The applicant commenced service on the 12th Nov. 1873 as a peon Rs 5 in the office of the Deputy Inspr. of Schools North Malabar. On the 4th Decr. 1878 he was transfd. as a peon on the same pay to the Govt. Normal School, Tellicherry & on the 1st April 1887 he was again transferred with the Normal School to the Dt. Board. On the 7th Sept 1887 he was transferred from the Board Normal School to the Mappilla Normal School at Tellicherry – a purely Dt. Board institution. The A.G. says that it is doubtful whether under clause 2 of Art: 849 of the C.S.R. the applicant can ~~count~~ carry with him his pensionary rights wherever he may [illegible]

c-13-3-97.

of Public Instruction contends that under G.O. $\frac{238 L}{28.1.89}$ the applicant carries with him his pensionary rights to all the Schools to which he may be transferred whether of Local Board or Municipality.

The A.G. adds that the point, however, is not worth raising unless the Govt. considers the claim unreasonable, for, it has the power, under clause 3 of art: 849 C.S.R., to bear the cost of the whole pension. For orders as to whether the application may be entertained. If entertained, the applicant's qualifying service in inferior grades will in all amount to 16 years, 6 months & 9 days, entitling him to a Compensation gratuity of Rs 25/- under art: 468 & 524 (a) of the C.S.R.

The applicant was thrown out of employ on the 1st Sept 1891, but he petitioned the D.P.I. for the retiring allowance due to him only on the 7th Feb 1894.

to the Inspector of Schools Western circle on the 20th idem. The Inspr. replied on the 7th June 1894. Further information had to be called for by the D.P.I with respect to certain discrepancies & defects noticed in the Service book & the pension applicn. Notwithstanding the several reminders sent to him in 1894 & 1895, the Inspr was not able to send the revised applicn. till Feb 1896. This long delay the Inspr ascribes to the Asst: Inspr & the President Dt. Board, Malabar, and to the applicn. for gratuity having had to be referred to the several officers for the necessary information. The delay from March 1896 to Feb 1897 was due to correspondence between the A.G. & the D.P.I for further inform.n

The only explanation was

"It will be observed from
"the enclosed papers that the
"delay in the submission of
"this applicn. is partly
"owing to the Asst. Inspr.
"& partly to the Presdt. Dist
"Bd, Malabar." – It is highly probable that the Inspr. failed to remind these officers of their delay in replying. – The case appears to have been more complicated than usual, however.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

submitted. The applicant commenced service as peon of the office of the Deputy Inspector of Schools, North Malabar in November 1873. He was subsequently transferred to the Government Normal School at Tellicherry, and was on the 1 April 1887, transferred with the institution to the District Board. On the 7 September 1887, he was transferred from the Board Normal School to the Mappilla Normal School at Tellicherry which was purely a District Board institution. Now the question for consideration is whether the concession granted in clause 2 of Article 849 of the Civil Service Regulations can be held to apply to officers of the above class or only to those who having originally been transferred with a Government School to a District Board or a Municipality may be subsequently transferred to schools of the same character. The Director of Public Instruction contends that under G.O No 2382 dated 25 January 1889, an officer whose name is borne on the Establishment of a Government School at the time of its transfer to a Local Board or a Municipality carries with him his pensionary rights to all the schools to which he may be transferred, whether of Local Boards or Municipalities. But I am doubtful whether the clause above quoted contemplates that an officer who is transferred with a Government School should retain his rights to pension wherever he may subsequently serve. The point however is not worth raising, unless Government consider the claim unreasonable, for it has the power, under clause 3 of article 849, to bear the cost of the whole pension. Should Government in these circumstances be pleased to entertain the application and to admit the applicant's service from 1 to 20 January 1878 claimed in his affidavit, his qualifying service will in all amount to 16 years, 6 months and 9 days and will entitle him to a Compensation Gratuity of Rs 25 equal to 5 months pay under Articles 468 and 524(a) of the Civil Service Regulations.

Flagged D

The delay in the submission of this application is explained by the Director of Public Instruction in his letter No 4009 dated 30 March 1896 accompanying.

In accordance with Rule 3 under article 994(b), the attention of Government is respectfully solicited to Article 514 of the Regulations.

Therefore the petitioner humbly requests your honor may be graciously pleased to grant him gratuity for which he is entitled in consideration of his past services as may be seen from his Service book. For which act of kindness and charity the petitioner shall as in duty bound ever pray.

The Government Mapilla Normal School Tellicherry in which he was employed as peon having been closed on the 20th May 1890 Kelu Nayar ceased to be a Government servant from that date. The Preparatory Normal School Tellicherry is a Local Fund institution. It appears to me that Kelu Nayar can count service for gratuity from the 12th November 1873 to 20th May 1890. The application for gratuity together with the applicant's service book is herewith forwarded.

To
The Assistant Inspector
of Schools,
9th Division.

Sir,

In pursuance of your memo $\frac{\text{no. } 426 \text{ m}}{6/3/95}$, I have the honour to return herewith the pension papers called for. A fresh application ~~as~~ required in your Endorsement $\frac{\text{no. } 1491}{6\text{-}9\text{-}94}$ I have not submitted herewith for the following reasons. The call for the papers is very urgent, and it is not plain from the above memo that I may wait till a fresh application is ready, which is delayed for reasons stated in my letter $\frac{\text{no. } 393}{10/12/94}$, and that $\frac{\text{no. } 57}{6/3/95}$ submitted through the Sub Assistant Inspector, Moplah Schools.

In so doing I beg to state, by way of rendering assistance towards speedy preparation of the application, that the discrepancies pointed out in Director's Proceedings $\frac{\text{no. } 7539}{14/8/94}$, in so far as they were discovered on comparing the application already submitted with the Service-Book, are explained by saying that the entries in the latter are correct, while the corresponding entries in the former are clearly clerical errors;

for in the preparation of the application, information was sought for only in the Service Book.

The other errors are (1) 7th Sept 1887 being put down as the date of termination of appointment in Govt Normal School, Tellichery as well as that of beginning service in the Moplah Normal School, (2) the omission of the date of termination (viz 20th May 1890) of the appointment in the Moplah Normal School, Tellicherry, and (3) the omission to note the appointment, if any, held by Kelu Nair, while on leave from the 26th Sept to 1st Nov. 1888. These have to corrected and supplied by the Sub Assistant Inspector, Moplah Schools.

In Conclusion I beg that you will be pleased to call upon the said Sub assistant to submit Kelu Nair's service Book direct to you, which is not returned yet by him, a circumstance which has chiefly contributed to the Cause of the delay in the submission of the papers.

With reference to your memo No. C/34 / 12/3/94, I have the honour to state that As required in Director's Proceedings No. 7539 / 14/9/94 I herewith submit a fresh application in the prescribed printed form correcting the errors that crept into the application referred to therein. As to the entry of 7th Sept 87 being the date of termination of the appointment in Govt Normal School, Tellicherry, as well as that of ~~beginning~~ joining the Moplah Normal School, Tellicherry, the Sub assistant Inspector, Moplah Schools explains it in his letter No. 94 D / 9/3/95. The date of termination of appointment in Moplah Normal School, Tellicherry viz 20th May 1890 has been noted and attested in the Service Book by the Sub Asstt Inspr Moplah Schools. While on leave during the period extending from 26th Sept to 1st Nov 88, no appointment, the applicant says, was held by him.

As regards other things required in the same proceedings. I have to state that I have no information on the points except the hint given in your memo under reference, to wit that Kelu nayar's service in the Local Fund Counts for pension till he ceased his connection with the Preparatory Moplah School, Tellicherry, as he had been transferred to the Board along with the establishment of the Govt normal School, Tellicherry.

Sir,

In returning herewith your endorsement no. 367 M/28/2/95, I have the honour to state as follows with reference thereto as well as to that no. 368/28/2/95 forwarded therewith.

I would long ere this have been able to submit the application for pension in question, had certain entries in the applicants service book, all relating to his service in Moplah schools, not ~~more~~ now in existence now, been duly verified or got verified by the Sub Assistt Inspector of Moplah Schools. The request for it was conveyed to him in my letter no. 299/17/9/94. In reply to it he stated that the information necessary for the verification of the entries could not be traced on the records of his office and directed me to refer them for verification to the Headmasters, Moplah Preparatory School, Tellicherry, and the Moplah Normal School, Calicut. Accordingly I forwarded the applicant's Service Book to the Headmaster, Moplah Preparatory School, Tellicherry. He immediately submitted it to the Sub Assistant Inspector, Moplah Schools, who has not returned it yet.

These circumstances, which have occasioned the delay, and are prolonging it, I have already brought to your notice in my letter no. 398 10/12/94. I was therefore led to the belief that no comment need be made on Kelu nair's petition.

After the submission of that letter I had been expecting that I would get the entries referred to speedily verified, or be told how to prepare the application in case those entries could not be had verified. But I was disappointed in my expectation. Now that the call for the application is very urgent, I have to request that you will be pleased at your earliest convenience to give orders to the Sub Assistt Inspector, Moplah Schools to expedite the return of the Service Book under reference, w

2 The entry 7th September 87 as the beginning of service in the Mappila Normal School Tellicherry seems to be correct, since Kelu Nayar most probably had joined the duty in the school on the very date he left Govt Normal School Tellicherry, both the schools being in one and the same station and in as much as the Hd master Normal School Cannanore and the Sub Asst Inspector of Map Schools have as may be observed from the Service Register itself already certified, with reference to the acquittance Rolls kept by them, to the effect that on the 7th Sept 87 the services of Kelu Nayar terminated in Govt Normal School Tellicherry and that on the very same date his services were commenced in the Mappila Normal School Tellicherry.

Sir,

With reference to your endorsement no. 5770/27-8-94 herewith returned, I have the honor to submit the accompanying pension papers of peon Kelu Nayar and to state that for want of records I am myself unable to make any observations regarding the peon's services or the entries in the Service Book.

2. As to the unusually long delay in resubmitting the papers I beg to report the following facts.

3. The endorsement under reply was received in my office on the 5th September 1894 and was forwarded to the Head Master, Tiruvangad School on the next day in no. 149 M/6.9.94. The Head Master addressed the Sub Assistant Inspector of Mappila Schools in his no. 299/17.9.94 and requested certain information. The Head Master addressed

a reminder on the 16th October and received the Subassistant Inspector's endorsement dated 25th October 1894, No. 1414 S. On this the Head master wrote to the Master in charge of the Mappila Preparatory School Tellichery, who in his turn forwarded the paper (Service Register) with the Head master's letter to the Subassistant Inspector of Mappila Schools on the 3rd Nov '94. From that date up to the 11th March 1895 the papers remained in the office of the Sub-Assistant Inspector of Mappila Schools unnoticed though he did know the matter was of an urgent nature. It was only on the 28th February '95 that I came to know through the Head master Tiruvangad School that the papers were in the office of the Subasst Inspector of Mappila Schools and I issued ~~the~~ ~~following~~ urgent reminders to the Subassistant and to the Head master as detailed below.

Subassistant - Nos $\frac{371\ M}{28 \cdot 2 \cdot 95}$, $\frac{427\ M}{6 \cdot 3 \cdot 95}$ & $\frac{442\ M}{8 - 3 - 95}$

Headmaster. Nos $\frac{367\ M}{28 \cdot 2 \cdot 95}$, $\frac{368\ M}{28 \cdot 2 \cdot 95}$, $\frac{426\ M}{6 \cdot 3 \cdot 95}$ & $\frac{443\ M}{8 - 3 - 95}$

On the 11th March I received Mr. Muhammad Khan's letter No. $\frac{94\ D}{9 \cdot 3 - 95}$ with the Service Register and on the 12th, the Head Master Tiruvangad School returned the Inspector's endorsement $\frac{5770}{27 \cdot 8 \cdot 94}$ but without the revised application called for by the Director. I had therefore to return all the papers to the Head master with my No. C/34 dated the 12th March. The Head-Master's letter No. $\frac{71}{16 \cdot 3 - 95}$ submitting the revised application was received in this office on the 21st March; but on account of the very urgent and heavy work of Supplemental Certifying memos, utilization of savings under other heads of Budget before the Official Year closed and on account of the Conference in connection with the D & E lists, the subject was unavoidably delayed in this Office from that date (the 21st March 1895).

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

(Through the Accountant General)

SIR,

I have the honour to submit for favourable consideration an application for Compensation gratuity on behalf of Kelu Nayar, formerly peon, Preparatory Mappilla Normal School, Tellicherry, together with his service book.

2. Under G.O. No. 673, Local Fund, Financial, dated 17th June 1886, the Government Hindu Normal School at Tellicherry was transferred to the District Board with effect from the 1st April 1887, and Kelu Nayar, who was then on the menial establishment of this institution, carried with him his pensionary rights to all the Schools to which he was transferred. Vide G.O.s No. 238 L and No. 19 L, dated 25th January 1889

Ed. Cor.
15 (b) 1,500—17-11-94.

and

and 8th January 1890

3. Kelu Nayar was thrown out of employment on the 1st September 1891 when the District Board dispensed with the services of the peons attached to the Tellicherry and Malapuram Preparatory Mappilla Normal Schools – vide its Resolution dated 17th August 1891. Subsequently in December 1891 he secured employment as sweeper in the Brennan College, Tellicherry; but the Chairman, Municipal Council, Tellicherry, declined to consider him as a Government servant transferred to the Municipality.

4. It was only on the 7th February 1894 that Kelu Nayar applied for gratuity through the Headmaster, Municipal Lower Secondary School, Tiruvangad. His application was referred to the Inspector of Schools, Western Circle, on the 20th idem. In this office Proceedings No. 7539, dated 14th August 1894, copy enclosed, further information had to be called for with respect to the discrepancies and defects noticed in connection with his Service book and his pension application. Notwithstanding the several reminders sent to him in 1894 and 1895, the Inspector was unable to submit a revised application with the particulars required earlier than last month. This long delay is reported to be partly owing to the Assistant Inspector and partly to the President, District Board, Malabar, whose letter of 22nd January 1896 No. 71 L.7/Dis, replying to the Inspector's reference dated 19th April 1895 is submitted. It will be observed from the enclosed correspondence also that the application for gratuity has had to be referred to the several officers for the necessary information. The pension application as finally revised by the Inspector and others submitted herewith being still incomplete, a fresh application has had to be prepared in this office.

SIR,

I have the honour to inform you that the application for ~~pension~~ gratuity of K. Kelu Nair, late peon, Preparatory Mappilla Normal School, Tellicherry, received with your letter No. 4009 dated 30-3-96, is being delayed for want of the information noted in the margin. Where possible your answer should be written underneath the several points to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,
Sir,

Chief Superintendent.

1. It is not clear from the information now furnished whether the whole of the applicant's service or only a portion thereof has been verified from office records such as pay bills acquittance rolls &c. This fact should be clearly explained in the "remarks" column in the 2nd page of the application. If only a portion of the service is verifiable from office records, an affidavit from the applicant and the evidence of his contemporary employés should be obtained and submitted in support of the remaining portions of his service. Vide 11(c) of the printed memo of Instructions from this office.

2. The explanation given against No. 4 in the 3rd page of the application is not sufficient. Vide article 469 and 471 of the civil service Regulations

and No. 7(C) of the printed memo of Instructions from this office.

3. The information required in No. 7(C) of the memo above referred to, should also be submitted in respect of the applicants' appointment abolished on 20 May 1890.

4. The Mappilla Normal Schools at Calicut and Tellicherry being Board Schools service rendered in them cannot under the Local Fund rules, count for pension. Those schools did not originally belong to Government and therefore the ~~Commission~~ Concession granted by Article 849 of the Civil Service Regulations would seem to be inapplicable to employees in them even as to proportionate share by the several bodies as contemplated in this office letter No. 3560 dated the 20 November 1888 embodied in Government Order No. 238 L, dated the 25 January 1889 Local and Municipal. It should therefore be explained under what authority the services rendered by the applicant in those schools were admitted towards pension. If the admission was based upon any precedent, it is requested that it may be quoted.

True Translation

Affidavit by K. Kelu Nair, Ennwarjad Amsom, Calicut Taluk, submitted with reference to the A.G.'s No. $\frac{ACR}{234}$ of 22nd July 1896.

In 1873 When the district of Malabar was subdivided into two Ranges, Northern & Southern, I was appointed permanent peon under Mr. R.R. A. Subba Rau then permanent deputy Inspector Northern Range. When the officer went on leave, I was peon under Mr. R. Ry Mannu Ayyan, Headmaster Govt. School Cannanore, who was made to act for Mr. R.R. A. Subba Rau. Afterwards I served under Mr. R. Ry Sundaramayyan, Hd. Assistant Taluk School Tellicherry, who was made to act as deputy ~~Ins~~ Inspector, and then under Mr. R.R. A. Subba Rau, 2nd permanent deputy Inspector, &c. now Assistant Inspector West Coast Division. When I was thus serving under

Mr. A. Subba Rao, I was transferred on promotion at my own request as peon under Mr. J. M. Hensman, Headmaster of Zillah School Tellicherry, but when one of longer service applied for this place, I was made to revert to the place of peon under Mr. R. A. Subba Rao. It was afterwards in 1878 that I was transferred to Govt. Hindu Normal School, Tellicherry.

I do not remember the exact dates of my transfer to and fro.

(Sd) K. Kelu Rao

I hereby solemnly declare that all that is stated above is, to the best of my knowledge, true.

To

The Assistant Inspector

Sir,

1. In compliance with your endt. M. No. 5685/4573 8/9/96 forwarding with Kelu Nayar's application for pension among other connected papers Accountant General's No. A O 10/234 d 22nd July 96 for compliance, I have the honour to state as follows with reference to the 1st item of information noted as called for in the margin.

2. The applicant's service from 1st Dec. (a mistake for 4th Dec.) 1878 to 31st August 91 appears from the service book to have been verified from the office records.

3. The portion of service that does not appear to have been so verified is that extending from 21st Nov. 73 to 3rd Dec. 78.

4. But during this period he was in the office of the Deputy Inspector, North Malabar, except during the short interval of a little over 8 months from 6th October 77 to 20th June 78. Though the dates of commencement and termination are not given, this fact is testified to by the then Deputy Inspectors, the late Mr. N. Subba Rao, and yourself in the testimonials granted to the applicant, true copies of which are among the papers returned herewith. The applicant says the attestation of the entries relating to this period was made by Mr. Sundreswara Aiyer on the strength of the respective statements contained in the testimonials

mentioned. So this portion of the service may in a way be said to be verified from the office records.

5. As for the service put in during the short interval above referred to, a part of it extending from October to Dec. 77 can be held to be duly verified in the letter no. 170/18/6/96 of the Headmaster, Brennen College, and in the testimonial granted to the applicant by Mr. J. M. Hensman, the then Headmaster Brennen High School, both of which are among the papers returned, the latter being represented by a copy of it. The remaining portion viz. that extending from the 1st January 78 to 20th idem appears to be unverifiable.

6. An affidavit relating to this portion of his service he cannot give, inasmuch as he cannot recollect the date of his leaving the Brennen High School.

7. All that he remembers and can recall to mind about his service in the Deputy Inspector's Office, North Malabar, and the Brennen High School is that, commencing service in the former institution in 1873, he served there till 1878, when he was transferred to the Govt. Normal School, Tellicherry, barring the short interval of a few months when he was under Mr. J. M. Hensman in the Brennen High School. While in the Deputy Inspector's office he served under the late Mr. V. Subba Rao, yourself, and two other gentlemen who came to act in the place for short periods. Also he well remembers that he was under you when he was transferred to the Brennen High School, and it was to you he returned from there.

8. An affidavit to this effect he submits, and for the evidence of a contemporary officer he has to rely on your testimony.

9. Items 2, and 3 of the information called for relate to the reason why the applicant could not be otherwise provided for; and item 4 to the authority under which the service in Board Schools was made to count for pension. Therefore I have nothing to say in reference to them.

I have the honour to be,

SIR,

In returning your letter No $\frac{A \cdot B \cdot K}{234}$ dated 22nd July last, with enclosures, relating to the gratuity of K. Kelu Nayar, late peon, Preparatory Mappilla Normal School, Tellicherry, I have the honour to forward herewith endorsement from the Inspector of Schools, Western Circle, No 5800 dated 10th instant, giving further particulars of this peon's service as far as available.

2. In the circumstances explained by the Head Master, Municipal Lower Secondary School, Tiruvangod, the certificates of verification in

in the Service book and the statement made by the Sub-Assistant Inspector of Mappilla Schools in his letter No 1577 of the 16th June last, may be accepted. There is no doubt that Kelu Nayar was employed in the Brennen High School Tellicherry from 6th October to December 1877. The period of service from 1st to 20th January 1878 cannot be verified. As Kelu Nayar held only an Acting appointment in this School for a short period and returned to his permanent post of Peon, Office of the Deputy Inspector of Schools, North Malabar, there seems to be some difference only in the date of reversion to permanent post, and he could never have been out of employ from 1st to 20th January 1878.

3. As far as can be gathered from the Inspecting Officers I find Kelu Nayar was not reappointed for want of a suitable vacancy.

4

4. Kelu Nayar's Case is quite analogous to that of Ramakrishnaih, Head master of the Local Fund School at Atmakur who under G.O. No 238 L, of the 25th January 1889 carried with him his pensionary rights to all the Schools to which he was transferred whether of Local Boards or Municipalities. I invite your attention also to G.O. No 1472 dated 7th December 1889 ruling that the rule of proportion does not apply to the cases of masters in Government Service employed in Schools transferred to the management of Local and Municipal bodies.

In compliance with your Office no. In regard to the portion of Kelu nair's service extending from 1st to 20th Jan. 78, which needs verification, all that he can say is that he was not out of employ during the period, but must have been either in the office of the Deputy Inspector, North Malabar, or in the Brennen College High School, Tellicherry; that, from the date of his leaving the former institution to join the latter till the date of his return to it, he served in the Brennen High School; that on neither of these occasions was he on transit, inasmuch as the dates of being relieved on both the occasions coincided with the dates of the corresponding joining of duty; that there was no deduction from his pay for this period; and that you were the then Deputy Inspector of North Malabar, both when he left the office and reported to it.

To this effect he submits an affidavit, and has to rely on your affidavit for that of a contemporary officer.
