ORDER THEREON, 26 March 1897 N. 258.

Character Indifferent

Reduced in Sept. 1891 from 1st grade Tasmadar to 1st grade Duffadar for giving a false statement in connection with an Abkari case.

Under articles 435, 518(6) + 552 Scale B of the Civil Service Regulations (2nd Edition), His Excellency the Governor in Council is pleased to grant to Venkappalva Keluppa Kurup, late 1st grade Duffadar, Salt & Abkari Dept. Calicut Circle, an Invalid pension

annas seven + pice two per cent of Rupees (2-7-2) Two payable at Kumbharat from 20 April 1896 in consideration of his qualifying Superior service of 11 years, 9 months and 16 days.

2. H.E. the Gov. in Council is also pleased to grant to the applicant an Invalid gratuity of Rs 40/- in consideration of his qualifying inferior service of 16 years 17 days under arts. 436, 435 + 524 (a) of the C.S.R.

3. It is observed from the Board's Proceedings read in the f.o. quoted above that the applicant was in the Police force before the 19 July 1871 and that, in conformity with the Resolution of the Govt. of India No. 2091 of 19 July 1871, he elected to abide by the rules applicable to ordinary pensions, on the abolition of the Superannuation Fund. This case therefore falls under art. 554(a) of the C.S.R. The A.G. has apparently overlooked this fact.

Flagged A.

4. The applicant was invalided on the 17 April 1896 by the St. Surge Calicut in consequence of Anemia & debility. As ~~he~~ ^{he} was less than 55 years of age on that date, the A.G. called for a second medical opinion, but the Second Medical Officer considered him ^{not} fit for a further service. The A.G. considers that, if in the circumstances, the Govt. shd. invalid the applicant, the case should be referred to the Govt. of India for confirmation, "as it is doubtful whether the Local Govt. has the power to override the second Medical opinion."

with reference to the provisions of art. 487 (b) of the C.S.R.

~~There is a difference of opinion between two~~
~~Surgeons & there is nothing in the C.S.R.~~
~~which requires a reference to the Govt. of India in such cases.~~
~~The Govt. in, however, please to accept the Medical Certificate of the applicant's incapacity.~~

~~copy of these Proceedings will be forwarded to the Govt. of India for information together with a copy of the Acceptance Indorsement.~~

5. It is merely a case of a difference of opinion between two doctors; ~~one of whom~~ the opinion given by the Dist. Surgeon of Calicut is confirmed by the Inspector & Asst. Commr. of Ball & Abhari under whom the applicant worked. Both these officers pronounce him fit to be kept for the arduous duties which devolve upon a Daffadar in the S.A. Dept., & the Govt. has no doubt that his retirement will be to the public interest. In these circumstances & in view of the fact that there appears to be nothing in the C.S.R. which requires a reference to the Govt. of India, the Govt. is pleased to accept.

For Orders

Please see the note for orders under G.O. of 29-1-97. No. 66 Pension. The B. of Rev. now submits the reply to the Asst. Commr., Calicut sub D., as to the grounds on which it was considered desirable to invalid Kellappu Kurup, late 1st grade Daffadar, Calicut circle.

The Asst. Commr. states that early in the year 1895, Mr. Sherman who is in charge of the sub D., happened to inspect the Madakara Fish Curing Yard to which the applicant was attached as Daffadar & in his remarks of inspection Mr. Sherman recorded as follows:-

" This yard is in charge of Petty offr. No. 223 1st grade Daffadar Kellappu Kurup, he has been here one year, is 50 years old,

C. 15/3/97.
R. 17/3/97.

has 25 years' service. He has been posted here as unfit for preventive work. His accounts are full of overwritings & erasures of the worst possible nature. The Insp. has been requested to submit a report on the man with service book & defaulter book as something must be done as he cannot be allowed to keep the accounts in this state."

The Insp. thereupon sent the applicant for medical examⁿ. & he was pronounced unfit for further service by the D. S. Insp. The Insp. is still of opinion that the applicant is incapable of doing duty with police & the Asst. Com^r considers so too, "as the arduous & trying outdoor work that is expected from an off^r of this applicant's class needs the services of men who must be able to stand much exposure & fatigue which in the face of the D. S. Insp.'s opinion, the applicant cannot be expected to do."

The Accountant-General thinks a reference to the Govt of India necessary as it is doubtful

The Insp. is still of opinion that the applicant is incapable of doing duty with police & the Asst. Com^r considers so too, "as the arduous & trying outdoor work that is expected from an off^r of this applicant's class needs the services of men who must be able to stand much exposure & fatigue which in the face of the D. S. Insp.'s opinion, the applicant cannot be expected to do."

Yes. The Govt of India is a power which cannot be overruled, but the applicant was fit for a short period of further service. - Submitted that pension (Rs. 2-7-2) may be given & the copies of the proceedings communicated to the Govt of India for information. It is only a matter of time & doubt, no confirmation or disconfirmation.

to be then a local Govt has the power to override the second medical opinion (viz. that the applicant was fit for a short period of further service). - Submitted that pension (Rs. 2-7-2) may be given & the copies of the proceedings communicated to the Govt of India for information. It is only a matter of time & doubt, no confirmation or disconfirmation.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Submitted to Government. The applicant was on the 17 April 1896 declared by the District Surgeon at Calcutta to be completely and permanently incapacitated for further service in consequence of ~~anemia~~ ^{anemia} and Debility. As his age was only 34 years, a second medical opinion, as well as the special explanation of the head of the office, was called for in conformity with Article 487(b) and (c) of the Civil Service Regulations. The head of the office has certified to the applicant's inefficiency; but the second medical officer (i.e.) the Civil Surgeon of Tellicherry is of opinion that the applicant is fit for further short period of service. Should Government ^{to} ~~may~~ be submitted to the Government of India for is requested that ^{to} ~~may~~ be submitted to the Government of India for confirmation with reference to Article 487(b) of the Civil Service Regulations, as it is doubtful whether the local Government have the power to override the second opinion when it is adverse. ~~undoubtedly~~.

Under Ordinary circumstances an Invalid's gratuity equal to 4 months pay or Rs 40 will be admissible to the applicant for his qualifying service in Superior grades amounting to 14 years and 17 days under Articles 436, 485 and 574 (a) of the Regulations.

Besides the inferior service the applicant had rendered service in the Police Department for a period of 11 years 9 months and 16 days i.e. from 15 June 1870 to 31 March 1882. As he entered the Police service prior to 19 July 1871 he can only be granted a gratuity not exceeding Rs 165 equal to 11 months pay under the Police Superannuation Fund rules. If his case had been governed by Scale B of Article 552 of the Regulations which applies only to the case of officers who entered the Police service after 19 July 1871 he would have been granted a pension of Rs 2-7-2 equal to $\frac{4}{60}$ of his average emoluments as proposed in the 1st page of the application.

The pension or gratuity that may be sanctioned to him should be subject to such reduction as Government may see fit to make in consequence of his character, and past conduct which are reported to be indifferent.

The delay in the submission of this application is explained in Board Proceedings No 25074 dated 19 August 1896 enclosed.

Mis No. 690

Read the following letter from the Assistant Commissioner,
Calicut Sub-Division, dated 11th February, 1897 No 639

"With reference to Board's Proceedings Routine No 262, dated
3rd Instant I have the honor to report that the circum-
stances under which the Duffadar was sent for medical
examination, in the first instance, are as under:—

2. Early in the year 1895, Mr. Sherman, while in charge
of this Sub-Division, happened to inspect the Madakara
Fish-curing yard to which the Duffadar was then attached.
In his remarks of inspection, among other things, the
following was recorded:—

"This yard is in charge of Petty Officer No 223,
1st Grade Duffadar Kollappa Kurup; he has been here one
year, is 50 years old and has 25 years service. He
has been posted here as unfit for preventive work. His
Accounts are full of overwritings and erasures of the
worst possible nature. The Inspector has been
requested to submit a report on the man with Service
Book and defaulter book as something must be done

as

as he cannot be allowed to keep the accounts in this state."

On receipt of this, the Inspector, Calicut Circle sent him for medical examination and he was then pronounced to be "completely and permanently incapacitated for further service of any kind" by the District Medical Officer, Calicut. The Inspector is still of opinion that the Duffadar is incapable ^{doing} of duty with justice and I consider the same myself as the arduous and trying outdoor work that is expected from an officer of his class needs the services of men who must be able to stand much exposure and fatigue which in the face of the opinion pronounced by the District Medical Officer, the Duffadar cannot be expected to do.

The enclosures are resubmitted."

Resolution.

The Board begs to submit the special explanation called for in Government Order No 66 Pension, dated 29th January 1897.
