1878 was treated as permanent service on the strength of the verification statement from the Western Division irrespective of the record as "temporary" in the Service book.

3. Para 3 of the Examiner's letter:-

There is nothing on record to show that the applicant was allowed to retain a lien on his permanent appointment from 1st October 1880 to 31st March 1881. If it pleases the Government the period may be condoned

4. I would also recommend under article 465 ii of C. S. R. that the Government may be pleased to condone interruption in the applicant's service of 8 years, 6 months and 16 days in the Revenue Survey Department from 1st August 1858 to 16th February 1867, as the pension proposed does not exceed Rs 50/. per month and it is a Provincial charge. It is very hard upon the applicant, that he should be deprived of the long period of service of 8½ years under Government.
