PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Proceedings of the Board of Revenue, Land Revenue, No. 967 dated 13th March 1897 forwarding the following letter

from the District Magistrate, Ganjam, No. 180/Mag of 97, dated 4th March 1897:—

I have the honour to bring to the notice of Government a case of serious neglect of duty on the part of S.V. Mudaliar Naidu, 2nd class Magistrate of Purushottapur.

2. It is not necessary for me to treat the matter in detail as full information is to be gathered from Mr. Weir's note, copy of which is attached.

3. The case in question was transferred to the second class Magistrate of Aska but has not yet been disposed of. the Sub-Magistrate of Aska was censured for his delay and directed to proceed with the case at once but has meanwhile fallen a victim to small-pox.

4. I was given to understand by my predecessor, Mr. Weir, that S.V. Mudaliar Naidu who was then on leave, would be permitted to retire on medical certificate but would not be allowed, failing such retirement, to continue in any post involving the discharge of magisterial duties. He has however failed to obtain a medical certificate.

5. Under G.O. Revenue 768 dated 2nd September 1893, the sanction of Government is necessary for the transfer of Deputy Tahsildar Magistrates to ministerial appointments on equal pay. I have therefore found it necessary to allow this Sub-Magistrate to rejoin his post at Purushottapur on the expiry of his leave pending orders of Government.

6. This is not the only case in which similar delay in disposal of criminal cases has been noted on the part of this Sub-Magistrate—he is entirely unfit for the exercise of 2nd

class magisterial powers. On the other hand there is no ministerial appointment in this District to which he can be transferred without involving serious degradation or loss of pay. He has to serve about six months more for full pension.

7. I request the orders of Government. The case might be met by the reduction of his powers to that of a magistrate of the 3rd class only and his transfer to a less important station where the exercise of 2nd class powers is not largely called for, on the ^{inc} distant understanding that he should retire as soon as he has completed the qualifying period for half pension.

8. The various explanations of the Sub Magistrate are enclosed in original.

O R D E R :- No.451, dated 29th March 1897.

The District Magistrate's suggestion contained in paragraph 7 of his letter is accepted.

Copy of note ^{by} ~~from~~ the Honourable Mr. Bliss C.I.E. dated 23rd March 1897:-

This is perhaps the best course to take. The Sub Magistrate will, however, get off extremely lightly and the case should be further taken into consideration when his pension application comes up for disposal.
