CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Should Govt be pleased to admit the period of Service noted in the margin claimed in the affidavit of the applicant

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in ~~inferior or~~ superior grades ~~has been~~ will be duly proved for 16 years 3 months & 22 days; and that an invalid (pension ~~or gratuity~~) not exceeding Rs. 10-11-4 per mensem equal to 16/60 average emoluments will be, is admissible under Articles 485 and 518 (b) of the Civil Service Regulations. The calculations have been duly verified. ~~The (pension or gratuity) is chargeable to (here specify whether to General Revenues, or to what Fund).~~

2. The applicant while attached to the Military Department from 19 January 1892 to 15 August 1894 drew a higher rate of pay than was allowed to him in the civil Department. But as his appointment in the Military Department was merely a temporary one, this office has excluded the excess pay from the calculation of his average emoluments for pension. This procedure is in accordance with that followed in the case of P. Ragava Row submitted to Government with this office Report No. A.D.I/157 dated 18 June '87 and finally approved by the Government of India in its letter quoted in the margin. This accounts for the difference between the amount of pension proposed by the Medical Department on the 1 page of the application and that certified to be admissible in the preceding paragraph.
3. The delay in the submission of this application is explained by the Senior Medical officer General Hospital Madras in para 3 of his letter No. ~~771~~ 971 dated 21 Octr: 1896 herewith sent.
4. In accordance with Rule 3 under Article 994 (b), the attention of Government is respectfully solicited to Article 514 of the Regulations.

WITH GOVT. OF MADRAS

I have the honour to request to be informed of the exact date of promotion to 1st Grade of 1st Class Hospital Assistant A. Visvanada Pillay (now invalided) as it is not available from the records of this Hospital. The "Quarterly Civil Medical List Corrected up to 31st Decr: 95" gives the date of promotion to 1st grade as 29th October 1894 whereas it appears from the entry in the Service Book herewith, that the Hospital Assistant was promoted to such grade between 4th January 1895 and February 1895. In the absence of this information the average emoluments cannot be correctly worked out.

2. As the present whereabouts of the Hospital Assistant are not known to this Office, it is requested that the same may be furnished if known in your Office, so as the Hospital Assistant may be called upon to submit an affidavit to cover the breaks in his service.

In reply to your office memo No 2893, I beg to inform that Hospital assistant Viswanathen Pillay reported himself for duty in this Hospital, on the 23-2-1880

There are no means of knowing from the Records in this Hospital the information regarding the period of his joining time

The posting order is dated 9-2-1880. But it might have been communicated to the Hospital assistant only on the 11-2-1880. Under this interpretation, the entry in the Service Book, showing the period of his Joining time, as from 11-2-1880 to 22-2-1880 should also be correct:

The pay of the Hospital assistant was drawn at the rate of only Rs 20, all the time he was doing duty here: There is no discrepancy on this point, as the pay of 3rd class Hospital assistants was only Rs 20, in the year 1880; and it was raised to Rs 25, only subsequently
