CERTIFIED that I have carefully examined R. Bayyagadu

His age is, by his own statement, 60 years, and by appearance about 60 years.

I consider R. Bayyagadu

in consequence of (b) Disease of the Heart

* His incapacity does not appear to me to have been caused by irregular or intemperate habits.

* If the incapacity is obviously the result of intemperance, for the words, "his incapacity does not," &c., substitute,
In my opinion his incapacity is the result of irregular or intemperate habits.
(c) If the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly, and the following addition should be made:—
"I am of opinion that _____ is fit

III.—Retirement on Invalid Pension or Gratuity.

8. If the officer applying for pension is sixty years old or upwards, no certificate by a medical officer is necessary; it suffices for the head of the office to certify to the incapacity of the applicant, otherwise incapacity for service must be established by a medical certificate attested as follows:—

9. If he is serving at or near the capital town of a province, by the surgeon-general or deputy surgeon-general of the province, or by a medical committee over which the surgeon-general or deputy surgeon-general should, when practicable, preside.

10. If he is a superior officer and is serving in the interior of the country under such circumstances that, in the opinion of the government, he can be conveniently required to appear before a medical invaliding committee—by such committee.

11. In other cases, the government may either accept a certificate given by a single commissioned medical officer or medical officer in charge of a civil station, or assemble a special invaliding committee at a convenient civil station. If the pension applied for exceeds Rs. 100 a month, a certificate by a single medical officer should not be accepted as sufficient, if it is possible without undue inconvenience, to assemble an invaliding committee or to cause the applicant to appear before the surgeon-general, Indian medical department, or the standing medical committee at the presidency.

12. In no case shall a medical certificate of incapacity for service be granted, unless the applicant produce a letter from the head of his office or his department, to show that the latter is aware of his intention to appear before the medical officer.
