8th March 1897

His Excellency the Right Honorable
the Governor in Council,
Fort Saint George, Madras

The humble petition of H. Varada
raju Mudali, pensioned Reti
Examiner of Paper Currency Dept.,
Madras.

Most Respectfully Sheweth,

That His Excellency the Governor
in Council in reply to his humble petitioner's
petition dated 25th June 1894 praying for an
increased rate of pension has in No: 1135
dated 14th September 1894 ordered that the
Government is not prepared to recommend
any increase of his pension

2. That your humble petitioner
now begs to re-submit his application for
reconsideration of his case and to state
that he was employed in the Paper Currency
Department, Madras, on a responsible duty
from 15th January 1877 to 13th February 1894.

3. That your humble petitioner
was Certified by the Medical Board to be
unfit for further service owing to deafness and
short sight and thus Compelled to retire on
a small pension of Rs 11-5-4 being 75% of
his average emoluments with effect from
14th February 1894 (Vide G.O. No 423 dated
11th April 1894).

CHIEF SECRETARY
GOVERNMENT OF MADRAS
10 MAR 1897

4. That your humble petitioner begs most respectfully to submit that the duty he has performed is a very responsible one in comparison to the other appointments, and that therefore he was in addition required to deposit cash security, the appointment being a monetary one and that he faithfully continued to discharge the duty for a period of 17 years.

5. The petitioner got the short-sight as the duty he was discharging was one which always required close, steady and continued examination and deafness as he was obliged to forfeit his tiffin on most of the days when his business usually continued till late in the evenings. But the case of Murgesa Mudaliar may be of the same nature but your humble petitioner respectfully begs to mention that the nature of duty he was discharging may not be a monetary one involving such responsibility and risk.

6. That your humble petitioner, having entered Government Service in 1871 long before the new rules came into force and being hardly able to support a large family on a small pension of Rs 115.4 in these hard days of scarcity and distress, humbly craves that his case may be reconsidered and his petition forwarded to the Government of India with its recommendation for the grant, under the old rules rule 2 of article 7.a of the Civil Service Regulations, of an increased rate of pension of $\frac{1}{3}$ of his average emoluments i.e. Rs 13.5.4 with

with effect from 14th February 1894 as is done
and granted in many Cases.

For which act of kindness
and benevolence, your humble petitioners
shall ever pray.
