CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

~~Should Govt be pleased to admit~~ the period of service noted in the margin claimed in the affidavit of the applicant on the evidence of contemporary employes (which is also vouched from the records of this office)

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in ~~inferior or~~ superior grades ~~has~~ will been duly proved for 25 years 11 months 28 ~~23~~ days; and that an Invalid (pension ~~or gratuity~~) not exceeding Rs. 17-8- per mensem equal to 30/60 average Emoluments is will be admissible under Articles 485 & 510(b) of the Civil Service Regulations. The calculations have been duly verified. ~~The (pension or gratuity) is chargeable to (here specify whether to General Revenues, or to what Fund.)~~

2. Although a part of the applicant's pensionable service was paid from Provincial Revenues and a part from Local Funds, the proportionate share of pension debitable to the former is less than one fourth of the whole amount of pension admissible to him. Hence the pension is wholly chargeable to Local Funds agreeably to article 860 of the Civil Service Regulations.
3. The applicant was granted furlough for 6 months from 5 March 75. As he had not then put in 10 years service the grant of the leave was irregular under the Civil Leave Code then in force. It rests with Government to decide whether the leave allowances irregularly drawn by him should or should not be recovered from the pension that may be sanctioned to him.
4. The delay in the submission of this application is explained by the President District Board Ganjam in para 2 of his letter No 3128 dated 31 October 96 herewith enclosed.
5. In accordance with Rules under article 994 (b), the attention of Government is respectfully solicited to article 514 of the Regulations.

Sir,

With reference to your footnote No 469 dated 25th December 1896 to the letter No 3554 of the 14th December 1896, I have the honor to inform you that it is not possible for me to remember all the circumstances connected with the preparation of the annual Return of the Ichapur Taluq school for 1875-76; it is so long ago as 20 years; besides such Returns were then prepared by the Deputy Inspector of schools. However I see that my age was correctly entered in the Return referred to. The date of my birth being 17th April 1847 I was 28 years 11 months and 13 days old on the 31st March 1876 upto which date the Return was prepared and the number of years alone seems to have been entered. I could not have been 29 years old on that day. Thus there is no discrepancy whatever to be explained.
