Submitted. The applicant was employed as a 2d Class Revenue Inspector of Trivellore Taluk on a salary of Rs 25 a month upto 7 June 1876 when under orders of the Assistant Collector, he was degraded to the post of Taluk Gumastah on Rs 15 a month owing to inattention and remissness in the discharge of his duties. But the Tahsildar through some misapprehension provided him with only a sub protem appointment in a vacancy caused by the deputation of the permanent officer to the post of Government Guager, which is declared to be temporary under Government Order No 810 Revenue dated 4th July 1884. The ~~application~~ applicant held that appointment from 7 June '76 to 24 March '81. As the permanent incumbent was allowed to count his detached service under Article 410 of the Civil Service Regulations, the applicant cannot count his acting service in the same appointment. There is thus a break of about 5 years in his service which entails the forfeiture of all past service. Should Government in the circumstances and under Article 465 of the Regulations be pleased to condone the interruption, the applicants entire qualifying service in Superior grades will amount to 17 years ~~2~~ 5 months and 4 days and will render him eligible for a superannuation pension not exceeding Rs 4. 4. per mensem equal to 17/60 average emoluments under Articles 508

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant.	Good.
2. Explanation of any suspension or degradation.	For carelessness in the azmoish of adangal accounts No 2, the applicant was degraded from 2d class Revenue Inspector to a Gumastah (Copy enclosed)
3. Regarding any gratuity or pension already received by Applicant. (*See* Chapter XXI).	For service in the Inam Commission department, the applicant received a gratuity of Rs 200 — the appointment having been abolished. As it has not been refunded the applicant is not entitled to count this service for pension. Copy of order granting the gratuity is enclosed.
4. Explanation under Article 469 so far as the Head of the Office can give it.	Nil.
5. Any other remarks.	The applicant having attained the age of 55 retired under Article 508 of the Civil Service Regulations.
6. Specific opinion of Head of Office whether the service claimed is established and should be admitted or not [*See* Article 991 (*b*)].	The service claimed is established & should be admitted.

for Collector

Chingleput District Collector's Office
Saidapet, 10th July 1876.

From
G. S. Forbes Esq
Collector of Chingleput

To
The Accountant General
Fort Saint George
Madras

Sir,

With reference to your No. A.D.K./118* dated 4th June 1876, returning the pension application of P. Thiruvengadasami Nayudu, late Gumastah, Conjeeveram taluq for information on certain points, I have the honour to report that the correct date of the applicant's birth is 30th January 1841 as shown in the application.

* Herewith returned with enclosures.

The office copy of the annual return for 1873 prepared for the Stationary Sub Magistrate's Office shows that the date of birth of the applicant is 1841; and if 1842 has been mentioned in the return sent to you, it must be a clerical mistake.

1877
4
273

As for 1840 being mentioned in the returns of 1874-75 & 76, I beg to state that the service register of the applicant was prepared

on

on the 14th March 1878 subsequent to the submission of the annual returns referred to and 1840 was probably entered in them by some mistake which was apparently due to the Tamil Year Sarvari having been given, which corresponds to 1840 & 1841. The date of birth is given in the service register as 19th Thai of Sarvari corresponding to 30th January 1841 and there appears to be no doubt about it now.

2. In the office copies of the Annual returns for 1893 & 94 the applicant's name appears in the list submitted for the Stationary Sub Magistrate's office Conjeeveram. They are enclosed in original for perusal and return.

3. As regards point 3, I beg to state that the applicant who was a permanent Revenue Inspector on Rs 25 till 6th June 1876 was reduced to the post of a Gumastah on Rs 15 in the Tiruvallur taluq. From the pay abstracts here it appears that he held a Sub pro tem appointment

on

on Rs 15 during the whole period under reference in the arrangement of A. Raghavendra Rau, 3rd Class Revenue Inspector on Rs 20 who was Government Gauger on Rs 45. Apparently he was not provided with a permanent post, but it would be hard to make the Gumastah lose his service for no fault of his in as much as he was degraded to the place of a permanent Gumastah. The Gumastah says that he was under the impression that he was provided with a permanent place as he was all along drawing the full pay of Rs 15 and his service register showed an entry to that effect. Mr Spencer the Assistant Collector who degraded him, the tahsildars who prepared the pay abstracts and the service register and the Treasury Dy Collector who verified the service whose duty it was to have the irregularity rectified at the time are not alive. It

is not

is not possible at this distance of time to give further explanation of this discrepancy.

I have &c.

Read again the following Proceedings of the Board of Revenue dated 9-12-81, No 3156:—

Abstract.— Requesting further information in connection with the proposal to increase the pay of Govt. Ganger at Saidapet, in Chingleput District.

Read also the following letter from J. F. Price Esq, Collector of Chingleput District, to the Secretary to the Board of Revenue, dated Saidapet, 10th January 1882, No 8:—

In reply to paragraph 1 of the Proceedings of the Board of Revenue No 3156 dated 9-12-81, I have the honor to state that according to clause 9 of the Form of License No 1, the Arrack Renter is bound to contribute a sum not exceeding Rs 150 a month for the cost of Police Guards and Guaging Establishments entertained in this district.

2. The actual charge now incurred under this head amounts to Rs 103-10-8 as particularized in the margin.

2 Pensionary contributions	9-"-"
3. Police Force	49-10-8
	103-10-8

3. There is thus a saving of not less than Rs 46 from which the increase recommended by me might be met.

7/6

Considering the extra work imposed upon the

2. The sanction of Government is requested

With reference to the applicants' employment as Gumastah from June '76 to 24th March '81, it gathered from the papers furnished that he acted as such the arrangement made on deputation of one Raghavan Row to the post of Government Gauger. In Govt. Order No. 810, Revenue, dated 4-7-84, it was ruled that post of Gauger should be regarded as a Temporary appointment under Government, and that any Govt. officer holding a substantive appointment, deputed to that post should be held as eligible for counting service for pension under Article

10. 5th Military Secretary

410 of the Civil Service Regulations. The applicant having held an acting appointment (the permanent holder of which co service in it) cannot also count that service towards pension the service in question was admitted by an oversight, the necessary correction should be made both in the aggregate period of pensionable service as well as in the amount of pension proposed for him.

2. It is not clear in what vacancy the applicant was confirmed in his appointment as Gumastah on and after the 24th March '81. It is requested that the vacancy may be fully described.

3. In the history of service given on the 2nd page of the application, the applicant's service from 7-6-76 to 24-3-81, is shown as permanent, which from the papers enclosed, it appears to have been only acting. The necessary correction should be made.
