Madras. 15th Decr. 1883

To

The Chief Engineer, and
Secretary to Government
P. W. Department
Madras.

Respected Sir,

I humbly beg to approach you with this my petition explaining of my unfortunate case, which I pray that you will be pleased, after taking the whole matter into your most noble and generous consideration I may be favourably disposed.

1. I was entertained in the Government service in P.W.D. in October 1873, as a Tank Mungavar of Red Hills & Chotavaram tanks and after a period of nearly a year and half service in that capacity, was appointed as Sub-overseer 3rd grade in Saidapet Taluk of Chingleput district in May/75, and in December 1876 was promoted to 1st grade overseer on a salary of Rs 60 per mensem and in the same month my services were temporarily placed at the disposal of the Revenue Department during the Famine Relief Works, in July 1877 I was ordered to revert to the P.W. and was placed in charge of Saidapet Taluk Roads, in June 79 I was transferred from Saidapet to Ponnary Taluk in charge of roads. I continued in the same service in P.W. till February 1880.

2. Vide Superintending Engineer 3rd Circle Memo No 854 dated 18th February 1880.

I was transferred to the Local Fund Board of Chingleput District in March 1880 under Sub Engineer Mr. Donough, the Local Fund Engineer. This officer no sooner he had taken charge of this office viz within a short period of 2 months recommended to the President Local Fund Board for dismissal from my service as being unfit to hold the appointment. The President without enquiring neither an ^{application} from me arbitrarily dismissed me from the service of Local Fund Board in June 1880.

3. Although I appealed to the President for my arbitrary dismissal I was not favoured with any reply.

4. That from the testimonials herein enclosed for your kind perusal, it will be found quite apparent that I discharged the duties entrusted efficiently and to the entire satisfaction of all my superior officers. I here specially beg of your honour that you will please draw your particular attention to the extract from a letter from Deputy Collector to the Collector dated 25th April 1877 and a letter from the latter to the Superintending Engineer dated 25th July 1877 in which my services during the 11 years were highly commended; further I may mention that none of the superior officers under whom I have served spoke disparagingly or disparagingly either to my character or work as your honour will be convinced of same from the testimonials &c

5. I therefore humbly beg to bring to your kind notice of the Chief Engineer's order P.W. order no 2457 W dated 25th October 1880 states that if a person who was in the Local Fund Board be dismissed may appoint in Government service. Under this order your honour will kindly take into consideration of my unfortunate circumstances of 8 years service in the Government, you will be moved to re-entertain my services as Sub overseer which are to be sanctioned either in the Presidency, Chingleput District or in any other District or kindly entertain me for the Government Railway that are opened from Remicountah to Nellore and from Bellary.

6. In conclusion I beg to state under G.O. H.S.P. 2170 dated 27th September 1883 & W 3039 W dated 26th October 1883 that I am rightly entitled to a gratuity for 8 years service, therefore beg of your honour will be kind enough to grant me the gratuity for 8 years service rendered to Government in D.P.W including the one year Bonus service granted by Government for which act of great kindness I will ever feel grateful.

I beg to remain

Respd. Sir

Your most obt servant

In reply to letter from the President, District Board, Chingleput, No 173 dated 16th October 1896, the undersigned has the honour to forward copy of an appeal from Y. Annarapathu Mudaliyar dated 15th December 1883, with P. W. Department endorsement thereon No 175 C dated 24th January 1884. If this is the appeal to which the man refers, his statement that his dismissal was set aside by the Chief Engineer is incorrect.
