Streeniwasiah the Sheristadar of the Court has given me every satisfaction during my tenure of office. He is in my opinion a very responsible and trustworthy officer. Knows his duties well and as head ministerial officer has a good hold over the Court. I should be glad to see him promoted to the post of Munsiff. My opportunities of judging are however limited to a two months' tenure of office but as head officer of the Court he is certainly brought into contact with the Judge and I think the time is sufficient to enable me to form a correct opinion.

Proceedings of the District Court of Coimbatore
The 2d. of January 1897.

Mr. Suganmellur Srinivasier has been the Sheristadar of this Court since 1881 - He was born on January 8th 1842 and thus attains the age of 55 years on 8th January 1897. The District Judge has seen the Sheristadar's work for the last six months and has formed the opinion that age hinders the Sheristadar from the efficient performance of his duties - The District Judge is therefore unable to sanction any extension and the Sheristadar under the rules will retire from the 8th January 1897. In passing this order the District Judge has pleasure in placing on record that during his long service the Sheristadar has borne a high character.

SIR,

Adverting to your proceedings No 337 dated the 24th February last, re Mr S. Streenivasiah's pension application, I have the honor to state as regards point I, that from the acquittance Roll I gather that the applicant got into the Sub protem office in 1867 consequent on the Suspension of one Baboo Meean Saib who did not eventually return to duty; hence I have to hold that no one else during the period counted Service. In regard to the Sub protem appointment in 1868 as A. English Writer the applicant had the promotion as a temporary measure and counted Service only on his permanent holding as Head Gumastah.

2. Point II Copy of my letter No 301 dated 31-10-88 to the District Magistrate Nilgiris

is not forthcoming amongst the office records I have therefore to presume that it has been destroyed under the destruction rules. An application to the District Magistrate for a copy of the document has been made on receipt of which, the same will be forwarded to you.

Point III. As observed in my letter of 15th November 1888 No 147. the dates in the Service register as originally entered therein do, in some instances, slightly vary from those in the Acquittance Rolls. It is now impossible to account for such variations at this distance of time, but I can say that the extract furnished by me with my aforesaid letter shews the correct dates according to the Acquittance Rolls.
