suspended for one month in Feb^y 1846; reason of suspension is not stated & the correspondence regarding it is not for the coming.

Please see the Acctt. Genl's report which states the applicant's case fully. The applicant entered the service on 1-5-54, as a temporary fumastakon Rs 10/- in the P.W.D. He held this or a similar temporary appointment till 30-9-68, when he was made a permanent Maistry on Rs 20/-. He served in pensionable grades up to 16 July 1982, when he was thrown out of employ owing to the abolition of his appointment in the reorganization of the Bureau's establishment of the L.F. B², Chicaole Circle. The A.G. says that, as the abolition did not produce a saving in the L.F. B², the applicant's claim to a compensation pension or gratuity is inadmissible under art. 471 C.S.R. The A.G. adds that "as it would be hard if the applicant be deprived of his retiring allowance, and as any gratuity that may be sanctioned him would be a charge against Local Funds, the administration of which rests with Govt. it is for Govt. to determine whether in the circumstances of the case the application should be admitted or rejected." If the application be admitted, the applicant's service in Superior Grades will in all amount to 12 years. 7 mos. $\frac{4}{13}$ days, and will entitle him to a Compensation gratuity of Rs 300/- under the rules in force at the time of his retirement - C.P.C. 5. 23²

x. This letter in forwarding the applicant's memorial of Decr 1895 says that his original application should have been forwarded to the A.G. with the recommendation that he should be granted the gratuity to which he was entitled.

Dated Chattrapore 4th February 1896

From
C. J. Weir Esquire,
President, District Board,

To
The Chief Secretary to Government,
Local and Municipal Department,
Madras,

Sir,

I have the honor to submit here
-with a memorial submitted by W.
Venkataratnam Pantulu together with
his service register, for the orders of Govern-
-ment. In 1893, the memorialist applied to
my predecessor Mr. Stiggins for pension
and it was found on investigation
that he was only entitled to a gratuity
for the following reasons:

The entries in the Service Register
of the petitioner shew that he was a
temporary gumasta or Superintendent
from 1st May 1854 to 30th September '6
and Local Fund Maistry permanent
from 1st October '68 to 2nd May 1874.
These appointments are not included
in those which are pensionable under
rule 80 of the Local Fund Rules. The
petitioner contends vide para 9 of his
petition that the term "Local Fund
Maistry" is identical with "Sub-Overser"
but in the absence of a ruling this contention

7 8
8 234

cannot

cannot be accepted. From 3rd May 1874 to 5th November 1874, petitioner was a temporary Irrigation Maistry. He was Local Fund Sub. Overseer 3rd grade from 6th November 1874 to 17th July 1882. As this period is pensionable under rule 80 of the Local Fund Rules, he was found entitled to a gratuity of 7 months average emoluments under article 518 of Civil Service Regulations. Mr. Higgins informed the memorialist accordingly. The latter, however, refused to accept the decision and still contends that he is entitled to pension.

The proper course apparently would have been to have forwarded under Rule 86 of the Local Fund Rules memorialists original application for pension through the Accountant-General to Government with a recommendation that he should be granted the gratuity to which it was considered he was entitled, and I would suggest that Government may direct that this should now be done.

2nd May 1882, requesting to entertain
15 maistries instead of 2nd and 3rd
grade Sub. Overseers as pointed by
him in his annual report for 1881-82.

The proposal is to substitute Road
Gumastas for the recently intro-
duced Sub-Overseer system, which,
experience has shown to work very
badly. A Sub-Overseer has charge of
from 25 to 30 miles of road, and
he is unable to supervise with the
minuteness the repairs call for
if they to be properly done. The Board
therefore resolve to sanction the
alteration of establishment, as it
involves no increase of expenditure
and to substitute for 2, 2nd Grade
Sub Overseers on Rs 25 x 7 1/2 batta
and 2, 3rd Grade Sub Overseers on
Rs 20 x 7 1/2 batta, 2 maistries on Rs 12.

G. C. S. S.

No. 4148

From

H. D. Taylor Esquire,
President, District Board,
Gangam,

To

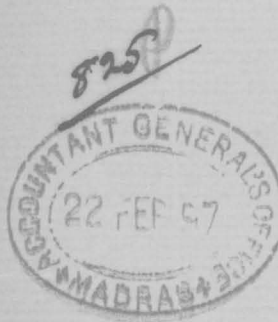

The Accountant-General,
Madras

Dated Chattrapore 15th February 1897.

Sir,

With reference to your letter
No. A. D. K. dated 18-11-96, herewith
returned, I have the honour to give
replies to your queries therein made,
Seratun.

1. The applicant does not appear to
have been transferred from qualifying
to non-qualifying service.
2. No G. O. sanctioning the abolition
of the applicants' appointment is forth-
coming. A copy of resolution of the
Chicacole Circle Board No. 2, dated
30-6-82, sanctioning the abolition
is enclosed. No savings were effected
by the abolition of the Sub Overseer's
Establishment as will be seen from
the said resolution.
3. In G. O., dated 21-3-96 No. 568 L. Mis.
copy of which is attached to the pension
application, it is stated that
Local Fund maistries should
be treated as Sub-Overseers. Under
the above ruling V. Venkataratnam
would be entitled to count as
pensionable service as Local Fund
Maistry from 1-10-68 to 1-5-74 and from
1-11-74 to 30-11-74 and from 1-4-75 to 16-7-82.

the period of his service in the Public Works Department not counting for pension. On this analogy the applicant was treated as Sub. Overseer while he was maistry in the D.P.W. but as from article 434 of Civil Service Regulations it is clear that maistries in the D.P.W. on less than Rs25 pay come under inferior service, necessary corrections are made.

4. The pension application was prepared under the rules now in force.

I have the honour to be,
Sir,

Your most obedient servant,

Devinmudong
Bot. President District Board
