Order 17 March 1897 No. 222.

The Govt. regrets that it cannot accept as adequate the explanation submitted by the Presd. of the Dist. Bd. with ref. to para 2 of the G.O. read above. The ~~gross~~ ^{excessive} delay in the sub-
-mission of the pension officials in this case appears to have been chiefly due to the neglect of the officers concerned to comply with the stringent orders of Govt. regarding the verification of service registers. From the service register submitted it would seem that the applicant's services were never verified until after his retirement. The Presd. of the Dist. Board will be requested forthwith to take

Issued 1/15/97

such measures as may be necessary to prevent the occurrence of such discreditable delays in the future. His particular attention shd. be devoted to seeing that a thorough verification of services is carried out in the case of all permanent employes under the Dist. Board, whose service qualifies for pension.

2. The Govt. further observes that part of the delay noticeable was apparently due to want of care in the District Board's office. The papers had been returned on more than one occasion to the Dist. Medical & Sanitary Officer, before the want of a last ~~pay~~ ^{2nd} pay certificate attracted notice in the President's office & necessitated a further reference which shd. have been embodied in the first letter addressed to the Dist. Medical & Sanitary Officer.

FOR ORDERS.

The applicant was invalided on the 24 Sept. 1895, and his pension papers were not submitted to the Acct. Genl. till the 15th June 1896 or for nearly 9 months after his retirement. In explanation, the President, D. B., says that the pension papers were first received in his office on the 30th Sept. 1895, but were returned to the D. Med. & Sanitary Officer on the 7th Oct. following for supplying certain omissions. They were resubmitted to the President on the 16th Decr 1895, and were then - on the 25 Jan^y 1896 - forwarded to the Treasury Dy. Collector for verification. On the 21st Feb^y 1896, they were again returned to the D. Med. & San. Officer for explaining certain discrepancies pointed out by the Treasury Dy. Collector. On the 15 April 1896 they came back to the President. On the 20th April they were sent back to the D. Med. & San. Officer for the third time for want of last pay certificate, and they returned to the President on 5th May 1896. The papers reached Govt. on the 7th Decr 1896, and the delay from June to Decr 1896 is ascribed to the time taken in getting copies of judgment in a certain case brought against the applicant before the Genl. Dy Magistrate, Cuddapah.

Please see pay flags. D. B. The applicant's services were verified on the 20th Feb^y 1896. His services should, it is submitted, have been verified while he was in the service.

and not after his retirement. It is also submitted that the President should have called for the Lost the Certificate in the first instance, & not on the 26 April 96, when the papers came back to him for the 3^d time.

Medical & Sanitary Officer below the A.G.; memo was sent on the 4th July, 1897, when it was retained until the 30th October. — The time taken in procuring a copy of the judgment does not explain this for the application for copy was dated 27th August & complied with on the 18th Sept.

With this office letter No. 4072 dated

3. Subsequently the pension application
of the Vaccinator under reference
was returned to this office on 20th
April 1896 and the same was
forwarded to the Deputy Inspector
of Vaccination, Siddhavatham,
with this office No. 1199 dated 22nd
April 1896 directing him to attach
a last pay certificate to the
application. He, in accordance
with the instruction given, returned
the pension application with the
required last pay certificate
on 2nd May 1896. It was resubmitted
to your office on 3rd May 1896 with
this office endorsement No. 1341 dated
8th May 1896 on letter No. 15 dated
30th April 1896 from the Deputy

Inspector of Vaccination, Sidhavantam.

4. Again the pension Application of the Vaccinator was returned to this office on 7th July 1896 with your office No. $\frac{1580}{483}$ dated 6th July 1896 with the request to furnish the information called for by the Accountant General No. $\frac{A.O.K}{167}$ dated 18th July 1896. It was forwarded to the Deputy Inspector of Vaccination with this office No. 1989 dated 9th July 1896 to comply with the request that the Accountant General as the Deputy Inspector prepared the Pension Application.

5. The Deputy Inspector of Vaccination in his letter No. 64 dated 5th August 1896 which reached here on 8th August 1896 applied to the Vice for copies of correspondence

to comply with para 3 of the Accountant General's letter No. $\frac{A.O.K}{167}$ dated 18th July 1896. After a careful search in the records maintained at this office the Vice President Wistick Board, Cuddapah was requested in this office letter No. 2371 dated 18th August 1896 to furnish this office with copy of your letter No. 1889 dated 13th September 1887 and also with a copy of the judgment referred to in the above said letter. In response to the above quoted letter the Vice President Wistick Board Cuddapah informed me that he is not in possession of the judgment required but forwarded only the true copy of letter No. 1889 dated 13th September 1887 on the 25th August 1896.

On 27th August 1896 a reminder was sent to the Deputy Inspector of Vaccination, Sidhavaitham, to have the pension Application ready for submission to the President District Board Cuddapah. On the same date, Application was made to the Deputy Magistrate Sidhavaitham for a Copy of the judgment in which the Vaccinator was acquitted in the trial brought against him and a reminder was also sent to the above officer on 18th September 1896.

addressed to the then District Magistrate of Cuddapah to be enclosed to the Pension Application. The Vice President District Board informed that the copy of the above mentioned in his letter No. 836 dated 30th September 1896 that the copy of the above mentioned endorsement is not forthcoming in your office.

7. On 5th October 1896, the District Magistrate of Cuddapah was addressed in this office letter No. 2790 dated 5th October 1896 to furnish this office with a Copy of endorsement No. 321 dated 11th March 1887 from the President District Board, Cuddapah. On 14th October 1896 the District Magistrate of Cuddapah informed this office in his letter No. 849 dated 9th October 1896 that the paper in question was destroyed as

as it records.

8. After procuring all the correspondence required to be attached to the Pension Application, my predecessor forwarded the papers to the Deputy Inspector of Vaccination, Sidhaurtham, on 16th October 1896 to enable him to remove the objection raised by the Accountant General.

The Deputy Inspector of Vaccination at last on 23^d October 1896 resubmitted the Pension Application of 18th class Vaccinator C. Agis Khan fully furnishing the information called for by the Accountant General.

Finally the Pension Application was submitted to your office with this office letter No 3014 dated 25th October 1896.
