CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Submitted to Government. The applicant was Employed as a Special Fund clerk of the Cuddalore Taluk on a Salary of Rs 15-,, - a month up to 13th October 1896, when the Deputy Collector under whom he was employed, ordered that owing to certain charges brought against him he should be Suspended from Employment for three months and that he should be retired after the expiry of that period. As it is apparent that the Dy: Collector did not intend to dismiss the applicant from the Public Service on account of misconduct or inefficiency the period of Suspension, though not followed by re-instatement agreeably to exception (C) to Article 463 of the civil service Regulations Cannot operate as an interruption entailing forfeiture of past Service.

The applicant part of whose service has been Inferior, was above 55 years of age at the time of retirement. Although the application is for an Invalid pension, it is not Supported by a Medical Certificate of the applicant's unfitness for further public service; but under the orders passed in regard to the Suspension referred to above, it is presumed that the Head of his office was satisfied as to the applicant's incapacity, and the Case may be regarded as falling under Article 504 of the Regulations. Should Government be pleased to accept the above views, and to admit the period of Service noted in the margin claimed in the affidavit of the applicant on the evidence of Contemporary Employes, his whole qualifying service in Superior and Inferior Grades will amount to 31 years and 9 months and will render him eligible for a pension not exceeding Rs 4-,, - per mensem under Articles 436, 504 and 524 (b) of the Regulations. The pension admissible will be subject to such reduction as the Government may see fit to make owing to the applicant's character and past conduct which are reported to have been "Indifferent".

1st Octr: 1877 to 20 Novr: '77
October 1894 to February '95.

The pension that may be sanctioned to the applicant will be debitable to the Pound Fund, Village service Fund and to Provincial Revenues according to the rule of proportions.

No. 413.
Takid to the Tahsildar of Cuddalore.

8 The Government have, in their order No 1845 dated 15th Ultimo, sanctioned the entertainment of 2 gumastahs on Rs 15 per mensem for 4 months to arrange your office records which are in a confused state. According to the Collector's letter No 903 dated 30th Ultimo sent with reference to the above order, the following order is issued:—

Narana Iyengar acting Revenue Inspector, & Srinivasa Row your Taluq Pound Gumastah, are appointed to act (Pro Tem) as Gumastahs, Dufterbund Venkatasubba Pillai to act (Pro Tem) as Pound Gumastah and Volunteer Varadu
7 Row to act (Pro Tem) as Dufterbund. A
3 fortnightly progress Report should be submitted
238 for the work turned out by them in the arrangement of the records.

Your Taluq Sheristadar has no magisterial work at all. The Villages within a radius of 6 miles from Head Quarters are within the jurisdiction of the Cuddalore Town Sub-Magistrate. You should therefore inform your Taluq Sheristadar that all the records up to the year ending 31st March last should be arranged by the gumastahs & that a register should be prepared for the records to be retained and those to be destroyed as per orders. All work connected with the arrangement of records should be completed within th[illegible] months f[illegible] which the gumastahs have been sanctioned by Government and the Taluq Sheristadar will be held responsible for this. He should also be directed to superintend carefully in person whether the ~~clerks~~ gumastahs do their work properly and satisfactorily. If the arrangement of records is not completed within 4 months, the work left in arrears will be completed at the cost of the officer through whose negligence the work was left in arrears.

You should also supervise frequently the work turned out by the gumastahs. From the weekly reports now received from the Taluq it does not appear that the arrangement of records is done satisfactorily. You should therefore depute a competent gumastah for the work and direct the two gumastahs now appointed to work with him.

Deputy Collector

Proceedings of the Head Quarter Deputy Collector South Arcot, dated 6-1-97.

Read arzi dated 3rd October 1896, from the Tahsildar of Cuddalore and connected papers.

Order.

A On the 3rd October 96, the Tahsildar of Cuddalore brought to notice the discreditable connection between the Special Fund clerk A. Krishnasami Iyengar and the Taluq Pound Gumastah Srinivasa Row in the matter of carrying on their respective official duties. The principal charges brought against the Taluq Pound Gumastah are briefly as follows:—

(a) That most, if not the whole, of his work in connection with pounds and the village officer's salaries, was done by the Special Fund clerk of the Collector's office.

(b) That this practice involved the temporary but unauthorized removal of public records from the Taluq office.

(c) That the Taluq Pound Gumastah so far forgot his position in the Taluq office as to place himself completely in the hands of the Special Fund clerk of the Collector's office whom he called his "எஜமான்" and to disregard the office orders of the Tahsildar, till he had time to consult the Special Fund clerk as to how he should act.

(d) The reckless preparation of cattle pound estimates with the assistance of the Special Fund clerk.

2. The Taluq Pound Gumastah was asked what explanation he had to offer. His statement is put up with the other records marked A.

3. Charge (a). The Taluq Pound Gumastah in his explanation states "I do not know English at all. I know English figures. I used to supply Krishnasami Iyengar with figures for the progress report. He used to compile it" ... "No one knows how to prepare it in the Taluq office. I even asked one or two of them but they refused. I do not remember the names of the people I asked" It will be seen how inconsistent the explanation is. If the Taluq Pound Gumastah supplied all the figures and the Special Fund clerk merely compiled it, then any other English knowing clerk could have done the same, for, the most difficult portion is to arrive at the correct figures from the registers under the various heads of account, and the "Compilation" was a mere matter of adding. A glance however at the monthly progress reports in the Handwriting of Krishnasami Iyengar proves that whole reports consisting of figures arrived at after much labour had been prepared and the explanation that the Special Fund clerk

merely

---

merely copied off slips, supplied for the purpose cannot be accepted. Besides, if this were the truth, why was a different explanation given to the Tahsildar. When the gumastah was first challanged as to the authorship of the returns which he was paid to prepare, he said that they were prepared by a brotherinlaw of his employed in the Sivagunga estate in the Madura District. As Krishnasami Iyengar himself admitted the authenticity of the handwriting, this explanation about the Shivagunga brother in law was proved to be false. The explanation of the Pound Gumastah cannot be accepted as it is opposed to the facts produced. I find him guilty of this charge.

Charge (b). Srinivasa Rao states in answer to this charge that he had the permission of the Tahsildar to seek assistance from the Special Fund clerk. The Tahsildar is away from the District and it is not possible to get at the truth of this statement, but the exhibits show that he sought the assistance of the Special Fund clerk during the acting incumbent's term of office and both the acting Tahsildar and Head Accountant state that no such permission was accorded. Again when the Tahsildar asked the pound gumastah to explain in writing how Krishnasami Iyengar obtained the August Progress Report, a document belonging to the Taluq office and in the Custody of the Gumastah on the 9th September and wanted the explanation in 6 hours, Srinivasa Rao did not furnish it till he had time to Consult the Special Fund Clerk 2 days after the time. The August report above referred to was produced before the Tahsildar and by A. Krishnasami Iyengar a clerk in another office who had no right to be in possession of it. The facts relating to this particular case are as follows and show how thoroughly disloyally the pound Gumastah was doing his work.

On the 7th September, the Taluq Gumastah produced before the Taluq Head Accountant for Signature the Progress Report of the payment of Salaries to village officers for the month of August 96 On checking this return the Head Accountant found it to be incorrect as it did not represent the arrears unpaid. He therefore asked the Taluq Pound Gumastah to produce details of the arrears outstanding, having asked for a similar statement some days before. The list was not produced up to the 9th on which date

the

the Taluq Head Accountant Signed the report but remarked that a Cursory examination of the Permanent Payorder book shows that there is an outstanding balance and that the correct figure would be supplied. Having already shown a nil balance in the previous month's Progress report, the gumastah was delaying to produce the arrear list called for, but when the remark above referred to was recording on the August Progress report, it was produced showing an arrear list amounting to Rs 731-9-7.

On the 10th September, while the Head Accountant was talking to the Tahsildar, the Special Fund clerk came out with the office Copy of the Progress report and asked him in a most improper manner whether he knew that the Progress report had been Signed by the Head Accountant and threatening to return the report in question as it did not bear the Tahsildar's Signature in conformity with the District Circular placing the Tahsildar in a most awkward position. The Taluq Pound gumastah clearly abstracted this official document for reasons of his own without the authority of the Head of his office and as are shown by the surrounding circumstances for the purpose of inducing the Tahsildar to withdraw the report or shield the Taluq Pound Gumastah. The Gumastah states in his explanation that he merely took the office copy to the Special Fund Clerk to have "the English of it explained". The arzi of the Tahsildar read above clearly shows that the paper was taken to the Special Fund clerk to keep him informed of what was going on in the Taluq office and knowing that an incorrect return had been furnished and that trouble was likely to come of it, to concert steps to avert the blow. The reports of the Tahsildar and Head Accountant on the incident are clear and show that the Gumastah has systematically taken records out of the office, and in this particular instance, the facts brought to notice substantiate the charge. I find him guilty of this charge.

(C). The facts on which this charge was based is thus referred to by the Head Accountant. "The Tahsildar sent an order to the Pound Gumastah Sreenivasa Row asking him to explain how Exhibit B (the Progress report for August) got into Krishnasami Iyengar's hands (Vide Exhibits D & E) This explanation he did not give until he was reminded about it on the 9th "September." – . . . "My pound gumastah would

would not do anything without consulting Mr A. Krishnasami Iyengar. and it seems to be a fact known to all my office. The fact he said so in the public office when I asked him to put in his application for pension with reference to the Collector's order dated 2nd August 96 ordering his retirement at once." I find him guilty on this charge.

(d) The charge of recklessly preparing pound estimates is proved by documentary evidence of an unimpeachable character. Vide Exhibits X, Y & Z. The three estimates for constructing pounds in the villages of Kadampuliyur, Naduthittu and Devanampatnam show that the places were not inspected by any one and that they were prepared without authority. The Gumastah's drafts with the Head Accountant's remarks are among the records. A perusal of them will show that these estimates were not prepared through ignorance or a misunderstanding of orders but deliberately made to push them through the Taluq office for the District Magistrate's sanction. He has evaded answering the several questions put by his official superior and Exhibit (X) with the connivance of the Special Fund clerk he tried to force the hand of the Head Accountant

The Explanation of the Taluq Pound Gumastah is that these estimates were prepared under orders of the Tahsildar, that it was done by merely Copying the Standard plans by English Knowing people. When asked to name them or any of them he expressed his inability to do so. Leaving out of question, the ring of falsehood about the statements, the records clearly show that no orders were issued, that even when irregularities in Connection with them were pointed out, Steps were taken to carry out the work. The Explanation of the gumastah is untenable and not Supported by the fact of the case. It cannot be accepted. I consider this charge is also proved.

The gumastah has failed to clear himself of the charges with which he was confronted. The relation between the clerks of a Subordinate and Controlling office which has thus been Shown to exist cannot be tolerated in the interests of the public Service. Through his instrumentality incorrect returns were furnished to the Collector who was deceived as to the proper working of his Taluq office and an attempt to waste public money has been made, the desciplino of the Taluq office imperilled

and he has according to his own Showing, been for years passing off as a Competent clerk, while he has been getting his work done by a clerk in the Collector's office, who is paid to Scrutinize work turned out by the gumastahs knowing that Such a Course is dishonest, discreditable and unauthorized. Sreenivasa Row, Taluq Pound Gumastah is found guilty of the charges He is hereby Suspended for three months with effect from the date of Suspension and will be retired at the end of this period. He will forfeit half his pay during the period he is under Suspension and his Service towards pension.

To

The Tahsildar of

Cuddalore.

To facilitate inspection, before Jamabundi Settlement, of wet waste and Shavi lands, the Government have sanctioned entertainment of 4 Temporary gumastahs up to 15th Proximo. With reference to the Colector's letter No. 26 dated 9th Instant based upon that order, Pound gumastah Srinivasa Row, Tirunadi Deputy Tahsildar's Srinivasa Row, Tirunadi Deputy Tahsildar's office Dufterbund Srinivasa Row. Colector's office attender Alaginambia Pillai and Narayana Row who is acting for Ramachandra on leave are appointed Temporary gumastahs for your Taluks. As these gumastahs will have to be dispensed with after one month, you should make proper arrangements to exact heavy work in the Talug office from these gumastahs and to have the waste and Shavi lands inspected accurately and satisfactorily within the time by the permanent Talug gumastahs. As these additional hands are entertained on the consideration that this inspection work cannot be done earlier by the Taluq gumastahs, all the permanent gumastahs should, as far as possible, be deputed for the inspection duty. The work should be conducted with reference to order No 381.
