From the President Dt. Board Cuddapah - dated 30 Octr. 1896, No. 949.

Certificate and report from the Accountant-General, dated 3 Decr. 1896, No. $\frac{\text{A.D.J.}}{482}$

Order thereon, 9 Jany. 1897 No. 23.

Under articles 485 & 518(b) of the Civil Service Regulations (2nd Edition), the Right Honorable the Governor in Council is pleased to grant to C. Auzis Khan sahib, late a 1st class Vaccinator, Vaccine Dept, Cuddapah Dt, an Invalid pension of Rupees (5. 11. 2) Five annas Eleven & pies two pe payable at Chagalmari from 1st October 1895 in consideration of his qualifying service of 19 years, 1 months and 3 days

2. The full pension admissible under the rules has not been granted as the applicant's conduct and character have not been thoroughly satisfactory.

2. The President of the Dist. Board will be requested to submit thro' the Acct. General a full repo

Suspended in Sepr. 1887 pending enquiry into a case brought against him before the General Deputy Magistrate of Cuddapah, but was acquitted of all blame and restored to his duty on the 24 Sepr. 1887 with full pay for the period he was under suspension.

Max. pension : Rs. 5-11-2. p.m.

The applicant was invalided on the 1st Octr. 1895 & his pension papers were not received by Govt. till 7-12-96. Most of the delay is said to have been due to the return of the application thrice to the Dy. Inspr. of Vaccination for further information and to the time taken in getting copies of Judgment in a certain case brought against the applicant before the General Dy. Magistrate of Cuddapah - Please see page flagged B

The applicant was invalided on the 24 Sepr. 95 by the Dt. Surgeon, and 3 days afterwards the Dt. Surgn. sent an order to the Dy. Inspr. of Vaccination to relieve the applicant from his appointment. He was accordingly relieved on the 1st Octr. 95. On the 15 Octr. 95, or 15 days after the applicant's relief, the Dy. Inspr. of Vaccination received the Dt. Surgeon's order to prepare and submit the applicant's pension papers. The Medl. certificate and connected papers ~~were~~ had not been ~~omitted to be~~ sent to the Dy. Inspr. by the Dt. Surgeon's office and they were obtained by the Dy. Inspr. on the 28 Octr. 95. On the 10 Decr. 95, the Dy. Inspr. submitted the pension papers, but they were returned to him on the 10 March 96 or after a delay of 3 months for want of

1. There seems no reason to make any deduction from the pension
2. There has been scandalous delay for which the Dist. Surgeon appears to be chiefly responsible. The papers do not supply all the information required on this point. Hence para 2.

last pay Certificate and for the application being prepared in chronological order. They were resubmitted in proper form on the 6th April 1896, but were again returned on the 22d April for the printed last pay Certificate being sent up in the proper form.

The papers were again submitted on the 30th April 96 to the Dt. Surgeon, who returned them for the 3d time to the Dy. Inspr. on the 9th July× 1896, [or after a delay of 2½ months] for want of copies of correspondence relating to the applicant's suspension in 1887. The copies of Judgment had to be obtained & they were submitted to the Dt. Surgn. on the 20th Oct. 96.

Most of the delay took place in the Dt. Surgeon's office & no explanation has been offered for ~~them~~ it.

× G.O. 551/4.7.96 Pension, laying down the procedure to be adopted in cases where the actual order of suspen is not sufficiently full or where the order itself is n forthcoming, was despatched on the 30th July 96.

NS
5.1.97

This shews that the Dist. Surgeon's Establishment was responsible for avoidable delay of many months.

Firstly, the Dy. Inspr. of Vacc. shd. have been instructed to prepare the pension application when directed to relieve the applicant in the order of 25th Septr. 1895 with which all the necessary papers shd. have been sent. The failure to do this involved unnecessary delay from the 1st to the 28th October — One month

Secondly, the application submitted on the 5th December 1895 shd. have been ~~submitted~~ ~~or~~ sent back at once, instead of being kept for three months — three months delay

was been returned for a technical defect as the want of a last pay certificate in the proper printed form; in any case this refce shd. have been made immediately & not postponed until the 22nd April

Fourthly, the applicn. when resubmitted ~~received~~ on the 30th April shd. not have been detained until the 9th July before a call for ~~further~~ the correspondence relating to the applicant's suspension was called for — [over 2 months delay]. This call shd. probably have been made when the applicn. was first received i.e. in Decr. 1895.

In the month of August 79 I came as a 2d Class vaccinator from Nellore District to this and was working in Sidhout Taluq. Then i.e. in the same year in the month of October one Auziskhan was appointed as 1st Class vaccinator Pullampett Taluq. I know him from that time. I know perfectly well that Auziskhan has been working in Pullampett & other Taluqs of the District as vaccinator from October 1879. I know that Auziskhan was as a Vaccinator in Badvel Taluq till he retired at the end of September 1895.

Judgment in Calendar Case No 6 of 1887 on the file of the Sub Divisional 1st Class Magistrate of Sidhout

Name of the Complainant. M Visvanatha Mudali, late Deputy Inspector of Vaccination Sidhout Range.

Name of Accused. Azizkhan 1st Class Vaccinator of Badvel

Offence. Furnishing false information to a public servant under Section 177 I.P.C.

Finding. not guilty

Sentence. Acquitted under Section 245 C.C.P.

The defendant Azizkhan is the 1st Class Vaccinator of Badvel. He is accused of having entered in his nominal Register (B) 30 unsuccessful cases as successful. The Deputy Inspector of Vaccination made a report to this effect to the District Medical and Sanitary Officer and the latter to the President of the District Board who sanctioned the prosecution of the accused in his letter No $\frac{585}{1.4.87}$.

2 The first who is the complainant in ^{13} this case is one M Visvanatha Mudaly

late Deputy Inspector of Vaccination Sidhout Range. He deposed that he inspected all the 30 cases on the 18th November last some one month, some two months and some three months after the primary Vaccination was performed; that none of these 30 Children had four or more than four marks of successful vesicles or cicatrices; that three fourths of the number had no marks whatever; that all of them had been entered by the accused as successful in his Nominal Register (B); that the 1st witness directed the accused to revaccinate these cases and that a few days after the latter reported the former that revaccination was accordingly performed. The Complainant (1st witness) named 13 of these children (belonging to 3 hamlets of the Village of Kodur in Badvel Taluk) and said, if the case were proved in respect of these, there was no necessity to proceed in regard to the remaining children who are in three other Villages. All these 13 children were ordered to be produced for the inspection

last averment is corroborated by the 3rd defence witness Narayanasami, who asserted that at the dictation of the Deputy Inspector (1st witness) the 2d defence witness (Kamakshayya Prose) made in the accused's absence a copy of the draft explanation which was to be furnished by the accused; that the Deputy Inspector handed over this copy to the accused and told him to make a copy of that copy and give it under his signature; that the accused refused to do so on the ground that the statements therein contained were incorrect; that the Deputy Inspector then threatened the accused with criminal prosecution and imprisonment and that the accused thereupon yielded to the threats and wrote and gave explanation in the terms required by the Deputy Inspector. The 2d defence witness speaks to his having made a copy of the draft explanation at the dictation of the Deputy Inspector during the absence of the accused.

Dispensary at Badvel. He says that one morning he was informed by the accused that the latter was being forced by the Deputy Inspector (who was at Badvel on that day) to give in a written statement to the effect that the accused had revaccinated certain cases while it was not so; that he (witness) advised the accused to stick up to the Def truth; and that on the evening of the same day the accused told him (witness) that he (accused) was obliged to give an incorrect account under compulsion from the Deputy Inspector.

(5) The 4th and last defence witness Rami Reddy is the Village Magistrate of Kodur. His deposition goes to show that the above mentioned 13 Children were vaccinated by the accused only once; that the Deputy Inspector (1st witness) never inspected these cases; that Pros he visited the Casbah Village of Kodur in November last, but that he stayed there only for a few hours and did not go to any of the hamlets to which those children belong.

(6) I believe the evidence of the defence witnesses as it was given in a straight forward manner and they are respectable persons; though there is some contradiction in the account given by the 2d and 3d defence witnesses. According to the latter (3d Defence witness the former (2d defence witness) (3) present was but according to the 2d defence witness he was not present when the accused refused to comply with the Deputy Inspector requisition to give an incorrect statement. Again the 3rd defence witness said that one Chinnayya (a vaccinator) was present all the while the conversation above alluded to took place between the accused and the Deputy Inspector; but the 2d defence witness asserted that this Chinnayya was not there. These discrepancies (4) which who do not relate to any points at issue may be due to the want of memory on the part of either or both of these witnesses in regard to the events which occurred nearly six months ago.

(7) The foregoing facts are in themselves sufficient to create a strong suspicion against

the conduct of the Deputy Inspector who is the prosecution in this case; and the following circumstances weaken the prosecution and help the accused a good deal. I have seen the Children that were produced before the Court. The majority had more than four (5 in some cases and 6 in others) Marks of successful Vaccination. The prosecutor would have Ahl(5) ~~is~~ us believe that they are the results of revaccination. He says he did not see any of the so called revaccination cases because there was no necessity (6) ~~for~~ AH for it. According to his own statement he saw that the primary Vaccination had failed and he directed the accused to revaccinate, and when he was informed that it was so done, he did not think it necessary to see them though he had reported against the accused and though he (Deputy Inspector was AH (7) within easy ~~[illegible]~~ each reach (about 10 miles) of the Villages in question for he was, as his diary shows, at Badvel on the 28th February 1887 the day on which he was informed of the revaccination having been performed.

(8) Further, nothing is mentioned about the so called revaccination cases in any of the returns

furnished by him. he found out 30 cases of unsuccessful primary Vaccination on the 18th November and was informed on the 28th Feb'ry last that all these were revaccinated. There is a column in the monthly returns (to be furnished by Deputy Inspector and Vaccinators) to show the number of revaccination cases. In none of the returns submitted by the ~~prosecutor~~ or accused for any of the months from November to March is any thing entered in the Column in question. Why did the Deputy Inspector fail to make the entry in his own returns if he knew, as he says he did, there were 30 such cases? Why did he not call upon his subordinate (the Vaccinator~~s~~) to account for the omission in the latters returns.

(9) Lastly, every one that has any the least experience of this District knows too well how opposed is the rular population to Vaccination and what difficulty there exist to perform even the primary Vaccination which is ~~required~~ regarded as only a necessary evil forced upon the people by Government. It is simply incredible that these country people would allow their Children to be operated

on a second time and that too ~~written~~ within 6 months or so. In this connection I entirely believe the Village Magistrate (4th Defence witness) and the parents of the children examined by me when they say that no Vaccination took place and that the Deputy Inspector did not inspect the primary cases. The marks which the majority of the children I saw had were as stated above those of successful Vaccination. I must therefore conclude that the primary Vaccination succeeded.

(10) Another point to be noticed here is that in his memo of the 28 February 1887 the Deputy Inspector called upon the accused for explanation as to the entry of 30 unsuccessful cases as successful (during the months of November & December. In his cross examination he (Deputy Inspector) said that he was wrong and that it should be August and September.

11. Under the above circumstance I cannot find the accused guilty. I accordingly acquit him under Sec 245 CCP. I am at the same time of opinion that his conduct in having, as admitted by him, given though under pressure, an incorrect statement that he performed revaccinations ~~which~~ when he did not, calls for departmental notice.
