4. Explanation under Article 469 so far as the Head of the Office can give it.

certified that qualifying service in superior grades has been duly proved for 29 years 4 months and 23 days and that a Superannuation Decision not exceeding Rs 17-8- per month equal to ³⁰ the average emoluments is admissible under Article 502 and 518(b) of the Civil Service Regulations 2nd Edition.

The calculations have been duly verified

2. The applicant enjoyed Privilege leave for 11 days from 15 to 25 June '85. The grant of the leave was irregular as he was not entitled to it not having been in continuous service for 11 months from the date of his return from sick leave viz 10 September '84. It rests with Government to decide whether or not the leave allowances irregularly drawn by him should be recovered from the pension that may be sanctioned to him.

3. Apart of the applicant's pensionable service was paid from Provincial Revenues and a part from Local Funds. But as the proportionate share of his pension debitable to the former is less than a fourth of the whole pension, no portion of the pension will be debitable to that Head and the whole amount will be chargeable to Local Funds. Vide article 860 of the Civil Service Regulations.

4. The delay in the submission of this application is explained by the President District Board being kept in a separate memo attached to the pension application.

5. In accordance with Rule 3 under Article 994(b), the attention of Government is respectfully solicited to Article 514 of the Regulations.
